Purba Feasts From The East:

Purba Laxmi Parida, 2003-04-02 Not just a recipe book but a comprehensive survey of culinary delights from the eastern Indian state of Orissa better known for the architectural splendors of its ancient temples in Konarak and Puri The author speaks of her own experience in the context of the food she describes meticulously documented by her as she passes through her grandmother's kitchen to her mother's overseen by the family cook The little anecdotes that accompany some of the recipes provide an unusual glimpse into the middle class Indian existence the author experienced while growing up in that vast and fascinating country Comparing and contrasting the techniques refined over generations with that from diverse and distant cultures augmented with an extensive bibliography the book should appeal to a wide spectrum of readers from the faltering beginner to the serious cook An unusual chapter on the family cook's contribution might make the orthodox in you squirm but nevertheless offers a glimpse into the evolution of restaurant food in urban Orissa A scientist by training the author injects her own scientific humor into the writing that also makes the book an amusing read **Feasts and Fasts**

Colleen Taylor Sen, 2014-11-15 From dal to samosas paneer to vindaloo dosa to naan Indian food is diverse and wide ranging unsurprising when you consider India's incredible range of climates languages religions tribes and customs Its cuisine differs from north to south yet what is it that makes Indian food recognizably Indian and how did it get that way To answer those questions Colleen Taylor Sen examines the diet of the Indian subcontinent for thousands of years describing the country's cuisine in the context of its religious moral social and philosophical development Exploring the ancient indigenous plants such as lentils eggplants and peppers that are central to the Indian diet Sen depicts the country's agricultural bounty and the fascination it has long held for foreign visitors She illuminates how India's place at the center of a vast network of land and sea trade routes led it to become a conduit for plants dishes and cooking techniques to and from the rest of the world She shows the influence of the British and Portuguese during the colonial period and she addresses India's dietary prescriptions and proscriptions the origins of vegetarianism its culinary borrowings and innovations and the links between diet health and medicine She also offers a taste of Indian cooking itself especially its use of spices from chili pepper cardamom and cumin to turmeric ginger and coriander and outlines how the country's cuisine varies throughout its many regions Lavishly illustrated with one hundred images Feasts and Fasts is a mouthwatering tour of Indian food full of fascinating anecdotes and delicious recipes that will have readers devouring its pages Masaleydaar

The Flavour of Spice Marryam H. Reshii, 2017-11-10 A book that celebrates spices and the integral ways in which they shape what we eat Throughout a career spanning thirty years well known food critic and writer and little known collector of spice grinders of eclectic origin Marryam H Reshii has had a relentless love affair with spices Such has been her passion that she has travelled across the country and to various corners of the world crushing grinding frying and tasting in a bid to understand every aspect of these magnificent ingredients The result is The Flavour of Spice a zesty narrative that brings together stories about the origins of spices and how they evolved in the cuisines we know and love colourful anecdotes gleaned from encounters with plantation owners and spice merchants and beloved family recipes from chefs and home cooks From the market yards of Guntur India's chilli capital to the foothills of Sri Lanka in search of true cinnamon and from the hillsides of Sikkim where black cardamom thrives to the saffron markets in the holy city of Mashhad Iran this heady account pulsates with exciting tales of travel and discovery and an infectious love for the ingredients that add so much punch to our cuisines

Tobaland, the Shreds of Tradition Jean Paul Barbier-Mueller, 1983

Living House Roxana Waterson, 2012-05-22 The Living House is a pioneering work by respected anthropologist Roxana Waterson that has become a classic in its field It is first book of its kind to present a detailed picture of houses within the complex social and symbolic fabric of indigenous South East Asian peoples The main focus of the book is on Indonesia but in tracing historical links between architectural forms across the region it reveals a much wider field of inquiry covering all of the Austronesian peoples and cultures extending as far afield as Madagascar Japan and the Pacific islands to New Zealand and Hawaii As it probes the centrally significant role of houses within South East Asian social systems The Living House reveals new insights into the kinship systems gender symbolism and cosmological principles of the peoples who build them ultimately uncovering fundamental themes concerning the concepts of life force and life processes inherent in all of these cultures A vivid picture is produced of how people shape buildings and buildings shape people how rules about layout and spatial usage impact social relationships The book concludes with a consideration of present day changes affecting the fates of indigenous cultures and architectures throughout the region This book will be of tremendous interest to architects and historians and anyone interested in the indigenous art and cultures of South East Asia

Traveler's Companion Indonesia Chris Taylor, 1998-08 Sensuous exotic and incredibly diverse the Indonesian archipelago stretches for more than 5 000 km 3 200 miles along the equator Like

lumps of rough hewn jade on a velvet field of blue its 13 600 islands have captured the imagination of travelers for centuries Redolent of romance and the scent of drying cloves Indonesia is the largest country in Southeast Asia But one need not travel far to experience Indonesia s diversity Tea plantations blanketing the slopes of dormant volcanoes are only a few hours drive from coastal waters where lanteen rigged prahus set sail much as they did centuries ago when the first Arabian traders arrived As you page through Traveler s Indonesia Companion you will travel deep into a country of colorful contrast where temple cities bear silent witness to the greatness of vanished civilizations and costumed rituals dating back hundreds of years proceed amid the distant roar of jet aircraft In the Traveler s Indonesia Companion the authors explore this vast archipelago from the riverine jungles of Borneo and the Dutch canals of old Batavia to the mist shrouded mountain valleys of Irian Jaya where stone age tribes barely a generation removed from head hunting still pursue a life of subsistence farming Whether you are dreaming from an armchair or booking your flight the Traveler s Indonesia Companion guides deliver the best information and guidance for exploring this breathtaking destination

Music in Latin America and the Caribbean: An Encyclopedic History Malena Kuss, 2010-07-05 The music of the peoples of South and Central America Mexico and the Caribbean has never received a comprehensive treatment in English until this multi volume work Taking a sociocultural and human centered approach Music in Latin America and the Caribbean gathers the best scholarship from writers all over the world to cover in depth the musical legacies of indigenous peoples creoles African descendants Iberian colonizers and other immigrant groups that met and mixed in the New World Within a history marked by cultural encounters and dislocations music emerges as the powerful tool that negotiates identities enacts resistance performs belief and challenges received aesthetics This work more than two decades in the making was conceived as part of The Universe of Music A History project initiated by and developed in cooperation with the International Music Council with the goals of empowering Latin Americans and Caribbeans to shape their own musical history and emphasizing the role that music plays in human life The four volumes that constitute this work are structured as parts of a single conception and gather 150 contributions by more than 100 distinguished scholars representing 36 countries Volume 1 Performing Beliefs Indigenous Peoples of South America Central America and Mexico focuses on the inextricable relationships between worldviews and musical experience in the current practices of indigenous groups Worldviews are built into among other things how music is organized and performed how musical instruments are constructed and when they are played choreographic formations the structure of songs the assignment of gender to instruments and ritual patterns Two CDs with 44 recorded examples illustrate the contributions to this rich volume

Stratification in Cultural Contexts Toshiaki Kimura, 2013 Now available in paperback Stratification in Cultural Contexts is a collection drawn from research results of the East Asian Division of the Center for the Study of Social Stratification and Inequality at Tohoku University In this book scholars who specialize in areas of East and Southeast Asia examine how the problem of stratification manifests itself in different cultural and historical contexts discussing when and

under what circumstances the problem of stratification has become more serious and suggesting how the tension could be eased The topics dealt with are diversified from religion to economic concerns The local wisdom of traditional societies is used to analyze inequality and stratification in cases such as the phenomenon of religious revival following democratization in Mongolian society the lives of slaves under the Choson dynasty in Korea and the role of warrior class women in early modern Japan This volume provides a strong step on the way to further studies of stratification and inequality in cultural contexts Series Stratification and Inequality Vol 15
