Puritan As Yankee A Life Of Horace Bushnell:

The Puritan as Yankee Robert Bruce Mullin,2002 Horace Bushnell 1802-76 the much maligned 19th century liberal pastor scholar theologian is here vindicated as a deeply conservative Puritan and misunderstood intellectual of his time In this biography Mullin General Theological Seminary considers Bushnell in the context of his time and milieu While calling him a flinty character Mullin argues that Bushnell was quintessentially a Yankee and a Puritan seeking innovation yet all the while sustained by a bedrock trust in the values and continuity of the Puritan tradition Mullin places great emphasis on Bushnell's European travels as well as his writings published as well as unpublished from 1846 to early 1849 where he finds him working through his concerns for the lost unity of the Puritans These ideas fed into Bushnell's sense that the fractiousness of American political life was an outgrowth of the New Light piety an evangelical piety that stressed individualism over community Sophisticated well informed and challenging this first biography of Bushnell in 50 years requires some awareness of American religious history Recommended for all religion and early American history collections Library Journal

The Puritan Origins of American Patriotism George McKenna,2008-10-01 In this absorbing book George McKenna ranges across the entire panorama of American history to track the development of American patriotism That patriotism shaped by Reformation Protestantism and imbued with the American Puritan belief in a providential errand has evolved over 350 years and influenced American political culture in both positive and negative ways McKenna shows The germ of the patriotism an activist theology that stressed collective rather than individual salvation began in the late 1630s in New England and traveled across the continent eventually becoming a national phenomenon Today American patriotism still reflects its origins in the seventeenth century By encouraging cohesion in a nation of diverse peoples and inspiring social reform American patriotism has sometimes been a force for good But the book also uncovers a darker side of the nation's patriotism a prejudice against the South in the nineteenth century for example and a tendency toward nativism and anti Catholicism Ironically a great reversal has occurred and today the most fervent believers in the Puritan narrative are the former outsiders Catholics and Southerners McKenna offers an interesting new perspective on patriotism's role throughout American history and he concludes with trenchant thoughts on its role in the post 9/11 era

A History of Christian Conversion David W. Kling,2020 In this first in depth and wide ranging history of Christian conversion David Kling examines the dynamic of turning to the Christian faith by individuals families and people groups Global in reach and engaging recent methods and theories in conversion studies the narrative progresses from early Christian beginnings in the Roman world to Christianity's expansion into Europe the Americas China India and Africa Although conversion is often associated with a particular strand of modern Christianity evangelical and a particular type of experience sudden overwhelming when examined over two millennia it emerges as a phenomenon far more complex than any one dimensional profile would suggest

The Spiritual Journals of Warren Felt Evans Warren Felt Evans,2016-12-19 Warren Felt Evans 1817-1889 converted to

Methodism while at Dartmouth College became a minister and spent his Methodist years as a spiritual seeker His two extant journals edited and annotated by Catherine L Albanese appear in print for the first time and reveal the inner journey of a leading American spiritual pilgrim at a critical period in his religious search A voracious reader he recorded accounts of intense religious experience in his journals He moved from the Oberlin perfectionism he embraced early on through the French quietism of Madame J Guyon and Archbishop F nelon then into Swedenborgianism spiritualism and mind cure with distinct theosophical overtones His carefully documented journey is suggestive of the similar journeys of the religious seekers who made their way into the burgeoning metaphysical movement at the end of the 19th century and may shed light too on today s spirituality John Bascom and the Origins of the Wisconsin Idea J. David Hoeveler,2016-07-20 In the Progressive Era of American history the state of Wisconsin gained national attention for its innovative economic and political reforms Amidst this ferment the Wisconsin Idea was popularized the idea that a public university should improve the lives of people beyond the borders of its campus During his term as governor 1901 1906 Robert La Follette routinely consulted with University of Wisconsin researchers to devise groundbreaking programs and legislation Although the Wisconsin Idea is often attributed to a 1904 speech by Charles Van Hise then president of the University of Wisconsin David Hoeveler argues that it originated decades earlier in the creative and fertile mind of John Bascom A philosopher theologian and sociologist Bascom 1827 1922 deeply influenced a generation of students at the University of Wisconsin including La Follette and Van Hise Hoeveler documents how Bascom drew concepts from German idealism liberal Protestantism and evolutionary theory transforming them into advocacy for social and political reform He was a champion of temperance women s rights and labor all of which brought him controversy as president of the university from 1874 to 1887 In a way unmatched by any of his peers at other institutions Bascom outlined a social gospel that called for an expanded role for state governments and universities as agencies of moral improvement Hoeveler traces the intellectual history of the Wisconsin Idea from the nineteenth century to such influential Progressive Era thinkers as Richard T Ely and John R Commons who believed university researchers should be a vital source of expertise for government and citizens **The Child in American Evangelicalism and the Problem of Affluence** David A. Sims,2009-06-01 This work presents an evangelical theology of the child nurtured in the context of American evangelicalism and affluence It employs an eclectic theological critical method to produce a theological anthropology of the affluent American evangelical child AAEC through interdisciplinary evangelical engagement of American history sociology and economics Sims articulates how affluence constitutes a significant impediment to evangelical nurture of the AAEC in the discipline and instruction of the Lord Thus the problem he addresses is nurture in evangelical affluence conceived as a theological anthropological problem Nurture in the cultural matrices of the evangelical affluence generated by technological consumer capitalism in the U S impedes spiritual and moral formation of the AAEC for discipleship in the way of the cross This impediment risks disciplinary formation of the AAEC for capitalist

culture cultivates delusional belief that life consists in an abundance of possessions and hinders the practice of evangelical liberation of the poor on humanity's underside The result is the AAEC's spiritual moral lack in late modernity Chapter 1 introduces the problem of the AAEC Chapters 2 and 3 provide a diachronic lens for the theological anthropology of the AAEC through critical assessment of the theological anthropologies of the child in Jonathan Edwards Horace Bushnell and Lawrence Richards Chapters 4 and 5 constitute the synchronic perspective of the AAEC Chapter 4 presents an evangelical sociology of the AAEC drawing upon William Corsaro's theory of interpretive reproductions and chapter 5 constructs an evangelical theology of the AAEC through critical interaction with John Schneider's moral theology of affluence Chapter 6 Whither the AAEC concludes with a recapitulation of the work and a forecast of possible futures for the AAEC in the twenty first century

Schleiermacher's Influences on American Thought and Religious Life, 1835-1920 Jeffrey A. Wilcox, Terrence N. Tice, Catherine L. Kelsey, 2014-10-23 Here freshly researched unprecedented stories regarding modern American thought and religious life show how the scholar Friedrich Schleiermacher 1768 1834 provides ongoing influence still They describe his influence on universal rights American religious life theology philosophy history psychology interpretation of texts community formation and interpersonal dialogue Schleiermacher is an Einstein like innovator in all these areas and more This work contrasts chiefly evangelical liberal figures with others between circa 1835 and the 1920s It also looks ahead to several careers extended well into the twentieth century and offers numerous characterizations of Schleiermacher's thought In six tightly organized parts fourteen expert historians chronologically discuss the following 1 Methodist leaders 1766 1924 2 Stuart Bushnell Nevin and Hodge 3 Restorationists Transcendentalists women leaders Schaff and Rauschenbusch 4 Clarke Mullins Carus and Bowne 5 Dewey Royce Ames Knudson Brown Fosdick Cross Jones and Thurman within contemporary contexts Unexpectedly John Dewey lies at the epicenter of the narrative and Harry Emerson Fosdick and Howard Thurman bring it to its climax Recently evidence displays a broadening influence advancing rapidly The sixth part of the book surveys modern historiography Schleiermacher on history and comparative method and on psychology as a basic scientific and philosophical field That section also provides a critical survey of histories of modern theology and offers concluding questions and answers The three editors contribute twenty of the thirty one chapters

A Documentary History of Religion in America to 1877 Edwin S. Gaustad, Mark A. Noll, 2003-09-19 A richly variegated selection of short documents illustrative of the history of religion in America The best source book available to contemporary students and general readers

The Delight Makers Catherine L. Albanese, 2023-01-17 An ambitious history of desire in Anglo American religion across three centuries The pursuit of happiness weaves disparate strands of Anglo American religious history together In The Delight Makers Catherine L. Albanese unravels a theology of desire tying Jonathan Edwards to Ralph Waldo Emerson to the religiously unaffiliated today As others emphasize redemptive suffering this tradition stresses the metaphysical connection between natural beauty and spiritual fulfillment In the earth's abundance these thinkers see an

expansive God intent on fulfilling human desire through prosperity health and sexual freedom Through careful readings of Cotton Mather Andrew Jackson Davis William James Esther Hicks and more Albanese reveals how a theology of delight evolved alongside political overtures to natural law and individual liberty in the United States **American to the Backbone** Christopher L Webber,2011-07-15 The incredible story of a forgotten hero of nineteenth century New York City a former slave Yale scholar minister and international leader of the Antebellum abolitionist movement At the age of 19 scared and illiterate James Pennington escaped from slavery in 1827 and soon became one of the leading voices against slavery prior to the Civil War Just ten years after his escape Pennington was ordained as a priest after studying at Yale and was soon traveling all over the world as an anti slavery advocate He was so well respected by European audiences that the University of Heidelberg awarded him an honorary doctorate making him the first person of African descent to receive such a degree This treatment was far cry from his home across the Atlantic where people like him although no longer slaves were still second class citizens As he fought for equal rights in America Pennington s voice was not limited to the preacher s pulpit He wrote the first ever History of the Colored People as well as a careful study of the moral basis for civil disobedience which would be echoed decades later by Gandhi and Martin Luther King Jr More than a century before Rosa Parks took her monumental bus ride Pennington challenged segregated seating in New York City street cars He was beaten and arrested but eventually vindicated when the New York State Supreme Court ordered the cars to be integrated Although the struggle for equality was far from over Pennington retained a delightful sense of humor intellectual vivacity and inspiring faith through it all American to the Backbone brings to life this fascinating forgotten pioneer who helped lay the foundation for the contemporary civil rights revolution and inspire generations of future leaders *Theology in America* E. Brooks Holifield,2003-01-01 Since its first publication in 1859 few works of political philosophy have provoked such continuous controversy as John Stuart Mill s On Liberty a passionate argument on behalf of freedom of self expression This classic work is now available in this volume which also includes essays by scholars in a range of fields The text begins with a biographical essay by David Bromwich and an interpretative essay by George Kateb Then Jean Bethke Elshtain Owen Fiss Judge Richard A Posner and Jeremy Waldron present commentaries on the pertinence of Mill s thinking to early 21st century debates They discuss for example the uses of authority and tradition the shifting legal boundaries of free speech and free action the relation of personal liberty to market individualism and the tension between the right to live as one pleases and the right to criticize anyone s way of life **The Word and Its Witness** Gregory S. Jackson,2009-03-15 This book explores the history of evangelical culture that began during the Great Awakening revealing its profound impact on the development of media in America **Bodies and Battlefields** Tadd Ruetenik,2021-10-07 Bodies and Battlefields shows how our attitudes about war and about abortion are united in the idea of sacrifice This work is intended to instigate a cultural transition toward different moral sentiments about violence It is an attempt to promote new reflections on important ideas risking challenges on all

sides It does more than note the hypocrisy of the anti war people who support abortion It does more than note the hypocrisy of the anti abortion people who support war Its positive goal is to develop new moral sentiments that promote a culture that is open to creative and radical moral revolution that will overturn an ancient cultural residue that makes us believe killing is inevitable

Our Country Grant Brodrecht,2018-06-05 A welcome contribution to the growing literature on religion during the Civil War era Civil War News Northern evangelicals love of the Union arguably contributed to its preservation and the slaves emancipation but in subsuming the ex slaves to their vision for a Christian America northern evangelicals contributed to a Reconstruction that failed to ensure the ex slaves full freedom and equality as Americans By examining Civil War era Protestantism in terms of the Union Grant R Brodrecht adds to the understanding of northern motivation and the history that followed the war Our Country contends that non radical Protestants consistently subordinated concern for racial justice for what they perceived to be the greater good Mainstream evangelicals did not enter Reconstruction with the primary aim of achieving racial justice Rather they expected to see the emergence of a speedily restored prosperous and culturally homogenous Union a Union strengthened by God through the defeat of secession and the removal of slavery as secession s cause Brodrecht addresses this so called proprietary regard for Christian America within the context of crises surrounding the Union s existence and its nature from the Civil War to the 1880s Including sources from major Protestant denominations the book rests on a selection of sermons denominational newspapers and journals autobiographies archival personal papers of several individuals and the published and unpublished papers of Abraham Lincoln Andrew Johnson and Ulysses S Grant The author examines these sources as they address the period s evangelical sense of responsibility for America while keyed to issues of national and presidential politics

A History of Christianity in the United States and Canada Mark A. Noll,2019-10-17 A best selling text thoroughly updated including new chapters on the last 30 years An excellent study that will help historians appreciate the importance of Christianity in the history of the United States and Canada The Journal of American History Scholars and general readers alike will gain unique insights into the multifaceted character of Christianity in its New World environment Nothing short of brilliant Harry S Stout Yale University A new standard for textbooks on the history of North American Christianity James Turner University of Notre Dame Mark Noll s A History of Christianity in the United States and Canada has been firmly established as the standard text on the Christian experience in North America Now Noll has thoroughly revised updated and expanded his classic text to incorporate new materials and important themes events leaders and changes of the last thirty years Once again readers will benefit from his insights on the United States and Canada in this superb narrative survey of Christian churches institutions and cultural engagements from the colonial period through 2018

Emblem of Faith Untouched Williams, Leslie,2016 Relates one of the most remarkable lives in the tumultuous English Reformation Thomas Cranmer 1489 1556 was the first Anglican Archbishop of Canterbury the author of the Book of Common Prayer and a central figure in the English Protestant Reformation Few theologians have led such an

eventful life Cranmer helped Henry VIII break with the pope pressed his vision of the Reformation through the reign of Edward VI was forced to recant under Queen Mary and then dramatically withdrew his recantations before being burned alive This lively biography by Leslie Williams narrates Cranmer s life from the beginning through his education and history with the monarchy to his ecclesiastical trials and eventual martyrdom Williams portrays Cranmer s ongoing struggle to reconcile his two central loyalties allegiance to the crown and fidelity to the Reformation faith as she tells his fascinating life story

Damning Words Hart, D. G.,2016 Recounts a famously outspoken agnostic s surprising relationship with Christianity H L Mencken 1880 1956 was a reporter literary critic editor author and a famous American agnostic From his role in the Scopes Trial to his advocacy of science and reason in public life Mencken is generally regarded as one of the fiercest critics of Christianity in his day In this biography D G Hart presents a provocative iconoclastic perspective on Mencken s life Even as Mencken vividly debunked American religious ideals says Hart it was Christianity that largely framed his ideas career and fame Mencken s relationship to the Christian faith was at once antagonistic and symbiotic Using plenty of Mencken s own words *Damning Words* superbly portrays an influential figure in twentieth century America and at the same time casts telling new light on his era

Sacred Borders David Holland,2011-02-02 Why an exasperated Jonathan Edwards asked can t we be contented with the canon of Scripture Edwards posed this query to the religious enthusiasts of his own generation but he could have just as appropriately put it to people across the full expanse of early American history In the minds of her critics Anne Hutchinson s heresies threatened to produce a new Bible Ethan Allen insisted that a revelation which spoke to every circumstance of life would require a Bible of monstrous size When the African American prophetess Rebecca Jackson embarked on a spiritual journey toward Shakerism she dreamt of a home in which she could find multiple books of scripture Orestes Brownson explained to his skeptical contemporaries that the idea drawing him to Catholicism was the prospect of an ever enlarging volume of inspiration Early Americans of every color and creed repeatedly confronted the boundaries of scripture Some fought to open the canon Some worked to keep it closed *Sacred Borders* vividly depicts the boundaries of the biblical canon as a battleground on which a diverse group of early Americans contended over their differing versions of divine truth Puritans deists evangelicals liberals Shakers Mormons Catholics Seventh day Adventists and Transcendentalists defended widely varying positions on how to define the borders of scripture Carefully exploring the history of these scriptural boundary wars Holland offers an important new take on the religious cultures of early America He presents a colorful cast of characters including the likes of Franklin and Emerson along with more obscure figures who confronted the intellectual tensions surrounding the canon question such as that between cultural authority and democratic freedom and between timeless truth and historical change To reconstruct these sacred borders is to gain a new understanding of the mental world in which early Americans went about their lives and created their nation

Charles Lindbergh Christopher Gehr,2021-08-17 The narrative surrounding Charles Lindbergh s life has been as varying and

complex as the man himself Once best known as an aviator the first to complete a solo nonstop transatlantic flight he has since become increasingly identified with his sympathies for white supremacy eugenics and the Nazi regime in Germany Underexplored amid all this is Lindbergh's spiritual life What beliefs drove the contradictory impulses of this twentieth century icon An apostle of technological progress who encountered God in the wildernesses he sought to protect an anti-Semitic opponent of US intervention in World War II who had a Jewish scripture inscribed on his gravestone and a critic of Christianity who admired Christ Lindbergh defies conventional categories But spirituality undoubtedly mattered to him a great deal Influenced by his wife Anne Morrow Lindbergh a self-described lapsed Presbyterian who longed to live in grace and friends like Alexis Carrel a Nobel Prize winning surgeon eugenicist and Catholic mystic and Jim Newton an evangelical businessman he spent much of his adult life reflecting on mortality divinity and metaphysics In this short biography Christopher Gehrz represents Lindbergh as he was neither an adherent nor an atheist a historical case study of an increasingly familiar contemporary phenomenon the spiritual but not religious For all his earnest curiosity Lindbergh remained unwilling throughout his life to submit to any spiritual authority beyond himself and ultimately rejected the ordering influence of church tradition scripture or creed In the end the man who flew solo across the Atlantic insisted on charting his own spiritual path drawing on multiple sources in such a way that satisfied his spiritual hunger but left some of his cruelest convictions unchallenged

Christian Peoples of the Spirit Stanley M. Burgess, 2011-07-25 Among all groups in Christendom the Pentecostal Charismatic movement is second in size only to the Roman Catholic Church with growth that shows no signs of abatement Its adherents declare the Pentecostal Movement which began at Azusa Street in 1906 to be unprecedented in Christian history since the first century of the Church in its embrace of manifestations of the Holy Spirit such as divine healing miracles and speaking in tongues Yet although it may be unprecedented in size and rate of growth Stanley M Burgess argues that is hardly unprecedented in concept In *Christian Peoples of the Spirit* Burgess collects documentary evidence for two thousand years of individuals and groups who have evidenced Pentecostal charismatic like spiritual giftings worship and experience The documents in this collection bolstered by concise editorial introductions offer the original writings of a wide variety of peoples of the spirit from Tertullian and Antony of the Desert to the Shakers and Sunder Singh as well as of their enemies or detractors Though virtually all of the parties in this volume considered themselves Spirit gifted or given special qualities by God they are in many ways as different from one another as the cultures from which they have emerged In providing such an impressive array of voices Burgess convincingly demonstrates that there have indeed been Spirit filled worship and charismatic saints in all periods of church history

The Enigmatic Realm of **Puritan As Yankee A Life Of Horace Bushnell**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Puritan As Yankee A Life Of Horace Bushnell** a literary masterpiece penned by a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of people who partake in its reading experience.

Puritan As Yankee A Life Of Horace Bushnell Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Puritan As Yankee A Life Of Horace Bushnell PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong

learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Puritan As Yankee A Life Of Horace Bushnell PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Puritan As Yankee A Life Of Horace Bushnell free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Puritan As Yankee A Life Of Horace Bushnell Books

1. Where can I buy Puritan As Yankee A Life Of Horace Bushnell books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
