Puppy Love Paw Prints of Gods Love is a fifty two week devotional full of invaluable and eye opening spiritual lessons that the Lord has shown me through my darling dogs My hope is that through these beloved puppies you will come to know and comprehend the height depth length and breadth of Gods love for you Whether Im crawling around in the bushes chasing puppies down the street in my pajamas or trying to pry squirrels out the mouths of my babies may the Lord flood your heart with giggles as He shines a light on little nuggets of truth to treasure in His Word

Puppy Love Eileen M. Foti, 2004-12-14 I write this book not as an authority on dogs as I am not a Veterinarian but as a person who has observed and owned dogs for twenty odd years I feel a good deal of information can be learned by observation While Scotties are my favorite breed many other breeds are favored by many other people Many traits are the same throughout the canine world however all breeds do not look alike Some dogs are large some small some tiny and some average height The weight of each breed is different as well as the color of the fur If you have a dog you can compare your dog to the dogs in this book and see the things that are alike and the things that are different You may see a difference in the dogs eyes or the feel of his fur the length of his tail or how he carries his ears You will also see your dog likes to play just like Kiltie MacGregor Bonnie or Apollo Through my observations of many dogs I was able to write this book so others could experience the joy of owning a dog If we remember
