Purple Heart Throbs The Sub Literature Of Love:

The Purple Heart Throbs Rachel Anderson,1974 **Heartthrobs** Carol Dyhouse,2017-02-09 From dreams of Prince Charming or dashing military heroes to the lure of dark strangers and vampire lovers from rock stars and rebels to soulmates dependable family types or simply good companions female fantasies about men tell us a great deal about the history of women In Heartthrobs Carol Dyhouse draws upon literature cinema and popular romance to show how the changing cultural and economic position of women has shaped their dreams about men When girls were supposed to be shrinking violets passionate females risked being seen as unbridled or dangerously out of control Change came slowly and young women remained trapped in a double bind you may have needed a husband in order to survive but you had to avoid looking like a gold digger Show attraction too openly and you might be judged fast and undesirable Education and wage earning brought independence and a widening of horizons for women These new economic beings showed a sustained appetite for novel reading cinema going and the dancehall They sighed over Rudolph Valentino s screen performances as tango dancer or Arab tribesman and desert lover Women may have been ridiculed for these obsessions but as consumers they had new clout This book reveals changing patterns of desire and looks at men through the eyes of women **Britain's Experience of Empire**

in the Twentieth Century Andrew Thompson,2016-11-24 Written by specialists from various fields this edited volume is the first systematic investigation of the impact of imperialism on twentieth century Britain The contributors explore different aspects of Britain s imperial experience as the empire weathered the storms of the two world wars was subsequently dismantled and then apparently was gone How widely was the empire s presence felt in British culture and society What was the place of imperial questions in British party politics Was Britain s status as a global power enhanced or underpinned by the existence of its empire What was the relation of Britain s empire to national identities within the United Kingdom The chapters range widely from social attitudes to empire and the place of the colonies in the public imagination to the implications of imperialism for demography trade party politics and political culture government and foreign policy the churches and civil society and the armed forces The volume also addresses the fascinating yet complex question of how after the formal end of empire the colonial past has continued to impinge upon our post colonial present as contributors reflect upon the diverse ways in which the legacies of empire are interpreted and debated in Britain today **Victorian Popular**

Fiction, 1860-80 R.C. Terry,1983-06-18 **The Gothic's Gothic (Routledge Revivals)** Benjamin Franklin Fisher IV,2016-05-05 First published in 1988 this book aims to provide keys to the study of Gothicism in British and American literature It gathers together much material that had not been cited in previous works of this kind and secondary works relevant to literary Gothicism biographies memoirs and graphic arts Part one cites items pertaining to significant authors of Gothic works and part two consists of subject headings offering information about broad topics that evolve from or that have been linked with Gothicism Three indexes are also provided to expedite searches for the contents of the entries This book will

Encyclopedia of British Women's Writing 1900-1950 Ashlie Sponenberg,2015-12-23 This study provides a comprehensive and wide ranging resource which includes information on many previously neglected British women writers novelists poets dramatists autobiographers and topics It provides contextualizing material with concise introductions to related topics

including organizations movements genres and publications **Romance Revisited** Lynne Pearce,Jackie Stacey,1995-10 After decades of feminism and deconstruction romance remains firmly in place as a central preoccupation in the lives of most women Divorce rates skyrocket the traditional family is challenged from all sides and yet romance seems indestructible In terms of its cultural representation the popularity of romance also appears unchallenged Popular fiction Hollywood cinema television soap operas and the media in general all display a seemingly bottomless appetite for romantic subjects The trappings of classic romance white weddings love songs Valentine s Day are as commercially viable as ever In this anthology of original essays romance is revisited from a wide spectrum of perspectives not just in fiction and film but in a whole range of cultural phenomena Essays range over such issues as Valentine s Day interracial relationships medieval erotic visions and modern romance fiction the relationship between the lesbian poet H D and Bryher the pervasive whiteness of romantic desire lesbian erotica in the age of AIDS and the public romance of Charles and Diana The Women Aesthetes vol 1 Jane

Spirit,Sue Asbee,Mary Joannou,Claire Nicholson,2024-08-07 The aesthetic movement dominated the closing decades of the nineteenth century It was significant for the role women played in it at a time when there were growing opportunities for them both artistically and professionally The material in this collection provides a representative selection of essays fiction poetry and drama by female authors **Must Read: Rediscovering American Bestsellers** Sarah Churchwell,Thomas

Ruys Smith,2012-08-02 What is it about certain books that makes them bestsellers Why do some of these books remain popular for centuries and others fade gently into obscurity And why is it that when scholars do turn their attention to bestsellers they seem only to be interested in the same handful of blockbusters when so many books that were once immensely popular remain under examined Addressing those and other equally pressing questions about popular literature Must Read is the first scholarly collection to offer both a survey of the evolution of American bestsellers as well as critical readings of some of the key texts that have shaped the American imagination since the nation s founding Focusing on a mix of enduring and forgotten bestsellers the essays in this collection consider 18th and 19th century works like Charlotte Temple or Ben Hur that were once considered epochal but are now virtually ignored 20th century favorites such as The Sheik and Peyton Place and 21st century blockbusters including the novels of Nicholas Sparks The Kite Runner and The Da Vinci

Code Aestheticism and the Marriage Market in Victorian Popular Fiction Kirby-Jane Hallum, 2015-10-06 Based on close readings of five Victorian novels Hallum presents an original study of the interaction between popular fiction the marriage market and the aesthetic movement She uses the texts to trace the development of aestheticism examining the differences between the authors including their approach style and gender **New Directions in Popular Fiction** Ken

Gelder, 2016-11-21 This book brings together new contributions in Popular Fiction Studies giving us a vivid sense of new directions in analysis and focus It looks into the histories of popular genres such as the amatory novel imperial romance the western Australian detective fiction Whitechapel Gothic novels the British spy thriller Japanese mysteries the new weird fantasy girl hero action novels and Quebecois science fiction It also examines the production reproduction and distribution of popular fiction as it carves out space for itself in transnational marketplaces and across different media entertainment systems and it discusses the careers of popular authors and the various investments in popular fiction by readers and fans

This book will be indispensable for anyone with a serious interest in this prolific but highly distinctive literary field **A Natural History of the Romance Novel** Pamela Regis, 2013-08-31 The romance novel has the strange distinction of being the most popular but least respected of literary genres While it remains consistently dominant in bookstores and on best seller lists it is also widely dismissed by the critical community Scholars have alleged that romance novels help create subservient readers who are largely women by confining heroines to stories that ignore issues other than love and marriage Pamela Regis argues that such critical studies fail to take into consideration the personal choice of readers offer any true definition of the romance novel or discuss the nature and scope of the genre Presenting the counterclaim that the romance novel does not enslave women but on the contrary is about celebrating freedom and joy Regis offers a definition that provides critics with an expanded vocabulary for discussing a genre that is both classic and contemporary sexy and entertaining Taking the stance that the popular romance novel is a work of literature with a brilliant pedigree Regis asserts that it is also a very old stable form She traces the literary history of the romance novel from canonical works such as Richardson's Pamela through Austen's Pride and Prejudice Brontë's Jane Eyre and E M Hull's The Sheik and then turns to more contemporary works such as the novels of Georgette Heyer Mary Stewart Janet Dailey Jayne Ann Krentz and Nora Roberts

Representing Difference in the Medieval and Modern Orientalist Romance Amy Burge, 2017-02-14 This book the first full length cross period comparison of medieval and modern literature offers cutting edge research into the textual and cultural legacy of the Middle Ages a significant and growing area of scholarship At the juncture of literary cultural and gender studies and capitalizing on a renewed interest in popular western representations of the Islamic east this book proffers innovative case studies on representations of cross religious and cross cultural romantic relationships in a selection of late medieval and twenty first century Orientalist popular romances Comparing the tropes characterization and settings of these literary phenomena and focusing on gender religion and ethnicity the study exposes the historical roots of current

romance representations of the east advancing research in Orientalism neo medievalism and medieval cultural studies
Fundamentally Representing Difference invites a closer look at medieval and modern popular attitudes towards the east as represented in romance and the kinds of solutions proposed for its apparent problems **Wormwood** Marie

Corelli,2004-04-08 Though disparaged by literary critics of her day Marie Corelli was one of the most popular novelists of the late Victorian and Edwardian periods *Wormwood* 1890 is a lurid tale of unrequited love betrayal vengeance murder suicide and addiction The novel recounts the degeneration of Gaston Beauvais a promising young Parisian man who betrayed by his fianc e and his best friend falls prey to the seductive powers of absinthe The impact of Gaston s debauchery and addiction on himself his family and his friends is graphically recounted in this important contribution to the literature of fin de si cle decadence This Broadview edition includes a critical introduction and a generous selection of contextualizing documents including excerpts from Corelli s writings on art and literature nineteenth century degeneration theories and clinical and artistic views on absinthe *Deadlier Than The Male* Jessica Mann,2015-01-12 Why are English women so good at murder

Among the books which have survived for more than half a century always in print and always in demand are the murder mysteries by Dorothy L Sayers Agatha Christie and other women writers Yet their male competitors are mostly forgotten What is it about these womens work that has kept it alive And what was it about the authors that gave them such violent or cunning imaginations always hidden behind the most respectable of facades In this book first published in 1981 Jessica Mann brings the perception of a fellow crime writer to her investigation of her predecessors lives and work She discusses the changes in the mystery form over the years and its enduring worldwide popularity in a book that was described by one critic as e obligatory reading for any reader of crime fiction and of which another wrote e I cannot recall a better work of criticism devoted to the crime story e **Desertscape in the Global South and Beyond** Sushila Shekhawat, Rayson K.

Alex, Swarnalatha Rangarajan,2023-09-29 Embracing a rich diversity of voices this volume seeks to explore the different facets of Anthropocene naturecultures in the desert biomes of the Global South and beyond Essays in this collection will articulate issues of desertification indigeneity and re inhabitation in narratives that thread together Tibet China Australia India South Mexico South Africa and Brazil in all their richness and complexity Re imaging the desert figure s rich biodiversity this book presents new ways to envision the human relationships to natural ecology and mindful accountability tracing complex narrative connections and challenging hegemonic norms of its role in the co construction of identity affect and gender Essays also aim to engage in an intertextual conversation with colonial genres that influence the popular conception of these spaces moving beyond the usual tropes to forge a topographically informed desert identity and posit a natureculture ecosystem based on the interpenetration of landscape culture and history This volume includes literary exploration of environmental injustices analyzing motifs of deforestation land degradation falling crop production toxic man made chemicals and extractivist practices linked to various social and economic stressors and gradients in economic and

political power This diverse volume will provide a significant contribution to desert humanities from the Global South responding to the pressing problems of the Anthropocene and employing place based ecocritical frameworks that help us imagine a sustainable way of life

Marie Corelli: Modernism, Morality, and Metaphysics Carol Margaret Davison, Elaine M. Hartnell, 2020-09-10 This collection reappraises and retheorizes Marie Corelli's diverse fictional writings and locates them in their contemporary literary and social context Marie Corelli 1855-1924 was a fabulously popular novelist in the late nineteenth and early twentieth centuries Yet in her day critics railed against her taste for sentimentality melodrama supernatural worlds and overt didacticism Many critics are still ambivalent about her writing However in their reappraisal the contributors to this volume largely circumvent the earlier critics and engage afresh with Corelli's writing strategies genre choices representations of social issues and ideas about science metaphysics and morality Moving beyond the now outdated project of recovery the volume also discusses Corelli's literary market place analysing both her publishing successes and her decline in popularity An important theme throughout is Corelli's troubled relationship with an emerging literary Modernism and an ever widening gulf between high and popular culture The contributors interrogate the critical templates assumptions and biases of a literary establishment past and present centred on Modernist tropes and structures As a result the Corelli they unearth is not a defective Modernist but an innovative and original writer who eschewed the dictates of a movement with which she had no empathy This book was originally published as a special issue of *Women's Writing*

The Roadhouse Comes to Britain David W. Gutzke, Michael John Law, 2017-04-20 This is the first book to examine the cultural phenomenon of the roadhouse in mid 20th century Britain and its impact on British leisure The term roadhouse was used in varied ways in the 1930s from small roadside tearooms to enormous establishments on the outskirts of major cities These roadhouses were an important component in the transformation of leisure in the 1930s and beyond reflecting the increased levels of social and physical mobility brought about by new technologies suburbanisation and the influence of American culture Roadhouses attracted wealthy Londoners excited by the prospect of a high speed run into the countryside During the day they offered family activities such as tennis archery horse riding and swimming At night they provided all the fun of the West End with dancing classy restaurants cabaret swimsuit parades and dance demonstrations subverting the licensing laws to provide all night drinking Rumours abounded of prostitution and transgressive behaviour in the car park Roadhouses formed part of an imaginary America in suburban Britain that was promoted by the popularity of American movies music and fiction providing a pastiche of the American country club While much work has been done on the Soho nightclubs of the 1930s the roadhouse has been largely ignored Michael John Law and David Gutzke fill this gap in the literature by providing a comprehensive analysis of the roadhouse's cultural meaning demonstrating how its Americanisation was interpreted for British consumers This original and engaging study will be fascinating reading for all scholars of 20th century British cultural history
