Santamarina-Campos, Eva-María Martínez-Carazo, María de Miguel Molina, 2021-02-15 This book puts into context the evolution of mural art in recent years, particularly the case of contemporary muralism in Uruguay. While the focus of this volume revolves around Uruguay, the editors demonstrate that circumstances found in Uruguay are also reflected widely in a large number of cases worldwide. Mural art has evolved from an elite audience to a more popular objective. At the same time, it does not lose the necessity of high value artists that not only technically but also conceptually will be able to connect to the audience and provide a sense of identity and necessity of preservation of this art. This leads to a down-top approach where different actors take part in the process from the conceptualization to the conservation. Moreover, mural art has been studied as a driver of local economic development, attracting visitors and tourists can access these open-air museums easily. This book is of interest to students and researchers working in fine art heritage and museum studies **La novela juvenil española**

contemporánea Carolina Suárez Hernán, La novela juvenil española contemporánea es un estudio de la narrativa para adolescentes y jóvenes publicada en España en las últimas décadas en el que se abordan todos los elementos implicados como la delimitación del ámbito de estudio y los factores extraliterarios relacionados con la lectura. La noción de novela juvenil es objeto de análisis así como los rasgos específicos del panorama editorial. El libro maneja un extenso número de autores y de novelas y lleva a cabo un análisis narratológico de los aspectos más relevantes. Igualmente se caracterizan los distintos subgéneros y temáticas con numerosos ejemplos de manera que el volumen sea representativo y sirva como guía para adentrarse en el interesante campo de la literatura para jóvenes *Thanks to Life* Ericka Kim Verba, 2025-01-10 Chilean musician and artist

Violeta Parra 1917-1967 is an inspiration to generations of artists and activists across the globe. Her music is synonymous with resistance and it animated both the Chilean folk revival and the protest music movement. Nueva Canción New Song Her renowned song Gracias a la vida has been covered countless times including by Joan Baez, Mercedes Sosa and Kacey Musgraves. A self-taught visual artist, Parra was the first Latin American to have a solo exhibition at the Museum of Decorative Arts in the Louvre. In this remarkable biography, Ericka Verba traces Parra's radical life and multifaceted artistic

trajectory across Latin America and Europe and on both sides of the Iron Curtain Drawing on decades of research Verba paints a vivid and nuanced picture of Parra's life From her modest beginnings in southern Chile to her untimely death Parra was an exceptionally complex and talented woman who exposed social injustice in Latin America to the world through her powerful and poignant songwriting This examination of her creative political and personal life flaws and all illuminates the depth and agency of Parra's journey as she invented and reinvented herself in her struggle to be recognized as an artist on her own terms
