Foibles Posea, 2012-09-11 Ancient and contemporary writers alike have left us many significant and memorable stories that have taught us useful virtues from thriftiness to self reliance to honesty and humility Those ancient values however are continually being negated by trends in modern Western governments and policies The new thought in our present day world has become Don t worry about tomorrow Your government will take care of you Foibles points out the fallacy of this new ideal and looks for redirection by pulling from known fairytales all while adding a modern spin Readers will recognize The Girl in the Red Hoodie as a derivative of the Little Red Riding Hood tale along with many other familiar characters placed in a more modern setting Foibles shows us that those older virtues are still needed and useful today both in our personal lives and our governmental policies
