Puritan Papers 1956 1959:

Puritan Papers James Innell Packer, 2000 Puritan Papers James Innell Packer, 2000 The Historical Problem with Creeds Kenneth G. Arndt, 2018-05-22 This short book deals with the debate among Christians about the timing of the Second Coming of Jesus Christ There are several viewpoints on this topic each with its defenders Is Christ coming again in the future and in what sequence of events will that happen Or did the Second Coming of Christ happen in the past as some scriptures seem to say when it describes the time as guickly The creeds have not really dealt with this issue in any definitive statement other than to say he is coming again All Christians believe that there will be a final coming in judgment to sum up human history The authority for Christians on this issue is the Bible the Word of God The two viewpoints dealt with in this book are preterist in the past and futurist in the future While not an extended support of either position although the author is a preterist by conviction this book speaks out against the futurist writers identifying a preterist as a heretic Often relying on the creeds there is a lack of historical scholarship on just how the creeds were constructed In the view of the author a preterist even if mistaken does not hold to a belief or reading of the scripture that rises to the level of heresy The attacks against preterists are unwarranted unkind and unworthy of Christian scholarship **Ore from the Puritans' Mine Dale** Smith, 2020-11-20 Ore from the Puritans Mine is the go to collection of quotes from the English Puritans Interpretation and Doctrinal Formulation in the Reformed Tradition Arie C. Leder, Richard A. Muller, 2014-04-16 The Reformed tradition is characterized by a rigorous commitment to theological formulation yet it is equally known for its commitment to rooting its life and practice in the authority of God's Word While these two commitments are commonly acknowledged the path from biblical interpretation to doctrinal formulation is often overlooked Examining a diverse group of thinkers across the chronological and international spectrum of the Reformed tradition this book demonstrates the depth and intricacies involved in the tasks of exegesis and dogmatic construction the ways they intersect and the effect it has on the church Table of Contents Preface Richard A Muller 1 An Appreciation of James De Jong Calvin Van Reken 2 Calvin s Teaching Office and the Dutch Reformed Doctorenambt Joel R Beeke 3 An Immeasurably Superior Rhetoric Biblical and Homiletical Oratory in Calvin's Sermons on the History of Melchizedek and Abraham Richard A Muller 4 Calvin's Lectures on Zechariah Textual Notes Al Wolters 5 Adopted in Christ Appointed to the Slaughter Calvin's Interpretation of the Maccabean Psalms Keith D Stanglin 6 Peter Martyr Vermigli and Aquinas Justice of War Doctrine Mark J Larson 7 Beza s Two Confessions as Sources of the Heidelberg Catechism Lyle D Bierma 8 Henry Ainsworth Harried Hebraist Raymond A Blacketer 9 The Interpretation of Christ's Descent into Hades in the Early Seventeenth Century Jay Shim 10 Critical and Catholic Exegesis in the Seventeenth Century Low Countries John S Bergsma 11 Biblical Interpretation and Doctrinal Formulation in John Flavel s Works Won Taek Lim 12 The Hobbes Bramhall Debate on the Nature of Freedom and Necessity J Mark Beach 13 Bible Commentary for the Untutored The Bijbelverklaring of 1780 1795 by Jacob van Nuys Klinkenberg and Gerard Johan Nahuys

Beeke, 2019-07-27 This sixth volume begins with three important works on predestination The first is A Golden Chain which treats the main points of theology with an emphasis on the order of the causes of salvation and damnation The second is A Christian and Plain Treatise of the Manner and Order of Predestination which gives a strident defense of the sovereignty of God in election and reprobation The third A Treatise on God s Free Grace and Man s Free Will examines the responsibility of man and how that harmonizes with the will of God in ordaining all things These treatises showcase Perkins s scholarly and pastoral concerns on matters vital to the salvation of sinners Table of Contents Golden Chain Foldout poster in the front Manner and Order of Predestination Treatise on God s Free Grace and Man s Free Will Fruitful Dialogue Concerning the End of the World Against Alexander Dickson On Memory

Teaching Predestination David H. Kranendonk, 2011-01-01 In Teaching Predestination David H Kranendonk focuses on the ministry of an early seventeenth century Puritan leaning theologian Elnathan Parr 1577 1622 Although relatively unknown today Parr s works were popular in his own day Kranendonk s survey contributes a nuanced picture of this English Reformed pastor and demonstrates that Parr's scholastic development of predestination coupled with his pastoral concern for the salvation and edification of his hearers resists the caricature of Reformed Scholasticism as being a philosophically speculative system. Here one sees the practical use of predestination for the care of souls as Parr and others aimed to help increase the faith and joy of God s people Table of Contents 1 Introduction 2 Elnathan Parr s Life and Ministry 3 Elnathan Parr s Principles of Preaching 4 Elnathan Parr s Exposition of Romans 5 Elnathan Parr s Grounds of Divinity Favored of God, Second Edition George W. Harper, 2007-12-01 This book is intended for all those with an interest in New England Puritanism American evangelicalism the history of revivalism or the history of pastoral ministry **Research Companion to John Owen's Theology** Mr Mark Jones, Mr Kelly M Kapic, 2015-07-28 As a revival in Owen studies and reprints has taken place this much needed Companion by an international group of leading scholars helpfully explores key questions related to Owen's method theology and pastoral practice Examining his thought through such topics as his epic work on the Holy Spirit his developed view of faith and reason and his contribution to the place of toleration this book offers an authoritative exploration of Britain's greatest theologians The Healing Power of Spirituality J. Harold Ellens, 2009-12-30 This three volume set addresses how the role of spirituality and its constructive expressions in various religions and outside of formal religion enhances human personality and experience Theologian and acclaimed scholar J Harold Ellens now offers a breakthrough work on the positive impact of faith In The Healing Power of Spirituality and Religion an extraordinary group of scholars discuss the latest scientific research into the connection between belief and

psychological and physical well being Each volume of The Healing Power of Spirituality focuses on a specific aspect of the scientific exploration of faith and well being volume one examines the healing power of personal spiritualities like I Ching and Transcendentalism volume two looks at the subject in the context of Christianity Judaism and other world faiths and volume three explores the psychodynamics of healing spirituality and religion including the role of biochemical and chemical reactions in heightening psychospiritual apperception J. I. Packer Leland Ryken, 2015-10-14 For the last 60 years J I Packer has exerted a steady and remarkable influence on evangelical theology and practice His many books articles and lectures have shaped entire generations of Christians helping elevate their view of God and enliven their love for God In this new biography well known scholar Leland Ryken provides readers with a compelling overview of Packer's interesting life and influential legacy Exploring his childhood college days theological education and professional life in both England and America this volume combines detailed facts with personal anecdotes so as to paint a holistic portrait of the man himself Finally Ryken identifies lifelong themes evident in Packer's life ministry and writings that shed light on his enduring significance for Christians today The Power of Revival Dongjin Park, 2023-11-08 Lloyd Jones s Reformed doctrine of Spirit baptism The Welsh minister Martyn Lloyd Jones 1899 1981 was one of the most influential preachers of the twentieth century His preaching was grounded in his view on the baptism of the Holy Spirit but his pneumatology is often seen as a departure from his Reformed heritage In The Power of Revival Dongjin Park explores how Lloyd Jones s preaching was kindled by his distinctly Reformed view of Spirit baptism By tracing Lloyd Jones's writings and sources Park shows how Lloyd Jones s theology of Spirit baptism was less an embrace of charismatic and Pentecostal theology than a reappropriation of Puritan emphasis on experiential faith Lloyd Jones s revivalistic urgency fueled by the Spirit s power to ignite preaching and holy living found its spark in Calvinistic revivalism The Power of Revival sheds light on Lloyd Jones and Reformed theology and encourages readers to follow his example of relying on the Spirit Following God Fully Joel R. Beeke, Michael Reeves, 2022-02-16 A basic introduction to who the Puritans were with biographical accounts of some of the leading Puritans and a summary of their approach to theology and the Christian life John Owen between Orthodoxy and Modernity ,2019-02-11 This volume offers fresh reflections on John Owen a leading Reformed theologian who sat on the brink of a new age His seventeenth century theology and spirituality reflect the growing tensions and pre modern and modern tendencies Exploring Owen in this context helps readers better understand the seventeenth century dynamics of individualization and rationalization the views of God and self community and the world The authors of this volume investigate Owen s approach to various key themes including his Trinitarian piety catholicity doctrine of scripture and public prayer Owen's international reception and current historiographical challenges are also highlighted Contributors are Joel R Beeke Henk van den Belt Gert A van den Brink Hans Burger Daniel R Hyde Kelly M Kapic Reinier W de Koeijer Ryan M McGraw David P Murray Carl R Trueman Willem van Vlastuin Seasons of the Soul Bruce Demarest, 2009-05-22 Spiritual formation professor and New

Testament scholar Bruce Demarest helps us grasp the whole picture of the journey we re on with Christ that we might live our days with intention and keep moving toward maturity in faith Using Scripture writings from our rich spiritual tradition and stories of present day believers walking the same path of faith Demarest leads us through the three main stages of the journey to become more like Christ Addictions a Banquet in the Grave Edward T. Welch, 2012-01-30 What is the basic point of this book Theology makes a difference The basic theology for addictions is that the root problem goes deeper than our genetic makeup Addictions are ultimately a disorder of worship Will we worship ourselves and our own desires or will we worship the true God **Becoming Divine** Brandon G. Withrow, 2018-01-01 Was Jonathan Edwards the stalwart and unquestioning Reformed theologian that he is often portrayed as being In what ways did his own conversion fail to meet the standards of his Puritan ancestors And how did this affect his understanding of the Divine Being and of the nature of justification Becoming Divine investigates the early theological career of Edwards finding him deep in a crisis of faith that drove him into an obsessive lifelong search for answers Instead of a fear of God which he had been taught to understand as proof of his conversion he experienced a surprising amazing joy Suddenly he saw the Divine Being in everything and felt himself transported into a heavenly world becoming one with the Divine family What he developed as he sought to make sense of this unexpected joy is a theology that is both ancient and early modern a theology of divine participation rooted in the incarnation of Christ Ecclesiology in Reformed Perspective Billy Kristanto, 2022-07-11 This ecclesiological study argues that Reformed ecclesiology cannot be separated from Reformed Christology The christological foundation of Reformed doctrine of the church will be examined as Reformed theology portrays the important ecclesiological topics in the light of its christological thoughts This book offers potential for the future of the church with her pastoral concern It will serve as a stimulus against the erroneous paths of ecclesiocentrism on the one hand and church forgetfulness on the other Even though the chapters of the book deal with classical topics in ecclesiology the work will try to analyze and answer contemporary challenges the church faces This book is not a systematic treatment in the sense of an examination of the whole developed in terms of one principle that is Christology Rather the concern of this book is to expound the Holy Scripture realistically and to engage with the contemporary church in her concrete existence The study will weave together insights from biblical historical confessional philosophical and contemporary studies in a fruitful way Praying Together Megan Hill, 2016-04-14 Nearly all Christians would affirm the centrality of prayer for a healthy Christian life And yet for many prayer is often a challenge requiring intense personal commitment and self discipline However as Megan Hill points out in Praying Together our normal approach to prayer leaves out a crucial component other people While personal prayer is important God designed the church to be a community of believers who regularly pray together Exploring the Bible's rich teaching on what it means to gather at God's throne with one voice Hill lays a theological foundation for corporate prayer and offers practical guidance for making it a reality in our families churches and communities
