Puppy Intensive Care A Breeders Guide To Care Of Newborn Puppies

W. Jean Dodds, Diana Laverdure

Puppy Intensive Care A Breeders Guide To Care Of Newborn Puppies:

Puppy Intensive Care Myra Savant-Harris, 2006 Learn to use the same techniques that medical hospitals use on human newborns to save the lives of puppies Because many of the problems encountered in newborn pups have nothing to do with genetics or birth defects it is important for the breeder to be prepared to administer simple straightforward measures to help a puppy in distress publisher **Puppy Intensive Care** Myra Savant, 2003 *Puppy Intensive Care - A Breeder's Guide To Care Of Newborn Puppies* Myra Savant-Harris, 2006-07-11 Breeders can save puppy lives Learn to use the same techniques that medical hospitals use on human newborns to save the lives of puppies Because many of the problems encountered in newborn pups have nothing to do with genetics or birth defects it is important for the breeder to be prepared to administer simple straightforward measures to help a puppy in distress *Puppy Intensive Care* book and video will teach you exactly what you need to do how to do it and when to do it Author and dog breeder Myra Savant Harris applies her experience from more than 20 years of labor and delivery and neonatal nursing to caring for newborn puppies She gives you this information in friendly non technical language as one dog breeder to another She knows what it s like to be the only chance this puppy has to survive You will learn How to evaluate the status of a newborn puppy before taking action How to warm a chilled pup administer oxygen and hydration What the best way is to replace colostrum if the mom can t provide it What equipment to have on hand where to buy it and how to use it **BONUS** Includes a video link so you can see exactly how to use these life saving skills What the experts have to say about *Puppy Intensive Care* I learned many useful points from Savant Harris book Whether you are a novice breeder or have been breeding for years this book has at least a few ideas you haven t thought about From her great warming box concept to correct suctioning from the availability of frozen colostrum to the Whelping Nest *Puppy Intensive Care* is a definite pick for the litter Pat Hastings Breeder Judge Lecturer and Author of *Tricks of the Trade* A must read for those who plan to breed whelp and raise pups She not only covers the basics of care for the newborn she also walks you through the important steps necessary to maintain their health and development Her many descriptive statements of things to notice and what to look for in the normal pup and the one in trouble is something every breeder needs to know Read it before your next litter is born Carmen Battaglia Breeder AKC Board Member Lecturer Author From typical but exciting puppyhoods to incidents that promote heart pounding fear this book covers the expected and the unusual day to day nursery care An instructional DVD is included showing breeders the proper methods for giving oxygen subcutaneous injections tube feeding and more This book belongs on every serious breeder s bookshelf Chris Walkowicz Breeder Judge DWAA Past President Author of *Successful Dog Breeding* This book on intensive care of puppies provides practical and very useful information to ensure that newborns stay healthy and thrive W Jean Dodds DVM President Hemopet Myra Savant Harris R N is a breeder of Cavalier King Charles Spaniels who wished there was a book like *Puppy Intensive Care* at the time she started breeding dogs Myra combines her life long interest in animals with her professional experience

as a labor and delivery and neonatal care nurse to bring you this information In addition to continuing work as an R N Myra gives seminars around the country on her methods and is currently at work on her next book about reproduction and whelping Besides her interest in breeding dogs Myra is an accomplished pianist and vocalist and lives in Tacoma Washington with her husband Doug Harris and Cavaliers Click here to view an excerpt What reviewers are saying MID ATLANTIC BORDER COLLIE RESCUE I found this book to be wonderfully straight forward and potentially very useful If I were planning a litter of puppies I would want to have this book and would plan to be able to implement almost all of her strategies I appreciate the fact that she tells you in the very beginning that all puppies cannot be saved a very realistic basis from which to progress and then presents techniques covering every contingency in order that you can give saving all of them your best try Ms Savant Harris carefully lists ALL of the things you could need and even better tells you where to get them It would be most wonderful to not need the information the author gives us but having this book and the supplies close at hand would provide a very helpful safety net The DVD clearly illustrates the topics covered in the book I definitely plan to buy this book as I harbor the hope of having another litter someday Barbara Starkey MABCR Vice President MIDWEST BOOK REVIEW Black and white photographs illustrate Puppy Intensive Care A Breeder s Guide to Care of Newborn Puppies is an in depth how to manual written especially for breeders though aspiring veterinarians may also find it a useful reference Chapters discuss in depth how to prepare and use all the tools that one needs to give a puppy the best possible chance of survival even if it is born midnight on a weekend or holiday when the local vet s office is closed Statistically roughly thirty percent of puppies born die in infancy with the proper equipment and knowledge to remedy environmental factors as opposed to genetic factors about which little can be done this can ideally be reduced to ten percent Chapters cover how to build and maintain a warming box how to properly use a bulb syringe on newborn puppies umbilical cord care why puppies must ingest colostrum an immunity boosting substance produced by the mother or a suitable substitute early on how to treat a sick newborn pup if veterinary care is not immediately available remedying a puppy that becomes chilled or dehydrated and much more If your puppy isn t breathing well assume that he has large amounts of body fluid in his lungs throat and nasal passages FIRST use the bulb syringe on the back of the throat NEVER suction the nostrils before the throat Syringing the nostrils first will cause the puppy to take a breath inhaling fluids into his lungs A 30 minute DVD accompanies this absolute must have for anyone expecting a litter of puppies James A Cox *The Canine Thyroid Epidemic* W. Jean Dodds, Diana Laverdure, 2011-03 Problems with your dog It may be his thyroid If your dog is lethargic losing his hair gaining weight or suddenly becomes aggressive perhaps the last thing you or your vet would think about is his thyroid Unfortunately however thyroid disorders can cause literally dozens of health and behavioral problems in dogs and frequently go undiagnosed or are misdiagnosed And the real tragedy is that most thyroid problems are treatable with the right medical care and a well informed owner can often minimize the chance of a thyroid disorder occurring in the first place Noted veterinarian Jean Dodds and co author Diana

Laverdure have done the dog owning public and their vets a great service by writing The Canine Thyroid Epidemic The book is written in such a way to inform both the average dog owner and animal health care professionals about the ways in which thyroid disorders occur can be prevented and treated You will learn about The role of the thyroid and why it is essential to a dog s health How to identify the clinical signs and symptoms of thyroid disorders The lab tests needed to identify thyroid problems and how to administer the proper medicines How an increasingly toxic environment can impact your dog s health

The Dog Breeder's Guide to Successful Breeding and Health Management Margaret Root Kustritz,2019-01-04 This unique resource offers a general overview of canine body systems and how each system affects the breeding process Key topics include nutrition pharmacology microbiology parasitology vaccinations genetics and endocrinology as well as normal anatomy and disorders of the male and female reproductive systems It provides illustrations which make important information more readily available and provide more accurate representations of actual clinical appearance Each chapter begins with frequently asked questions and answers offering quick and easy access to key information and ends with a Test Your Understanding section that encourages readers to review what they have just read and apply it to real life situations The book also includes a first aid appendix which offers quick access to information related to various emergencies and an appendix covering common problems seen in dogs New in this second edition are an expanded section on genetics information about alternative therapies such as herbal therapy and acupuncture and details specifically for veterinary professionals

The Dog Breeder's Guide to Successful Breeding and Health Management E-Book Margaret V. Root Kustritz,2005-12-08 This unique resource offers a general overview of canine body systems and how each system affects the breeding process Key topics include nutrition pharmacology microbiology parasitology vaccinations genetics and endocrinology as well as normal anatomy and disorders of the male and female reproductive systems Full color illustrations make important information more readily available and provide more accurate representations of actual clinical appearance Each chapter begins with frequently asked questions and answers offering quick and easy access to key information Each chapter ends with a Test Your Understanding section that encourages readers to review what they have just read and apply it to real life situations A first aid appendix offers quick access to information related to various emergencies including what could have caused it and how to handle the situation An appendix covering common problems seen in dogs lists symptoms associated with each problem the possible causes and how frequently the problem occurs

Advanced Canine Reproduction and Puppy Care Myra Savant Harris,2010 Answers to common questions and unusual problems encountered even by experienced breeders Use sunlight to improve breeding results avoiding C sections make AI more successful and much more from a breeder and lecturer who has been there

Canine Reproduction and Whelping Myra Savant-Harris,2006 Everything you don t know about canine reproduction Canine Reproduction and Whelping brings together information that will be invaluable to today s dog breeders because it helps to fill in the gaps in knowledge of even

the most experienced breeder Learn how facts about human reproduction conception and birth get unknowingly mixed up with the very different canine side of things Then learn how to use this information to have more successful breedings and healthier pups Author Myra Harris combines her years of experience as a labor and delivery nurse with her passion for breeding dogs to give you practical and unusual information Easy to understand and fun to read You will learn How to prepare your young stud dog for breeding How to tell when the bitch is ready to be bred How truly fragile sperm is and how to ensure their health and survival When Artificial Insemination is preferred how to collect sperm and how to inseminate About unseen causes for unsuccessful breedings bacteria viruses yeast About the role of progesterone in breeding success and how to use it to succeed About easy normal whelpings contrasted with nightmare whelping experiences C sections made understandable and how to handle aftercare of the bitch How to remove dewclaws with the least trauma to mom and pups

Dog Breeders Professional Secrets Sylvia Smart,2008-08 Becoming a dog breeder is a significant undertaking There is so much more you need to know than just how to whelp and raise puppies Dog Breeders Professional Secrets tells you what it takes to be a successful and ethical dog breeder Back cover

Minding Your Dog Business Veronica Boutelle,Rikke Jorgensen,2010-06 Setting up and running a successful dog related business is an achievement in itself one addressed from A to Z in Veronica Boutelle s first book How to Run a Dog Business Putting Your Career Where Your Heart Is but the real test is to build success and growth for the long haul This book will tell you bull How to develop your business for long term financial security and personal fulfillment bull How you can become more comfortable and effective at selling your services bull What the smartest easiest least expensive ways to market yourself are bull How to level out the scheduling and revenue roller coaster of seasonal fluctuations In straightforward language sprinkled throughout with humor Veronica and Rikke show you how to make choices that are right for you in an ever more competitive market

Dominance in Dogs Barry Eaton,2011 Bring science to the discussion of whether dogs try to dominate humans The fact is that domestic dogs have been selectively bred for hundreds of years to work cooperatively with people and this book corrects common misconceptions about canine behavior

From the Ground Up Kim Collins,2010 You might have a dog who you think will be a super star on the agility course but unless you work with him from the ground up you may end up being disappointed Author Kim Collins takes the position that there is a lot of training and relationship building that needs to go on before you ever begin to train the specific skills needed for agility Back cove

The Toolbox for Building a Great Family Dog Terry Ryan,2010-12 Terry Ryan is one of the most well known figures in the world of positive dog training She has been a mentor to a generation of trainers world wide In The Toolbox for Building a Great Family Dog Terry presents a complete guide to help families raise a happy and well mannered dog using techniques and games that are both fun and effective Though this is a new book with a new focus some will recognize parts from several of Terry s previous books the original Toolbox For Remodeling Your Problem Dog Coaching People To Train Their Dogs and The Bark Stops Here The focus of this book is the

family dog and all that phrase implies including the interactions between kids and dogs household management strategies common behavioral problems and training games the whole family and dog can enjoy Terry s fans will remember her 1998 book *The Toolbox for Remodeling Your Problem Dog* This was one the first books to translate the science of dog behavior and training into practical and easily understood skills for both pet owner and trainer The focus was on how to solve behavior problems Now as Terry puts it her emphasis is on circumventing problems by rewarding good behavior and teaching alternative behaviors to replace those that are less desirable Learn as only Terry Ryan can teach you Important training and behavior concepts using Terry s creative and fun relationship building program The YES TRAIN approach to solving and managing behavior problems Games to play with your dog to keep them stimulated and provide opportunities for kids to work with dogs How to read your dog s body language to understand what he is thinking and why he is reacting to what is going on around him *Dogs Are from Neptune* Jean Donaldson,2009-07 In 41 essays the author of the classic work on dog behavior *Culture Clash* helps us understand what really motivates dogs corrects our wrong headed notions about canine behavior and explains how to solve problems Taken from actual case files Enlightening *Carting with Your Dog* Laura Waldbaum,2011-03 Don t put the dog before the cart until he is trained Many people love the idea of being able to hitch their dogs to a cart and have them pull the kids around the yard or in a parade Or they have a breed of dog that has been bred to work as a draft dog and are interested in participating in competitions held by clubs around the country that test both dog and handler s skill pulling a cart While this may seem simple training a dog to willingly and safely do the work to pull a cart actually involves a lot of learning and effort on the part of both the dog and the handler In this new book author Laura Waldbaum will teach you what you and your dog need to know to help develop a happy draft dog You will learn The skills your dog needs to learn before he is introduced to the cart including attention how to stop go go faster and how to back up All about the equipment you will need including a variety of harnesses and carts and how to acclimate your dog to the equipment The training required based on what your interest in carting from pulling a wagon around the backyard to participating in parades to formal competitions What you need to know about draft dog competitions including what to expect the skills you need to master and how to troubleshoot problem areas What dog trainers are saying about Carting with Your Dog *Carting with Your Dog* is an excellent beginning tool to use in the carting arena Laura has done a very good job of spelling out the basics and offering helpful and informative ideas on how to make drafting a success for you and your dog from the beginning all the way through to entering a draft test The book shows you what basic skills are needed and how to expand those skills to enjoy a successful carting experience Valerie Horney Bernese Mountain Dog Club of America President and Draft Judge A wonderful clear and useful resource I love the focus on increasing the dog s desire and enthusiasm for this work through carefully planned steps based on positive reinforcement This book is full of great training ideas and advice

The Healthy Way to Stretch Your Dog Sasha Foster,Ashley Foster,2009-10 Research on human athletes is changing

what we know about stretching For example it is now recognized that aggressive stretching should only take place after muscles are warmed up and shortened from exertion Authors Sasha and Ashley Foster have applied this latest research to dogs many of whom compete in vigorous canine sporting events so that you can learn how to safely and effectively stretch your dog to prevent injuries maintain joint integrity and improve you dog s fitness whether he is an elite canine athlete or a lap dog Over 300 photos and diagrams demonstrate how to safely and effectively stretch each major muscle group Teaches correct hand placement for joint stabilization and how to maintain good form Stretching routines are presented for both large and small dogs older dogs and those that are involved in a variety of dog sports **Do Over Dogs** Pat Miller,2010-06

What exactly is a Do Over Dog It might be a shelter dog you re working with to help her become more adoptable Perhaps it s the dog you ve adopted rescued or even found running stray who is now yours to live with and love forever Or it could be the dog you ve lived with for years but you realize he still has issues that make him a challenging canine companion A Do Over Dog is any dog that you think needs make that deserves a second chance in life Noted author and trainer Pat Miller has spent her life working with both people and shelter dogs family dogs and dogs with behavior problems In her newest book she shares the wisdom of her years in the field of force free positive dog training to help give people and pets a first class life together **Canine Reproduction** Phyllis Holst,2019-05-17 New revised 3rd edition This classic reference which has become the bible for dog breeders has been revised and updated to include the latest scientific information Canine Reproduction covers everything from planning a mating and the basics of reproduction to managing the estrous cycle caring for the pregnant bitch whelping and care of newborns and handling reproductive problems After more than three decades of experience including laboratory work breeding exhibition and her Master s degree in prenatal development Holst writes from a depth of experience that is uncommon in this field Chase Clarissa von Reinhardt,2010-03 Almost every dog has some degree of prey drive it s in his genes some more than others You may experience it when your otherwise well mannered dog suddenly takes off chasing after a rabbit squirrel or a jogger The old approach to solving this problem involved the use of corrective devices like choke chains and electronic fences A better approach includes training and management techniques that reward your dog for choosing to focus on and stay near you the owner Clarissa von Reinhardt has been working on the issue of how to deal with unwanted predatory behavior for many years In this fascinating and inspiring book she takes the readers step by step through her training methods inviting them to learn more about a dog s complex spectrum of behavior and ultimately to maintain as much control as possible over the urge to chase prey **Chill Out Fido!** Nan Arthur,2009

Does your dog go bonkers when the doorbell rings or when you grab the leash to take him for a walk If you find your dog is often difficult to control you are not alone Getting your dog to calm down and relax is one of the most common challenges pet parents face This two part book will help you first identify the factors that cause this kind of behavior in dogs then it provides you with eleven key training exercises to teach your dog how to calm down pay attention to you relax and respond to every

day situations with confidence and composure Chill Out will show you how to help your dog become the great dog you always knew he could be Get results by learning about The interrelated factors that can cause your dog s over active behaviors The impact that diet can have on your dog s inability to relax The basics of modern positive dog training that are the key to solving these common problems How to reward your dog for relaxed behaviors and avoid inadvertently reinforcing your dog s wildness Step by step training exercises that deal with the most common situations where dogs tend to have trouble staying calm

Puppy Intensive Care A Breeders Guide To Care Of Newborn Puppies Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Puppy Intensive Care A Breeders Guide To Care Of Newborn Puppies PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to

locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Puppy Intensive Care A Breeders Guide To Care Of Newborn Puppies PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Puppy Intensive Care A Breeders Guide To Care Of Newborn Puppies free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
