Punishment Politics And Culture:

Punishment, Politics and Culture Austin Sarat, Patricia Ewick, 2004 Starting with an overview of the history and philosophy of punishment this title includes articles that explore penal practices in the modern state and the deeper philosophical and social aspects of retributive justice

The Politics of Punishment Louise Brangan, 2021-05-16 Prisons are everywhere Yet they are not everywhere alike How can we explain the differences in cross national uses of incarceration The Politics of Punishment explores this question by undertaking a comparative sociological analysis of penal politics and imprisonment in Ireland and Scotland Using archives and oral history this book shows that divergences in the uses of imprisonment result from the distinctive features of a nation's political culture the different political ideas cultural values and social anxieties that shape prison policymaking Political culture thus connects large scale social phenomena to actual carceral outcomes illuminating the forces that support and perpetuate cross national penal differences The work therefore offers a new framework for the comparative study of penality This is also an important work of sociology and history By closely tracking how and why the politics of punishment evolved and adapted over time we also yield rich and compelling new accounts of both Irish and Scottish penal cultures from 1970 to the 1990s The Politics of Punishment will be essential reading for students and academics interested in the sociology of punishment comparative penology criminology penal policymaking law and social history

The Killing State Austin Sarat, 2001 The Killing State offers an explanation of why the USA clings to capital punishment long after other democratic nations have abandoned the procedure

Crime and Punishment in Contemporary Culture Claire Valier, 2005-07-05 Today questions about how and why societies punish are deeply emotive and hotly contested In Crime and Punishment in Contemporary Culture Claire Valier argues that criminal justice is a key site for the negotiation of new collective identities and modes of belonging Exploring both popular cultural forms and changes in crime policies and criminal law Valier elaborates new forms of critical engagement with the politics of crime and punishment In doing so the book discusses Teletechnologies punishment and new collectivities The cultural politics of victims rights Discourses on foreigners crime and diaspora Terror the death penalty and the spectacle of violence Crime and Punishment in Contemporary Culture makes a timely and important contribution to debate on the possibilities of justice in the media age

The SAGE Handbook of Punishment and Society Jonathan Simon, Richard Sparks, 2012-09-18 The project of interpreting contemporary forms of punishment means exploring the social political economic and historical conditions in the society in which those forms arise The SAGE Handbook of Punishment and Society draws together this disparate and expansive field of punishment and society into one compelling new volume Headed by two of the leading scholars in the field Jonathan Simon and Richard Sparks have crafted a comprehensive and definitive resource that illuminates some of the key themes in this complex area from historical and prospective issues to penal trends and related contributions through theory literature and philosophy Incorporating a stellar and international line up of contributors the

book addresses issues such as capital punishment the civilising process gender diversity inequality power human rights and neoliberalism This engaging vibrantly written collection will be captivating reading for academics and researchers in criminology penology criminal justice sociology cultural studies philosophy and politics *The Politics of Crime, Punishment and Justice* Stephen Farrall, Emily Gray, 2024-05-17 This book explores the impact of right wing political ideology on crime the criminal justice system and attitudes towards punishment in Britain Grounded in a rigorous analysis of repeated cross sectional surveys such as the British Social Attitudes Survey and the British Crime Survey as well as individual level cohort data such as the 1958 National Child Development Study and the 1970 British Cohort Study it examines changes in long term crime rates criminal justice policies and their integration with social and economic policies in Britain over four decades It offers a detailed discussion of how radical social and economic changes affected the fear of crime and attitudes to punishment and how well Thatcherite social and economic values were embedded in contemporary British society Drawing on a wide literature across criminology political science sociology and social policy this book demonstrates how a thorough understanding of crime cannot take place without an examination of the wider social policies enacted the life courses of the individuals affected and their communities and the political environment in which they live It is essential reading for criminologists sociologists political philosophers and social theorists alike since it combines thinking from political sciences life courses theories and detailed analyses of the outcomes of social policy change The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY 4.0 license *The Political Economy of Punishment Today* Dario Melossi, Máximo Sozzo, José Brandariz García, 2017-11-03 Over the last fifteen years the analytical field of punishment and society has witnessed an increase of research developing the connection between economic processes and the evolution of penalty from different standpoints focusing particularly on the increase of rates of incarceration in relation to the transformations of neoliberal capitalism Bringing together leading researchers from diverse geographical contexts this book reframes the theoretical field of the political economy of punishment analysing penalty within the current economic situation and connecting contemporary penal changes with political and cultural processes It challenges the traditional and common sense understanding of imprisonment as exclusion and posits a more promising concept of imprisonment as a differential or subordinate form of inclusion This groundbreaking book will be a key text for scholars who are working in the field of punishment and society as well as reaching a broader audience within law sociology economics criminology and criminal justice studies **Histories of Punishment and Social Control in Ireland** Lynsey Black, Louise Brangan, Deirdre Healy, 2022-08-23 This volume contains an Open Access Chapter Leading scholars on Irish penal history and theory explore trends and debates that have surrounded patterns of punishment in Ireland since the formation of the State and foreground often absent perspectives in criminology and punishment **The Politics of Safety** Shannon King, 2023-11-28 For much of the twentieth and twenty

first centuries public officials in cities like New York Chicago and Baltimore have criminalized uprisings as portending Black thugs throwing rocks at police and plundering private property to undermine complaints of police violence Liberal mayors like Fiorello H La Guardia have often been the deftest practitioners of this strategy As the Depression and wartime conditions spurred youth crime white New Yorkers anxieties about crime the movement of Black people into white neighborhoods and headlines featuring Black hoodlums emblazoned all over the white media drove their support for the expansion of police patrols in the city especially in Harlem and Bedford Stuyvesant Though Blacks also called for police protection and for La Guardia to provide equitable municipal resources they primarily received more punishment This set the stage for the Harlem uprising of 1943 Shannon King uncovers how Black activism for safety was a struggle against police brutality and crime highlighting how the police withholding protection operated as a form of police violence and an abridgement of their civil rights By decentering familiar narratives of riots King places Black activism against harm at the center of the Black freedom struggle revealing how Black neighborhoods became occupied territories in La Guardia s New York

Punishment, Participatory Democracy, and the Jury Albert W. Dzur, 2012-08-01 Focusing contemporary democratic theory on the neglected topic of punishment Punishment Participatory Democracy and the Jury argues for increased civic engagement in criminal justice as an antidote to the American penal state Albert W Dzur considers how the jury rather than merely expressing unreflective public opinion may serve as a participatory institution that gathers and utilizes citizens juridical capabilities In doing so the book resists trends in criminal justice scholarship that blame increases in penal severity on citizen participation and rejects political theorists longstanding skepticism of lay abilities Dzur distinguishes constructive citizen involvement that takes responsibility for public problems from a mass politics mobilized superficially around single issues This more positive view of citizen action which was once a major justification for the jury trial is now also manifest in the restorative justice movement which has incorporated lay people into community boards and sentencing circles Both jury trials and restorative justice programs Dzur explains are examples of rational disorganization in which lay citizen action renders a process less efficient yet also contributes valuable qualities such as attunement reflectiveness and full bodied communication While restorative justice programs and participatory policy forums such as citizens juries have become attractive to reformers traditional juries have suffered a steep and troubling decline Punishment Participatory Democracy and the Jury advocates a broader role for jurors in the criminal courts and more widespread use of jury trials Though no panacea for a political culture grown too comfortable with criminalization and incarceration participatory institutional designs that rationally disorganize punishment practices and slow down criminal justice can catalyze civic responsibility and public awareness about the need to find alternative paths forward for America s broken penal system

Dictionary of Prisons and Punishment Yvonne Jewkes, Jamie Bennett, 2013-01-11 Covers the rapidly developing and increasingly professionalized field of contemporary prison practice with its increased emphasis on skills and qualifications and its new set

of ideas and concepts Punishment, Justice and International Relations Anthony F. Lang Jr.,2009-10-16 This volume argues that a wide range of policies in the international system today economic sanctions military intervention and counter terrorism policy are part of a punitive ethos that has arisen since the end of the Cold War **Crime and Punishment in**

Contemporary Culture Claire Grant,2007 Today questions about how and why societies punish are deeply emotive and hotly contested In *Crime and Punishment in Contemporary Culture* Claire Grant argues that criminal justice is a key site for the negotiation of new collective identities and modes of belonging Exploring both popular cultural forms and changes in crime policies and criminal law Grant elaborates on new forms of critical engagement with the politics of crime and punishment In doing so the book discusses teletechnologies punishment and new collectivities the cultural politics of victims rights discourses on foreigners crime and diaspora terror the death penalty and the spectacle of violence *Crime and Punishment in Contemporary Culture* makes a timely and important contribution to debate on the possibilities of justice in the media age This book is essential reading for undergraduates postgraduates and researchers interested in the area of crime and punishment The Use of Punishment Sean McConville,2013-01-10 In recent decades there has been a vast

increase in the use of imprisonment and penal supervision and to many this development appears to be qualitatively as well as quantitatively different The causes of this development its consequences and future course form the main point of departure for the contributors to this volume who consider the changes that have contributed to these apparently fundamental shifts in the use of punishment In this major new book contributors from a range of disciplines provide an integrated approach to a range of questions surrounding the use of punishment In what ways have broader social institutions and processes contributed to penal expansion This book is the principal outcome of the Guggenheim Punishment Project which aimed for a truly interdisciplinary account of thinking about punishment and an outcome which was general and reflective rather than specific and policy oriented and accessible to the generalist as well as those with a specialist interest in the field *Criminal Justice and Political Cultures* Tim Newburn,2012-12-06 As crime increasingly crosses national

boundaries and international co operation takes firmer shape so the development of ideas and policy on the control of crime has become an increasingly international and transnational affair This book is concerned both with the very specific issue of policy transfer within the crime control arena and with the issues raised by a more broadly conceptualized idea of comparative policy analysis **The Routledge Handbook of Irish Criminology** Deirdre Healy,Claire Hamilton,Yvonne

Daly,Michelle Butler,2015-12-14 This book charts the contours of the criminological enterprise in Ireland and brings together internationally recognized experts to discuss theory research policy and practice on a range of topics and in an international context Studies in Law, Politics, and Society Austin Sarat,2012-01-31 Contains an international and interdisciplinary

array of legal scholarship This work illuminates the law s response to its social context as well as the way law shapes that context It shows how legal scholars contribute to public debate about contemporary issues as well as how they articulate the

nature of rights and the limits of law *Chinese Political Culture* Shiping Hua, Andrew J. Nathan, 2016-07-08 Until this book there has been no comprehensive methodologically aware study of all aspects of Chinese political culture The book is organized into three major areas Chinese identities and popular culture regional identities anti politics attitudes Hong Kong identity public opinion surveys the Beijing area Chinese workers the Shanghai area and ideological debates the new Confucianism masculinity and Confucianism why authoritarianism is popular in China the decline of Chinese official ideology Here is the first work that reveals just how much how rapidly and how dramatically China is changing and why our perceptions of China must keep pace

Criminology and Democratic Politics Tom Daems, Stefaan Pleysier, 2020-12-31 Criminology and Democratic Politics brings together a range of international leading experts to consider the relationship between criminology and democratic politics How does criminology relate to democratic politics What has been the impact of criminology on crime and justice How can we make sense of the uses non uses and abuses of criminology Such questions are far from new but in recent times they have moved to the centre of debate in criminology in different parts of the world The chapters in Criminology and Democratic Politics aim to contribute to this global debate Chapters cover a range of themes such as punishment knowledge and penal politics crime fear and the media democratic politics and the uses of criminological knowledge and the public role of criminology An accessible and compelling read this book will appeal to students and scholars of criminology sociology and politics and all those interested in how criminology relates to democratic politics in modern times

The Contradictions of American Capital Punishment Franklin E. Zimring, 2004-11-18 Why does the United States continue to employ the death penalty when fifty other developed democracies have abolished it Why does capital punishment become more problematic each year How can the death penalty conflict be resolved In *The Contradictions of American Capital Punishment* Frank Zimring reveals that the seemingly insoluble turmoil surrounding the death penalty reflects a deep and long standing division in American values a division that he predicts will soon bring about the end of capital punishment in our country On the one hand execution would seem to violate our nation's highest legal principles of fairness and due process It sets us increasingly apart from our allies and indeed is regarded by European nations as a barbaric and particularly egregious form of American exceptionalism On the other hand the death penalty represents a deeply held American belief in violent social justice that sees the hangman as an agent of local control and safeguard of community values Zimring uncovers the most troubling symptom of this attraction to vigilante justice in the lynch mob He shows that the great majority of executions in recent decades have occurred in precisely those Southern states where lynchings were most common a hundred years ago It is this legacy Zimring suggests that constitutes both the distinctive appeal of the death penalty in the United States and one of the most compelling reasons for abolishing it Impeccably researched and engagingly written *Contradictions in American Capital Punishment* casts a clear new light on America's long and troubled embrace of the death penalty
