

# PURITANISM IN SEVENTEENTH-CENTURY MASSACHUSETTS

Edited by DAVID M. HALL

*Of plant plantation*

And first of I confess, and acknowledge the whole the whole  
and as may truly be said of most things at I have said, right  
of I have the whole of that which do manifest as a plain  
truth, with singular regard unto I simple truths in all things  
at least as far near as my slender strength can attain  
the same.

2000

The most humane and pious, and judicious, have ever since  
kept breaking out of it light of it again, in our remarkable  
case of England which was full of nations, whom I had seen  
at their will, after I gave directions of journey which had cover-  
ed a quarter of Christian world: what wars & agitations we  
saw, what both raised, maintained, and continued against the  
Gentiles, from time to time in our souls or other: some times by  
cloudy death & cruel torments, other whiles by open flames, some  
times by other kind of afflictions, as being both in England, should give  
down the truth present, and I thought of and wrote to the

**Hans-Peter Wagner**

## **Puritanism In Seventeenth Century Massachusetts:**

**Puritan Christianity in America** Allen Carden,1990      Puritanism in Seventeenth-century Massachusetts David D. Hall,1968      Neighbors, Friends, Or Madmen Jonathan M. Chu,1985-09-23 Chu explains the rise of religious toleration in America through an examination of the Puritan response to Quakerism in seventeenth century Massachusetts He casts the phenomenon in a new light arguing that toleration for Quakerism emerged out of the very values and structures of Puritan life in Massachusetts Bay as early as the 1660s Intolerance Chu submits became a threat to the separation of church and state of local and central authority The interaction of local forces and interests thus led to a rapid adjustment to and toleration of the Quakers Chu illustrates this through an examination of Quaker populations in the townships of Kittery and Salem He describes how the Quakers lived and suggests why they eventually turned from radical proselytizing missionary work to a more restrained and conventional lifestyle      *Popular Measures* Amy M. E. Morris,2005 *Popular Measures* examines the influence of Congregationalist church practices on poetry and poetics in early New England It considers how the rejection of set prayers and the privileging of more spontaneous oral forms such as the plain style sermon and the conversion narrative in colonial churches influenced the style of locally written religious verse The book consists of an overview of church practices and their implications for poetry followed by a series of case studies focusing on texts written at different stages of the colony s development from 1640 to 1700 the Bay Psalm Book Michael Wigglesworth s *The Day of Doom* and Edward Taylor s *Gods Determinations* The investigation concludes that colonial religious writers transformed the poetic conventions they had inherited from England in order to enhance the effectiveness of their verse in a culture that portrayed forms and formality as at best able to lead an individual only halfway on the journey towards salvation University of Delaware Press      *Pugnacious Puritans* Carl I. Hammer,2018-09-15 Hadley located on the Connecticut River at the far western frontier of the Massachusetts Bay Colony was settled from the colony of Connecticut to the south and early Hadley s social and economic relations with Connecticut remained very close The move to Hadley was motivated by religion and was a carefully planned removal It resulted from an important dispute within the church of Hartford and Hadley s earliest settlers continued to observe their very strict form of Puritanism which had evolved as the New England Way The settlers of Hadley also believed in a high degree of colonial independence from the Crown These beliefs combined with a high degree of internal cohesion and motivation in the early settlement enabled the community of Hadley despite its isolation and small size to play an unusually prominent and contentious role in three great crises which threatened the Bay Colony The first Episode examines the refuge given by Hadley at great risk and in defiance of the Crown to the important English Regicides Edward Whalley and William Goffe between 1664 and 1676 when the surviving Regicide Goffe was removed to Hadley s allies in Hartford where he was sheltered before disappearing from the record The second Episode describes Hadley s divisive support for Increase Mather and John Davenport in opposing the Half Way Covenant a dispute which split the New England

churches over baptismal practice and church polity The third Episode deals with an internal dispute within Hadley over the direction of the local school which then was caught up into the larger dispute over the Dominion of New England government imposed by the Crown after the suspension of the Bay's Charter Through the course of these troubles within the Bay Colony from the 1660s to the 1680s the initial internal solidarity of the town fractured and its original unity of purpose with the rest of Colony was eroded This secular declension led to Hadley's political decline from prominence into the pleasant but unremarkable village it is today

**Puritanism** Francis J. Bremer, 1994-01-25 In 1991 an international group of scholars gathered at Millersville University in Pennsylvania to study Puritans in seventeenth-century Massachusetts David D. Hall,

**Puritan Family** Edmund S. Morgan, 1966-01-01 The Puritans came to New England not merely to save their souls but to establish a visible kingdom of God a society where outward conduct would be according to God's laws This book discusses the desire of the Puritans to be socially virtuous and their wish to force social virtue upon others

**Daughters of Eve** Else L. Hambleton, 2004-04 This study examines cases of fornication bastardy and paternity cases brought before the courts in Essex County Massachusetts between 1640 and 1692 Prosecution and conviction rates sentencing patterns and socio-economic data as well as attitudes were analyzed to determine that women who bore illegitimate children were punished more severely than their male partners and regarded with contempt by the majority of women

Puritan Attitudes Towards Recreation in Early Seventeenth-century New England Hans-Peter Wagner, 1982 The interdisciplinary approach of this study tries to bridge a gap in the field of Puritan Studies the one between the two camps of intellectual and social science historians Focusing on the attitudes of the early Puritan church members in New England towards sport and recreation in general the book attempts to show the differences between Puritan theory and New England reality At no point in their history were the Puritan leaders able to enforce their secular and ecclesiastical laws Even within the leadership itself a wide spectrum of opinions on recreation existed The Puritan preachers reacted to this dilemma in their hortatory sermons the jeremiads which were employed to shame the younger generations into conformity by inventing the myth of the godly founding fathers But the Puritan utopia was condemned to failure from the very start the church members could not resist temptation

*Puritanism and Natural Theology* Wallace Williams Marshall III, 2016-11-10 The prevailing consensus among historians is that natural theology within Protestantism was born in the eighteenth century as a byproduct of the Enlightenment and had a sharply diminished if not nonexistent role within Puritanism Based on an exhaustive study of the writings of some sixty English and American Puritans spanning from the late sixteenth century to the early eighteenth century this book demonstrates that the overwhelming majority of Puritan theologians not only embraced natural theology on a theoretical level but employed it in a surprising variety of pastoral apologetic and evangelical contexts including their missionary activities to the Indians of New England Some Puritans even asserted that people who had never heard about Christianity could be saved through the knowledge afforded them by natural theology This conclusion reshapes our

understanding of the history of apologetics and sheds fresh light on the origins of the Enlightenment itself Puritanism and Natural Theology also examines the crises of doubt experienced by several prominent Puritan theologians advances our understanding of the oft debated issue of the role of reason within Puritanism and sets the Puritans enthusiasm for natural science within the broader context of their beliefs about natural theology

**The Puritan Tradition in America, 1620-1730** Alden T. Vaughan, 1972 A classic documentary collection on New England's Puritan roots is once again available with new material

**The Virtuous and Violent Women of Seventeenth-century Massachusetts** Emily C. K. Romeo, 2020 Dismantling the image of the peaceful and serene colonial goodwife and countering the assumption that New England was inherently less violent than other regions of colonial America Emily C K Romeo offers a revealing look at acts of violence by Anglo American women in colonial Massachusetts from the everyday to the extraordinary Using Essex County as a case study Romeo deftly utilizes seventeenth and eighteenth century sources to demonstrate that Puritan women both virtuous and otherwise learned to negotiate the shifting boundaries between acceptable and unacceptable violence in their daily lives and communities The Virtuous and Violent Women of Seventeenth Century Massachusetts shows that more dramatic violence by women including infanticide the scalping of captors during the Indian Wars and even witchcraft accusations was not necessarily intended to challenge the structures of authority but often sprung from women's desire to protect property safety and standing for themselves and their families The situations in which women chose to flout powerful social conventions and resort to overt violence expose the underlying often unspoken priorities and gendered expectations that shaped this society

**Hartford Puritanism** Baird Tipson, 2015-01-28 Statues of Thomas Hooker and Samuel Stone grace downtown Hartford Connecticut but few residents are aware of the distinctive version of Puritanism that these founding ministers of Hartford's First Church carried into the Connecticut wilderness or indeed that the city takes its name from Stone's English birthplace Shaped by interpretations of the writings of Saint Augustine largely developed during the ministers years at Emmanuel College Cambridge Hartford's church order diverged in significant ways from its counterpart in the churches of the Massachusetts Bay Colony Hartford Puritanism argues for a new paradigm of New England Puritanism Hartford's founding ministers Baird Tipson shows both fully embraced and even harshened Calvin's double predestination Tipson explores the contributions of the lesser known William Perkins Alexander Richardson and John Rogers to Thomas Hooker's thought and practice the art and content of his preaching as well as his determination to define and impose a distinctive notion of conversion on his hearers The book draws heavily on Samuel Stone's The Whole Body of Divinity a comprehensive exposition of his thought and the first systematic theology written in the American colonies Virtually unknown today The Whole Body of Divinity not only provides the indispensable intellectual context for the religious development of early Connecticut but also offers a more comprehensive description of the Puritanism of early New England than any other document

**Puritans Among the Indians** Alden T. Vaughan, Edward W Clark, 2009-06-01 These eight reports by white

settlers held captive by Indians gripped the imagination not only of early settlers but also of American writers through our history Puritans among the Indians presents in modern spelling the best of the New England narratives These both delineate the social and ideological struggle between the captors and the settlers and constitute a dramatic rendition of the Puritans spiritual struggle for redemption Puritans in the New World David D. Hall,2021-06-08 Puritans in the New World tells the story of the powerful yet turbulent culture of the English people who embarked on an errand into the wilderness It presents the Puritans in their own words shedding light on the lives both of great dissenters such as Roger Williams and Anne Hutchinson and of the orthodox leaders who contended against them Classics of Puritan expression like Mary Rowlandson s captivity narrative Anne Bradstreet s poetry and William Bradford s Of Plymouth Plantation appear alongside texts that are less well known but no less important confessions of religious experience by lay people the diabolical possession of a young woman and the testimony of Native Americans who accept Christianity Hall s chapter introductions provide a running history of Puritanism in seventeenth century New England and alert readers to important scholarship Above all this is a collection of texts that vividly illuminates the experience of being a Puritan in the New World The book will be welcomed by all those who are interested in early American literature religion and history Puritans Behaving Badly Monica D. Fitzgerald,2020-05-21 Examines the sins and confessions in church disciplinary records to argue that daily practices created a gendered Puritanism

To Understand Things as Well as Words John R. Van Wyk,2025-06-17 One significant way that the influential Puritan minister Jonathan Edwards 1703-58 remains relevant today is through his approach to teaching His holistic pedagogical approach addressed the total person mind intentions and actions Crucial to Edwards also was mentoring students to assist their spiritual development and to encourage and to help enable their leadership potential This volume fills a significant gap in the academic study of Jonathan Edwards his work as a teacher and educational theorist **Jonathan Edwards and the Psalms** David P. Barshinger,2014-09-03 Throughout church history the book of Psalms has enjoyed wider use and acclaim than almost any other book of the Bible Early Christians extolled it for its fullness of Christian doctrine monks memorized and recited it daily lay people have prayed its words as their own and churches have sung from it as their premier hymn book While the past half century has seen an extraordinary resurgence of interest in the thought of American theologian Jonathan Edwards including his writings on the Bible no scholar has yet explored his meditations on the Psalms David P Barshinger addresses this gap by providing a close study of his engagement with one of the Bible s most revered books From his youth to the final days of his presidency at the College of New Jersey Edwards was a devout student of Scripture as more than 1 200 extant sermons theological treatises and thousands of personal manuscript pages devoted to biblical reflection bear witness Using some of his writings that have previously received little to no attention Jonathan Edwards and the Psalms offers insights on his theological engagement with the Psalms in the context of interpretation worship and preaching Barshinger shows that he appropriated the history of redemption as an organizing theological framework within which to engage the

Psalms specifically and the Bible as a whole This original study greatly advances Edwards scholarship shedding new and welcome light on the theologian s relationship to Scripture     *Scottish Puritanism, 1590-1638* David George Mullan,2000-09-07 Scottish Puritanism 1590 1638 is a portrait of Protestantism in the two generations leading to the National Covenant of 1638 This book investigates the construction of a puritan community embracing godly ministers along with significant numbers of lay men and women willing to engage in the practice of a piety which confronted the inner person and the external world seeking the reformation of both Topics include attitudes towards the Bible and the sacraments the nature of the Christian life the place of the feminine in Scottish divinity and the development of ideas about predestination covenanting and the relationship between church and state The book addresses the tensions inherent in puritanism such as those associated with the nature of the church and the extent of freedom and provides a perspective on the relationship between Scottish and English religious developments

## Unveiling the Power of Verbal Art: An Emotional Sojourn through **Puritanism In Seventeenth Century Massachusetts**

In a global inundated with displays and the cacophony of instant transmission, the profound energy and mental resonance of verbal beauty usually disappear into obscurity, eclipsed by the regular onslaught of sound and distractions. ### **Puritanism In Seventeenth Century Massachusetts Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Puritanism In Seventeenth Century Massachusetts PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing

individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Puritanism In Seventeenth Century Massachusetts PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Puritanism In Seventeenth Century Massachusetts free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Puritanism In Seventeenth Century Massachusetts Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Puritanism In Seventeenth Century Massachusetts is one of the best book in our library for free trial. We provide copy of Puritanism In Seventeenth Century Massachusetts in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Puritanism In Seventeenth Century Massachusetts. Where to download Puritanism In Seventeenth Century Massachusetts online for free? Are you looking for Puritanism In Seventeenth Century Massachusetts PDF? This is definitely going to save

you time and cash in something you should think about.
