Woman Overboard Jo Kadlecek, 2009-07-01 Woman Overboard Kadlecek explores the meaning of passion through the lens of her own life Follow her from a middle class suburban existence bordering on tedium to a life awakened to the gifts in and around her a life that embraces the new and unexpected Discover with her the paradoxes of pain and beauty life and death love and compassion work and adventure Each of these helped me see that this question of being alive demands utter abandon but is somehow as familiar and safe as home Kadlecek writes To forgo the possibility of ever again feeling real joy fear hope or excitement the very idea of such complacency evoked terror in me I'm suddenly thankful for pillows and roofs for beaches and towels for feet and waves and soft mushy sand If you want something more to have a truly meaningful life Woman Overboard will inspire you to live more passionately
