

A person wearing teal medical scrubs is shown from the chest down, with their hands clasped together in a prayer position. The background is a soft-focus white fabric, likely a hospital gown or bedsheet. A semi-transparent teal box with rounded corners is centered over the image, containing white text for a prayer.

Prayer for a safe surgery

Lord God, as I prepare for surgery, I humbly pray for Your loving care and protection. Please direct the hands of the medical staff performing the treatment and fill them with Your knowledge and compassion. I pray for a successful procedure and a quick and painless recovery. Give me the courage and serenity I need, knowing that You are always by my side. Through Christ our Lord.

AMEN

Pungent Prayers:

Understanding Prayer Sam Storms, 2025-05-06 A Comprehensive Theological Guide to the Practice and Power of Prayer In Understanding Prayer author pastor and scholar Sam Storms unpacks the meaning and power of prayer through a close reading of Scripture with special focus on the life and ministry of Jesus the apostle Paul and James With scholarly wisdom and pastoral application he addresses topics like persisting in prayer praying for pleasure and warfare prayer exploring how prayer is a profoundly supernatural experience He also addresses several controversial texts and challenging questions about prayer including Does prayer really change anything Why praying in Jesus s name is not a magical incantation The most shocking prayer the apostle Paul never prayed How we can ask God for wisdom to make sense of the seemingly senseless Suffering healing and the prayer of faith How prayer brings us peace and imparts spiritual wisdom Understanding Prayer is an indispensable resource serving as both a comprehensive analysis and a practical guide for those seeking God through prayer It offers a journey into the heart of prayer transforming it from a mere ritual to a deeply personal spiritual experience that develops and grows our knowledge understanding and hunger for God **Pungent**

Prayers Phil E. Pierce, 1977-01-01 Hearing from Heaven Eric M. Whitley, 2024-02-13 Every Christian needs the daily revelation of God s voice He is always speaking powerful words of love and encouragement to His children but many believers struggle to discern His voice through the noise of the world You can hear from heaven but you must tune your spirit to heaven s frequency to receive the messages God is sending Hearing From Heaven will give you the steps and tools needed to begin hearing God s voice for yourself and for others Whether you are a new Christian or a mature prophetic person you will discover new insights and principles for developing a healthy prophetic culture and community for your church Each week s material is full of practical teaching and opportunities to start practicing hearing God s voice When used in conjunction with the free companion study guide you will learn how God uniquely speaks to you how to use your spiritual gifts to bless your church and how to develop a community of prophetic people that supports one another in unity

Spurgeon on Prayer Charles H Spurgeon, 2009 Spurgeon the Prince of Preachers was also a man of prayer His sermons on prayer contained within this Pure Gold Classic will lead you to the very throne of grace where you will obtain mercy and find grace to help in times of need Spurgeon said One night alone in prayer might make us new men changed from poverty of soul to spiritual wealth from trembling to triumphing Sometimes we think we are too busy to pray That is a great mistake for praying is a saving of time We cannot all argue but we can all pray we cannot all be leaders but we can all be pleaders we cannot all be mighty in rhetoric but we can all be prevalent in prayer Whether we like it or not asking is the rule of the Kingdom Saints of the early church reaped great harvests in the field of prayer and found the mercy seat to be a mine of untold treasures Spurgeon s words will change the way you think about prayer and the way you pray *Addresses to young men* Daniel Baker (D.D.), 1874 A Series of Revival Sermons Daniel Baker, 1846 Revival Sermons, First[-second] Series

Daniel Baker,1855 An Imperative to Cure James B. Waldram,2020-11 James B Waldram s groundbreaking study An Imperative to Cure Principles and Practice of Q eqchi Maya Medicine in Belize explores how our understanding of Indigenous therapeutics changes if we view them as forms of medicine instead of healing Bringing an innovative methodological approach based on fifteen years of ethnographic research Waldram argues that Q eqchi medical practitioners access an extensive body of empirical knowledge and personal clinical experience to diagnose treat and cure patients according to a coherent ontology and set of therapeutic principles Not content to leave the elements of Q eqchi cosmovision to the realm of the imaginary and beyond human reach Q eqchi practitioners conceptualize the world as essentially material and meta material consisting of complex but knowable forces that impact health and well being in real and meaningful ways forces with which Q eqchi practitioners must engage to cure their patients **Catalog of Copyright Entries. Copyright Office,1979 The Prayers of the Bible ,1855 **The Complete Works of Charles Spurgeon, Volume 78** Spurgeon, Charles,Delmarva Publication, Inc.,2015-07-27 Volume 78 Prayer s of C H Spurgeon Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the

forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion
 cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is
 enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years
 after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason

 waiting on Him Will J Harney Most believers do not rise to their full privilege in prayer Successful prayer cannot be rushed If
 we want to hear from heaven we must allow time for God s voice to fully break through the din of life When we have a
 tremendous amount of work to be done for the day we dare not leave out prayer As Martin Luther observed I have so much to
 do that I shall spend the first three hours in prayer The real danger in not taking sufficient time to commune with God and
 implore Him for our requests is the slow erosion of the Spirit s voice when life s static distracts a believer from what is truly
 important and necessary for a successful life In this classic work on effective prayer Will J Harney reminds us that there are
 vast rewards in store for those who make prayer a priority Prayer does not need to be a chore for the growing Christian for it
 is one of the highest privileges accorded us But to receive our divine answer we must pray clear through that is pray
 continually and with urgency until at last we hear from heaven And this is the confidence that we have in him that if we ask
