**Milton and Questions of History** Mary Ellen Nyquist, Feisal Gharib Mohamed, Mary Nyquist, 2012-01-01 Milton and Questions of History considers the contribution of several classic studies of Milton written by Canadians in the twentieth century It contemplates whether these might be termed a coherent school of Milton studies in Canada and it explores how these concerns might intervene in current critical and scholarly debates on Milton and more broadly on historicist criticism in its relationship to renewed interest in literary form The volume opens with a selection of seminal articles by noted scholars including Northrop Frye Hugh McCallum Douglas Bush Ernest Sirluck and A S P Woodhouse Subsequent essays engage and contextualize these works while incorporating fresh intellectual concerns The Introduction and Afterword frame the contents so that they constitute a dialogue between past and present critical studies of Milton by Canadian scholars Religion And Politics In America, Robert Booth Fowler, Allen D. Hertzke, 2004-08-06 Religion and politics are never far from the headlines but their relationship remains complex and often confusing In this significantly revised third edition of Religion and Politics in America the authors offer an accessible and balanced treatment of religion in American politics They explore the historical cultural and legal contexts that underlie religious engagement while also highlighting the pragmatic and strategic political realities that religious organizations and people face Incorporating the best and most up to date scholarship the authors assess the politics of Roman Catholics evangelical mainline and African American Protestants Jews Muslims and other conventional and not so conventional American religious movements The work examines important subjects concerning religion and its relationship to gender race and class The treatment of recent voting behavior provides an in depth understanding for students of how religion and politics relate in practice These core topics along with specific contemporary

case studies useful focus study boxes and new emphases on Islam Latinos international affairs and popular culture further enhance this third edition for courses in political science religion and sociology departments

**Resources in Education**,1997 *Paperbound Books in Print* ,1967 **Moving Picture World and View Photographer** ,1915 **Yemen Update** ,1994 The Reference Catalogue of Current Literature , **A Political History of the Bible in America** Paul D. Hanson,2015-08-24 Biblical history enriched by many religious and cultural traditions flows into and is intertwined with our nation s epic both for better and for worse To ignore that history is to cut ourselves off from our roots and to deny the ancestral experiences that forged our individual and collective identity from the prologue This substantial work explores the interplay of religion and politics throughout the history of the United States Paul D Hanson traces American history back to colonial times paying close attention to the role that biblical tradition has played in shaping the national story of the United States He then presents a detailed study of politics in the Bible that is framed by the challenges and crises in American history Students will learn how deeply religion has influenced both domestic and international policy and contributed to the nation s sense of identity and purpose After laying these biblical historical foundations Hanson considers a method of biblical interpretation that can speak to the diverse nation of today He proposes an inclusive form of public moral discourse that invites full participation by members of all religious and philosophical groups Iris Murdoch Connected Mark Luprecht,2014-11-26 Iris Murdoch was one of the most interesting and wide ranging philosophers in recent British history In addition to her five works on moral philosophy and existentialism including *Metaphysics as a Guide to Morals* she was the author of twenty five works of fiction including *The Sea* the Sea winner of the Booker Prize and *The Black Prince* winner of the James Tait Black Memorial Prize This collection reassesses her literary and philosophical output focusing on her key literary works and the influence she had among contemporary philosophers
