The Punjab in Peace and War Septimus Smet Thorburn, 1904 The Punjab in Peace and War Septimus S. Thorburn,...** Septimus Smet Thorburn, 1904 *India-Pakistan in War and Peace* J. N. Dixit, 2003-09-02 As the Kashmir dispute brings India and Pakistan ominously close to nuclear war this book provides a compelling account of the history and politics of these two great South Asian rivals Like the Israel Palestine struggle the Indian Pakistan rivalry is a legacy of history The two countries went to war within months of becoming independent and over the following half century they have fought three other wars and clashed at the United Nations and every other global forum It is a complex conflict over religion and territory with two diametrically opposed views of nationhood and national imagination J N Dixit former Foreign Secretary of India and one of the world's leading authorities on the region has written a balanced and very readable account of the most tempestuous and potentially dangerous flashpoint in international politics The Punjab in peace and war, N.Y., Ams Press Septimus Smet Thorburn, **In Peace & War** Robin Rhoderick-Jones, 2019-07-30 A British military veteran presents an insider's history of the UK's elite armored regiment across three centuries of service highly recommended Military Historical Society Formed in 1993 the Queen's Royal Hussars trace their origins back to 1685 when King James II formed a standing army An amalgamation of two former regiments the Queen's Own Hussars and the Queen's Royal Irish Hussars the QRH carry on the distinguished history of their antecedents A veteran of both the Queen's Own and the Queen's Royal Irish Robin Rhoderick Jones tells the history of these celebrated regiments who fought alongside each other at Dettingen Balaklava the Peninsula in India and during the two World Wars Recently the QRH have seen action in Bosnia Herzegovina Kosovo Iraq and Afghanistan where they provided the first cavalry led ground holding battlegroup In Peace and War is a superbly researched record of the QRH through more than 300 years distinguished service to the Crown While the demands facing the QRH have changed over the years their dedication bravery commitment and sense of humor remain constant **War and Peace in Contemporary India** Rudra Chaudhuri, 2021-11-29 War and Peace in Contemporary India examines the importance of institutions and the role played by international actors in crucial episodes of India's strategic history The contributions trace India's tryst with war and peace from immediately before the foundation of the contemporary Indian state to the last military conflict between India and Pakistan in 1999 The focus of the chapters included in this edited volume is as much on India as it is on Pakistan and China its opponents in war The chapters offer a fresh take on the creation of India as a regional military power and her approach to War and Peace in the post independence period Importantly it advances the broader work on Indian strategic history during the Cold War and after an otherwise under studied intellectual landscape The book offers fresh insights based on archival work as well as a closer conceptual reading of Indian British and American decision making at times of war and peace in

contemporary India This book will be of great interest to scholars researchers and students interested in strategic studies diplomatic and military history international diplomacy as well as Indian history and politics The chapters in this book were originally published as a special issue of the Journal of Strategic Studies *Heroes of Britain in peace and war.
