Punch In The Country:

Mr. Punch's Country Life: Humours of Our Rustics Phil May, Charles Keene, L. Raven-Hill, Will Owen, George du Maurier, C. E. Brock, F. H. Townsend, Bernard Partridge, Tom Browne, Lewis Baumer, G. D. Armour, Gunning King, Linley Sambourne, G. H. Jalland, G. E. Stampa, 2023-10-04 The anthology *Mr Punch s Country Life Humours of Our Rustics* presents a rich tapestry of pastoral humor through a collection of works from a diverse group of late 19th and early 20th century British illustrators and satirists Its pages encapsulate a wide array of literary styles from caricature to gentle satire exploring the quirks and idiosyncrasies of rural British life The variety of approaches to the theme of country life showcases the depth and diversity of talent among the contributors making the collection significant both as a historical document and a piece of literary art Standout pieces within the anthology serve as cultural commentaries offering insights into the social dynamics and daily experiences of rustic Britain during this period The contributing artists and cartoonists including Phil May George du Maurier and Charles Keene among others bring together a unique blend of backgrounds united by their prolific contributions to notable publications such as *Punch* magazine Their collective work reflects the broader context of Victorian and Edwardian satire marked by a transition from more straightforward ridicule to a nuanced exploration of social norms and human behavior This anthology not only aligns with but enriches the historical and cultural understanding of this era s comedic and critical examination of country life As such *Mr Punch s Country Life Humours of Our Rustics* is an essential collection for anyone interested in British humor satire or cultural history Beyond its value as an archival piece the anthology offers readers an unparalleled opportunity to engage with the works of some of the era s most influential artists and satirists Each piece serves as a window into the pastoral world of yesteryear inviting a comparative reflection on contemporary rural life This collection is particularly recommended for enthusiasts of social satire students of British cultural history and lovers of classic illustrative art promising both educational enrichment and delightful entertainment *Punch*, 1891 [Punch](#) Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1891 [Mr. Punch's History of Modern England](#) Charles L. Graves, 2022-01-04 *Punch s History of Modern England* is a unique review of the English customs traditions education nobility courts fashion culture and personalities entirely based on the articles from *Punch* the British satirical journal As the author mentions in the preface The Files of *Punch* have been generally admitted to be a valuable mine of information of the manners customs and fashions f the Victorian age This is one of the best examples of Victorian era humor prose and gives a unique insight into the history of England outside political matters **Mr. Punch's History of Modern England Vol. II—1857-1874 (of 4) (Illustrations)** Charles Larcom Graves, 2014-11-25 Example in this ebook PART I THE NATIONAL OUTLOOK Mr PUNCH S HISTORY OF MODERN ENGLAND THE AGE OF NON INTERVENTION Whether splendidly isolated or dangerously isolated I will not now debate but for my part I think splendidly isolated because this isolation of England comes from her superiority These words were used by Sir Wilfrid Laurier in 1896

but they were prompted by a retrospect of the Victorian age and may serve as a motto for the policy which governed England in her relations with foreign countries in the period surveyed in this volume There was serious friction with France in the early days of the Empire owing to the distrust of the Emperor's warlike preparations and his manipulation of the opportunities presented by his assistance of Italy in 1859 In the war of North and South in America England as a whole backed the wrong horse and English diplomacy mishandled the obligations of our neutrality We were on the verge of war over the Trent case and the slackness of the Government in failing to detain the Alabama burdened the country with a costly legacy of moral and intellectual damage to say nothing of pecuniary loss Popular sentiment was strongly anti Prussian in the war on Denmark in 1864 misgivings of Prussian aggression were heightened by the crushing defeat of Austria in 1866 and the French débâcle in 1870 Yet the old diplomacy whatever its shortcomings kept us out of European wars The Court as well as the Government strove hard for peace in 1859 the Queen's influence was successfully exerted to prevent interference on behalf of Denmark in 1864 which had been foreshadowed in a menacing message to Austria from Lord Palmerston After the defeat of the Austrians at Sadowa in 1866 Disraeli justified abstention from unnecessary interference in European politics on the ground that England had outgrown the European Continent and was really more of an Asiatic than a European power With Gladstone the restraining motive was economic rather than anti imperialist though his distrust of a spirited foreign policy became more pronounced in later years But under Liberals and Conservatives alike non intervention in European wars remained the unbroken rule and the only serious military operations undertaken between 1857 and 1874 were those involved in the suppression of a great revolt within our own dominions The Chinese quarrel was the only cloud on the horizon in the beginning of 1857 Parliament was dissolved as the result of the vote of censure passed in the Commons but Palmerston was returned with a strong majority and the pacifists under Cobden lost their seats Punch expressing the hope that Cobden might be master of himself though China fall The war with China was not a glorious page in our annals it remained in abeyance during the Mutiny and was not concluded till 1860 Indirectly it was one of the means of saving India by the diversion of the troops intended for the Far East and already at Singapore to the relief of Bengal at the urgent summons of Lord Canning the Governor General of India The first mention of the outbreak in Punch followed close on the tragedy of Meerut early in May In his *Essence of Parliament* we read Lord Ellenborough delivered an alarmist speech about the mutinies in our Indian Army Among other terrors he was hideously afraid that Lord Canning the Governor General had been taking some step which showed that he thought Christianity a true religion but this damaging accusation was happily explained away Lord Lansdowne was almost sure that Lord Canning could not so far have misconducted himself To be continued in this ebook

practical politics his grandiose doctrines of Imperialism He made the Queen Empress of India he riveted our hold on the Suez Canal by the opportune purchase of the Khedive s shares in 1875 he claimed to have brought back Peace with Honour from the Berlin Congress of 1878 the year which marked the zenith of his power and the beginning of its decline The twelve years that followed Gladstone s success at the polls in 1880 were crowded with momentous events the rise and ferment of the new nationalities abroad the advent of new champions and gladiators in the political arena at home Parnell and Randolph Churchill and Chamberlain To be continue in this ebook **Punch, Or, The London Charivari** ,1874
