Purple Cows & Potato Chips Mary Ann Christison, Sharron Bassano, 1987 *Purple Cows and Potato Chips* Mary Ann Christison, Sharron Bassano, 1987 Activities designed to promote language acquisition through exploration of the primary senses **Process and Experience in the Language Classroom** Michael Legutke, Howard Thomas, Christopher N. Candlin, 2014-06-06 Process and Experience in the Language Classroom argues the case for communicative language teaching as an experiential and task driven learning process The authors raise important questions regarding the theoretical discussion of communicative competence and current classroom practice They propose ways in which Communicative Language Teaching should develop within an educational model of theory and practice incorporating traditions of experimental and practical learning and illustrated from a wide range of international sources Building on a critical review of recent language teaching principles and practice they provide selection criteria for classroom activities based on a typology of communicative tasks drawn from classroom experience The authors also discuss practical attempts to utilise project tasks both as a means of realising task based language learning and of redefining the roles of teacher and learner within a jointly constructed curriculum Matching Books and Readers Nancy L. Hadaway, Terrell A. Young, 2010-08-09 Providing practical guidance and resources this book helps teachers harness the power of children s literature for developing ELLs literacy skills and language proficiency The authors show how carefully selected fiction nonfiction and poetry can support students learning across the curriculum Criteria and guiding questions are presented for matching books and readers based on text features literacy and language proficiency and student background knowledge and interests Interspersed throughout are essays and poems by well known children s authors that connect in a personal way with the themes explored in the chapters The annotated bibliography features over 600 engaging culturally relevant trade titles Teaching Literature and Language Through Multimodal Texts Domínguez Romero, Elena, Bobkina, Jelena, Stefanova, Svetlana, 2018-08-17 In the past few decades there has been a growing interest in the benefits of linking the learning of a foreign language to the study of its literature However the incorporation of literary texts into language curriculum is not easy to tackle As a result it is vital to explore the latest developments in text based teaching in which language culture and literature are taught as a continuum Teaching Literature and Language Through Multimodal Texts provides innovative insights into multiple language teaching modalities for the teaching of language through literature in the context of primary secondary and higher education It covers a wide range of good practice and innovative ideas and offers insights on the impact of such practice on learners with the intention to inspire other teachers to reconsider their own teaching practices It is a vital reference source for educators professionals school administrators researchers and practitioners interested in teaching literature and language through multimodal texts **The Routledge Handbook of Second Language Acquisition and Pedagogy of Persian** Pounesh Shabani-Jadidi, 2020-07-16 The Routledge Handbook of Second Language Acquisition and Pedagogy of Persian offers a

detailed overview of the field of Persian second language acquisition and pedagogy The Handbook discusses its development and captures critical accounts of cutting edge research within the major subfields of Persian second language acquisition and pedagogy as well as current debates and problems and goes on to suggest productive lines of future research The book is divided into the following four parts I Theory driven research on second language acquisition of Persian II Language skills in second language acquisition of Persian III Classroom research in second language acquisition and pedagogy of Persian and IV Social aspects of second language acquisition and pedagogy of Persian The Routledge Handbook of Second Language Acquisition and Pedagogy of Persian is an essential reference for scholars and students of Persian SLA and pedagogy as well as those researching in related areas
