Prendergast, 1887 **Sadliers' Catholic Directory, Almanac and Ordo**, 1888 With a full report of the various dioceses in the United States and British North America and a list of archbishops bishops and priests in Ireland **Mobile Narratives** Eleftheria Arapoglou, Mónika Fodor, Jopi Nyman, 2013-08-15 Emphasizing the role of travel and migration in the performance and transformation of identity this volume addresses representations of travel mobility and migration in 19th 21st century travel writing literature and media texts In so doing the book analyses the role of the various cultural ethnic gender and national encounters pertinent to narratives of travel and migration in transforming and problematizing the identities of both the travelers and travelees enacting in the borderzones between cultures While the individual essays by scholars from a wide range of countries deal with a variety of case studies from various historical spatial and cultural locations they share a strong central interest in the ways in which the narratives of travel contribute to the imagining of ethnic encounters and how they have acted as sites of transformation and transculturation from the early nineteenth century to the present day In addition to discussing textual representations of travel and migration the volume also addresses the ways in which cultural texts themselves travel and are reconstructed in various cultural settings The analyses are particularly attentive to the issues of globalization and migration which provide a general frame for interpretation What distinguishes the volume from existing books is its concern with travel and migration as ways of forging transcultural identities that are able to subvert existing categorizations and binary models of identity formation In so doing it pays particular attention to the performance of identity in various spaces of cultural encounter ranging from North America to the East of Europe putting particular emphasis on the representation of intercultural and ethnic encounters **Atlantic Communities** María Teresa Caneda-Cabrera, Rui Carvalho Homem, David Johnston, 2022-12-26 Historically the Atlantic Ocean has served to define the relationship between the so called worlds of the Old and the New A geographical divide between continents it is also no less a historical space across which peoples have travelled sharing ideas and cultural practices a site of encounter and exchange that has shaped the lives of communities and nations across the globe This book maps this productive web of multi layered connections not just in terms of military migratory economic and commercial actions and processes but also of shifting lines of translation that have mobilised ideas fomented the exchange of experiences and opened up channels of communication The Atlantic is considered here a global translation zone that has been created through a myriad of crossings physical and conceptual and historically shaped through the reciprocal influences between the different communities situated around and beyond its shores In the final analysis the book explores the Atlantic as a zone of created relation characterised by the interaction between processes of translation mobility and in the best of cases of hospitality and most importantly as a space no longer defined by economic and military power but by the multiplicity of identities forged in its ambit This book will be of interest to scholars and advanced students of translation studies literature history human geography politics sociology and cultural studies It was originally published as a special issue of the journal Atlantic Studies **Revelation, Mystical Phenomena**

and Divine Promises Deacon Albert Graham, 2022-10-05 The reader will be appraised of how God has been speaking to His people through public and private revelation for over 2000 years A special chapter in this work deals with some saints and holy people who have had private revelations about or visits from souls in purgatory hell or heaven Another chapter and several of the appendixes are devoted to Marian Apparitions to include those that are approved not approved and those appending a decision by the Church By far one of the greatest strengths of this undertaking is the identification of some 43 categories of concomitant extraordinary phenomena and some of the saints and holy people who have experienced them Color paintings by artists are depicted of some saints experiencing such mystical phenomena Another unique feature of the book is a listing of some 600 individuals from the 13th to the 21st centuries who bore the stigmata By knowing that God is present and alive to His people this book may help bring others to a deeper faith in God **A Round Table of the Representative American Catholic Novelists** ,1896 A Round Table of the Representative American Catholic Novelists, at which is Served a Feast of Excellent Stories ,1897 **Bulletin** Cincinnati (Ohio), Public Library, 1888
