

Puppets And Marionettes

H. W. Whanslaw

Puppets And Marionettes:

Pinocchio's Progeny Harold B. Segel, 1995 While Carlo Collodi's internationally revered Pinocchio may not have been the single source of the modernist fascination with puppets and marionettes the book's appearance on the threshold of the modernist movement heralded a new artistic interest in the making of human likenesses And the puppets marionettes and other forms that figure so vividly and provocatively in modernist and avant garde drama can according to Harold Segel be regarded as Pinocchio's progeny Segel argues that the philosophical social and artistic proclivities of the modernist movement converged in the discovery of an exciting new relevance in the puppet and marionette Previously viewed as entertainment for children and fairground audiences puppets emerged as an integral component of the modernist vision They became metaphors for human helplessness in the face of powerful forces from Eros and the supernatural to history industrial society and national myth Dramatists used them to satirize the tyranny of bourgeois custom and convention to deflate the arrogance of the powerful and to breathe new life into a theater that had become tradition bound and commercialized Pinocchio's Progeny offers a broad overview of the uses of these figures in European drama from 1890 to 1935 It considers developments in France Spain Italy Austria Germany Sweden Russia Poland and Czechoslovakia In his introduction Segel reviews the premodernist literary and dramatic treatment of the puppet and marionette from Cervantes Don Quixote to the turn of the century European cabaret His epilogue considers the appearance of puppets and marionettes in postmodern European and American drama by examining works by such dramatists as Jean Claude Van Itallie Heiner MA1 4ller and Tadeusz Kantor

Making Simple Marionettes John Roberts, 2019-01-21 Marionettes are loved by puppeteers and audiences for what they can do on stage but they can be challenging to design make and perform This beautiful book clearly explains the process from making the puppets to putting them on strings and bringing them alive Detailed step by step instructions are given to make three marionettes a walking bird a dancer and a wooden man each using different tools and materials with progressively trickier techniques Written by a leading puppeteer it celebrates the art of the marionette This book includes a showcase of marionettes from around the world to illustrate the variety and richness of this ancient art which are superbly illustrated by 247 colour images with step by step instructions

A Book of Marionettes Helen Haiman Joseph, 2022-01-17 This book has puppet theater and marionettes as its main subject The author herself a puppeteer has divided her work into chapters dealing with the history of puppets the different types found throughout the world and so on

Introduction to Puppetry Arts Cheralyn Lambeth, 2019-11-13 Introduction to Puppetry Arts shares the history cultures and traditions surrounding the ancient performance art of puppetry along with an overview of puppet construction and performance techniques used around the world From its earliest beginnings in the ancient Middle East and Asia through its representations in Medieval Renaissance Europe up until its modern day appearances in theatre television and film this book offers a thorough overview of how this fascinating art form originated and evolved It also includes easy to follow instructions
