Divine Indwelling: Key to the Wisdom, Knowledge and Power of God from

Within Man Bro. Josefino T. Rona, 2011-06-06 If I have to write all the experiences and miracles in my life it would be volumes All these miracles come from One Source the power of DIVINE INDWELLING These stories are not fictions They are real experiences of miracles that made me write the book in order to share with people who with their FAITH can get into the Threshold of God s Presence within the soul and let the LIGHT of God s Power shine forth to drive evil away The Truth is in the book The Process that even a little child can do is in the book But for one story among hundreds of stories let me share this one A male teenager came to my office at midnight trembling pale drunk high with drugs carrying a knife urged by his hallucinations to kill someone and that was me I knew at that moment the Lord sent this poor guy to me to be healed by the power of God s Divine Indwelling Gently yet carefully I led him to God s Presence within him and with the power of the prayer of faith I by the power of God simply commanded the evil of drug addiction to leave Right at that moment the guy was healed The power of God in the soul of believers is truly REAL As I said I can share several stories of my experiences of miracles because of God s Divine Indwelling the very key that opens all the treasures of God s wisdom and knowledge Col 2 2 3 One who is serious in following what is written in this book can also see the experience of the power of God Hence I wrote the book to help as many as are looking for hope and peace within them Praise our awesome God The Unbroken Wholeness Power of God Don Christie, 2002-09 This book is all about experiencing the awesome WHOLENESS power of God through a life of discipleship and prayer The book is a call to get back to the simple basics of the Bible using the wholeness and oneness principles as a guide In a few of the later chapters the book explores some simple but remarkable number patterns such as the mathematical constants for light time gravity creation fire and many more all of which were encoded in the Psalms 3000 years ago about 2 900 years before they were known These simple number patterns such as 19 for electricity 27 for light 29 for creation fire and 38 for gravity all have key words in the first few verses of the Psalm number that is the same exact number of the math constant The book also explores a few ELS or what is called Equidistant Letter Sequences to show hidden codes in the Bible There also is a unique matrix code for the World Trade Center attack included Many more interesting Bible numbers that equal modern day scientific theory and fact are found in the Tabernacle of Moses and other places in the Bible The book brings out the wholeness principles contained in the Bible and how to apply them to your life The book also validates the fact that the Bible contains the simple mathematical evidence for the existence of God with patterns of numbers that are way beyond chance Book 7 Revelation PB Kurt Jurgensmeier, 2012-08-22 How and why has God spoken to us Our purpose in this book is to provide a biblical study of the various types and purposes of the myriad of different methods of divine revelation In the process we endeavor to answer such critical and controversial questions as How do we know when God is speaking What has been the progression of divine revelation What are the only two methods of revelation that God uses to communicate to all of humanity Why is Scripture so authoritative and sufficient for the Christian life What are the several vital but often neglected ways that God speaks to us apart from Scripture How does God expect us

to make decisions and does He have a personal will for our lives that cannot be found in Scripture Does God speak to us by planting thoughts in our mind
