**Faith and the S. T. O. P. Principle** Sabrina Fairchild,2010-09-28 Is this it Have you asked yourself this question Most of us have In this crazy harried fast paced world it's not an uncommon question As career minded individuals we spend our days working tirelessly but to what end In the process we end up putting God who should be at the forefront of our lives in a box on a remote shelf Sure we still believe in God and might even attend church but He's not at the center of our lives It's time we return to our faith and stop S T O P Surrender Trust Obey Patiently wait upon Him for all things We must surrender to God's will in our lives trust His plans for our lives obey Him and His Word and then patiently wait for Him to reveal His will and plans for us It's not an easy task especially when we are so accustomed to shelving God and getting what we want It's time to shelve ourselves and make God the focus of our lives Sabrina Fairchild in sharing her own story and struggle with balancing God in a career driven world gives you the spiritual tools to do it in Faith and the S T O P Principle Sabrina Fairchild is a faith based motivational speaker and former morning television and radio personality Her programs reached thousands of listeners This is her first book She lives in Michigan You can contact Sabrina at [www.thestoppinciple.com](http://www.thestoppinciple.com)

**Cuba: Another Side of the Story** Iris M. Diaz, 2010-01-27 Cuba Another Side of the Story is a memoir of how life changed for many children growing up in a country slowly dying under constant political conflict The story is told in three parts Part I Before Castro Part II Life under Castro Part III Life in Exile This book creates a vivid sense of time and place through childhood memories of pre and post Castro Cuba from 1945 to 1967 The forty two stories told through the voice of a child highlight moments of injustice in the eyes of a young girl who does not understand why the world around her is so strange Her nanny a poor black woman shaped her soul and showed her the other side of the story the story of the poor who are voiceless in a world where only those who can afford to pay for elite private schools can get ahead in life This nanny becomes the spiritual guide who enables a very sensitive young child to navigate in a confusing world Every one of the 42 stories focuses on a moment where the child relives memories of what she witnessed growing up The first story is dedicated to Nana the person whose memory guides her to write her life story The title of the stories clearly describe how Nana influenced the author and helped her see the other side of the story El Barrio describes a neighborhood where the rich middle class and the poor lived in close proximity a reflection of what Cuban society was in the 1950 s Everyone lived under the same sun moon and stars but our worlds were very different The chapter about Sunday Mass describes the well dressed parishioners who every Sunday walked through the park next to the Church and ignored the beggars who held their arms out palms up hoping to get a nickel or dime I don t think the beggars got any of the money the priests collected every Sunday because they came back every Sunday I never understood why God didn t take care of everybody the same way Religious conflict plus the rich versus poor struggles are present throughout the book Castro started his revolution claiming he wanted to help the poor In the end everyone including the poor were deceived by a charismatic man who understood what the poor wanted to hear a promise of equality for all His communist doctrine doomed the possibility of ever achieving equality for all During Sunday Mass the priests would often remind poor parishioners how much God loved the needy by quoting verses like Blessed are the poor for they shall inherit the Kingdom of God or For it is easier for a camel to go through the eye of a needle than for a rich person to enter the kingdom of God Religion and poverty seem to be two themes that prevail throughout this book expressed clearly by the voice of the author who puts into words her thoughts by writing I never understood why God didn t take care of everybody the same way The stories The Day the Old Cuba Died and The Bay of Pigs Invasion describe the days leading to the failed attempt by Cuban exiles to get rid of the Castro regime All hope and dreams died The only dream left was to find a way to leave the island The chapter Adios Cuba is a vivid memory of what it means to become a political exile Exile is more than a change of address it is a spiritual displacement This book is not a research study about Cuban maids family religion or politics it is a story about a

young child and the life of her nanny and maids who allowed her to enter their world a world that many don t dare to acknowledge
