P. Srivastava, 2001 This book is an assesment of the glorious past of Punjab sculptue to view it in the proper perspective through Indian cultural point of view Condition good *Demands for Grants of the Punjab Government with Detailed Estimates of Revenue and Expenditure* Punjab (India), 1976 International Bibliography of Sikh

Studies Rajwant Singh Chilana,2006-01-16 The International Bibliography of Sikh Studies brings together all books composite works journal articles conference proceedings theses dissertations project reports and electronic resources produced in the field of Sikh Studies until June 2004 making it the most complete and up to date reference work in the field today One of the youngest religions of the world Sikhism has progressively attracted attention on a global scale in recent decades An increasing number of scholars is exploring the culture history politics and religion of the Sikhs The growing interest in Sikh Studies has resulted in an avalanche of literature which is now for the first time brought together in the International Bibliography of Sikh Studies This monumental work lists over 10 000 English language publications under almost 30 subheadings each representing a subfield in Sikh Studies The Bibliography contains sections on a wide variety of subjects such as Sikh gurus Sikh philosophy Sikh politics and Sikh religion Furthermore the encyclopedia presents an annotated survey of all major scholarly work on Sikhism and a selective listing of electronic and web based resources in the field Author and subject indices are appended for the reader s convenience **How Secular Is Art?** Tapati

Guha-Thakurta,Vazira Zamindar,2024-05-31 As an invitation to interrogate the secular modality of art the book unsettles both the categories of art and secular in their theoretical and historical implications It questions the temporal spatial and cultural binaries between the sacred and the secular that have shaped art historical scholarship as well as artistic practice Thinking from the south all the essays here are anchored in a conception of a region one fissured by histories of partition state formations and religious nationalisms but still offering a collective site from which to speak to the disciplines of art and the knowledge worlds in which they are embedded The book asks How do we complicate the religious designations of pre modern art and architecture and the new forms of their resurgence in contemporary iconographies and monuments How do we re conceptualize the public and the political as fiery contestations and new curatorial practices reconfigure the meaning of art in the proliferating spaces of museums galleries biennales and festivals How do we understand South Asian art s deep entanglements with the politics of the present A Complete Guide to Sikhism Jagraj Singh,2009 Demands for Grants of the Punjab Government for the Year ... with Detailed Estimates of Expenditures Punjab (India),1979 *Socialist India* ,1973

Creativity and resistance in a hostile world Sarita Malik,Churnjeet Mahn,Michael Pierse,Ben Rogaly,2020-12-15 What can culture and its manifestations in artistic and creative forms do Creativity and resistance in a hostile world draws on original collaborative research that brings together a range of stories and perspectives on the role of creativity and resistance in a hostile world In times of racial nationalism across the world this volume seeks to understand how creative acts have agitated for social change The book suggests that creative actions themselves and acting together creatively can at the same time offer vital sources of hope Drawing on a series of case studies this volume focuses on the past and emergent grassroots arts work that has responded to racisms the legacies of colonialism or the depredations of capitalist employment across several contexts and locations including England Northern Ireland and India The book makes a timely intervention

foregrounding the value of creativity for those who are commonly marginalised from centres of power including from the mainstream cultural industries The authors also critically reflect on the possibilities and limitations of collaborative research within and beyond the academy
