## **Reclaiming Dietrich Bonhoeffer:**

**Reclaiming Dietrich Bonhoeffer** Charles Marsh, 1996-09-05 In this book Marsh offers a new way of reading the theology of Dietrich Bonhoeffer a Christian theologian who was executed for his role in the resistance against Hitler and the Nazis Focusing on Bonhoeffer s substantial philosophical interests Marsh examines his work in the context of the German philosophical tradition from Kant through Hegel to Heidegger Marsh argues that Bonhoeffer s description of human identity offers a compelling alternative to post Kantian conceptions of selfhood In addition he shows that Bonhoeffer while working within the boundaries of Barth s theology provides both a critique and redescription of the tradition of transcendental subjectivity This fresh look at Bonhoeffer s thought will provoke much discussion in the theological academy and the church as well as in broader forums of intellectual life

**Reclaiming Dietrich Bonhoeffer** Charles Marsh, 2023 Offers a reappraisal of Bonhoeffer s theology that attempts to reclaim his approaches for contemporary theological inquiry The text examines Bonhoeffer s work in the context of the German philosophical tradition from Kant to Heidegger as well as its relationship to Karl Barth

**Resisting the Bonhoeffer Brand** Charles Marsh, 2023-02-16 Charles Marsh responds to criticisms of his book *Strange Glory: A Life of Dietrich Bonhoeffer* by exploring the largely unexamined relationship between theology and biography In *Resisting the Bonhoeffer Brand* he argues that Bonhoeffer scholarship desperately needs the revitalizing energies of the theologian s life story revisited and uncensored by the guild

Recovering the Ecumenical Bonhoeffer Javier A. Garcia, 2019-10-14 In *Recovering the Ecumenical Bonhoeffer* Javier Garcia explores the possibilities for Dietrich Bonhoeffer s theology to revitalize interest in the ecumenical movement and Christian unity today Although many commentators have lamented the waning interest in the ecumenical movement since the 1960s the celebration of the 500th anniversary of the Protestant Reformation in 2017 coupled with recent in roads such as the ecumenical efforts of Pope Francis have opened new possibilities for the ecumenical project In this context Garcia presents Bonhoeffer as a helpful model for contemporary ecumenical dialogue He finds important points of convergence between Bonhoeffer and Calvin thereby establishing potential areas of rapprochement between the Lutheran and Reformed traditions Beyond examining the state of ecumenism and unfolding the ecumenical promise of Bonhoeffer s thought Garcia assesses the future of ecumenical engagement in a secular age Altogether he proposes a recovery of the ecumenical Bonhoeffer for envisioning new possibilities for church unity in our day

Dietrich Bonhoeffer's Letters and Papers from Prison Martin E. Marty, 2020-02-25 For fascination influence inspiration and controversy Dietrich Bonhoeffer s *Letters and Papers from Prison* is unmatched by any other book of Christian reflection written in the twentieth century A Lutheran pastor and theologian Bonhoeffer spent two years in Nazi prisons before being executed at age thirty nine for his role in the plot to kill Hitler Ever since it was published in 1951 *Letters and Papers from Prison* has had a tremendous impact on Christian and secular thought and has helped establish Bonhoeffer s reputation as one of the most important Protestant thinkers of the twentieth century In this the

first history of the book's remarkable global career writer Martin Marty tells how and why *Letters and Papers from Prison* has been read and used in such dramatically different ways from the Cold War to today ***The Bonhoeffer Legacy*** ATF Press, 2018-12-31 This collection of essays looks at a range of topics public theology why Chinese intellectuals are interested in engaging with Bonhoeffer Bonhoeffer's concept of the logos and public theology and Bonhoeffer's approach to social analysis Contributors Barry Harvey Robert Vosloo Jason Lam Joel Banman and Dustin Benac **Bonhoeffer** Stephen Plant, 2010-07-15 One of the best known Christians of the twentieth century Dietrich Bonhoeffer is admired as a theologian for his unparalleled independence of mind creativity and brilliance by liberals and conservatives alike His death at the hands of the Nazis is an extraordinary tale of courage and Christian discipleship However Bonhoeffer was also a serious theologian who while indebted to the liberal tradition of the University of Berlin was also influenced by the new thinking of Karl Barth that challenged the consensus Plant has written a critical exploration of Bonhoeffer's writings that illuminates his ethical theology showing that what linked all his work was the attempt to listen to God's word in to and for the secular world

**Bonhoeffer the Assassin?** Mark Thiessen Nation, Anthony G. Siegrist, Daniel P. Umbel, 2013-10-01 Most of us think we know the moving story of Dietrich Bonhoeffer's life a pacifist pastor turns anti Hitler conspirator due to horrors encountered during World War II but does the evidence really support this prevailing view This pioneering work carefully examines the biographical and textual evidence and finds no support for the theory that Bonhoeffer abandoned his ethic of discipleship and was involved in plots to assassinate Hitler In fact Bonhoeffer consistently affirmed a strong stance of peacemaking from 1932 to the end of his life and his commitment to peace was integrated with his theology as a whole The book includes a foreword by Stanley Hauerwas **Bonhoeffer's Intellectual Formation** Peter Frick, 2018-03-14 The authors of this volume discuss specific philosophical and theological ideas in view of Bonhoeffer's intellectual formation As such all the studies converge on the thought of Bonhoeffer as a whole in order to illuminate the growth and maturation of his theology Contributors to this volume include Barry Harvey Wayne Floyd Peter Frick Geoffrey Kelly Wolf Kr tke Andreas Pangritz Stephen Plant Martin Rumscheidt Christine Tietz Ralf W stenberg and Josiah Young **Christ and Revelatory Community in Bonhoeffer's Reception of Hegel** David S. Robinson, 2018-06-22 Back cover How is God revealed through the life of a human community Dietrich Bonhoeffer's theological ethics begins from the claim to Christ existing as community which David Robinson presents as one of several critical and politically astute variations on G W F Hegel's philosophy of religion **Theology against Religion** Tom Greggs, 2011-10-27 This book asks the question what is religion from a theological perspective In an age in which religion has reasserted itself on national and international stages Theology against Religion argues that we should take seriously the critique of religion and engage with that critique theologically The book argues that theologizing the critique of religion was central to the theological purposes of Karl Barth and Dietrich Bonhoeffer and that Barth and Bonhoeffer should be seen as traveling along the same trajectory in terms of their theological approaches to religion It is this

trajectory that this book seeks to explore in thinking with and beyond Bonhoeffer and by identifying a series of themes around which construction engagements can take place The result is an exciting series of discussions which take seriously the interplay of the religious the secular pluralism and the concept of God with chapters on salvation the church the public square and other faiths

**Bonhoeffer's Theological Formation** Michael P. DeJonge,2012-02-23 A detailed examination of the academic formation of Dietrich Bonhoeffer s theology arguing that the young Bonhoeffer reinterpreted for a modern intellectual context the Lutheran understanding of the person of Jesus Christ and distinguishing Bonhoeffer s theology from that of contemporaries Karl Barth and Karl Holl

*Pacifism, Just War, and Tyrannicide* David M. Gides,2012-03-02 Dietrich Bonhoeffer s perplexing and controversial shift from admitted pacifism to tyrannicide has been the source of scholarly and popular inspiration and criticism How could an admitted Christian pacifist be involved in a plot to assassinate a political figure Is there a way to understand and explain this phenomenon comprehensive enough to encompass all relevant data One that takes into account the nuances of Bonhoeffer s theology and all of the elements of his complex historical and personal contexts This study attempts to offer an explanation by linking Bonhoeffer s political thinking and action with his understanding of the church world relationship and by evaluating the changes in that thought action dyad as his life progressed What emerges is a portrait of a bold and visionary thinker and political agent whose church world theology while discontinuous is consistent enough to be authentic and yet flexible enough to meet the extraordinary challenges presented by Nazism and its intrusion into the churches Gides suggests that it is actually Bonhoeffer s malleable church world thinking that ultimately distinguishes him from his theological and ecclesial contemporaries and even from the mass of German church persons and citizenry it allowed him to confront evil by reaching beyond the constraints of traditional Lutheran thinking

*Holy Scripture* John Webster,2003-10-23 May we speak in the present age of holy scripture And what validation of that claim can be offered robust enough to hold good for both religious practice and intellectual enquiry John Webster argues that while any understanding of scripture must subject it to proper textual and historical interrogation it is necessary at the same time to acknowledge the special character of scriptural writing His 2003 book is an exercise in Christian dogmatics a loud reaffirmation of the triune God at the heart of a scripture based Christianity But it is written with intellectual rigour by a theologian who understands the currents of modern secular thought and is able to work from them towards a constructive position on biblical authority It will resonate with anyone who has wondered or worried about the grounds on which we may validly regard the Bible as God s direct communication with humanity

**The God Who Is with Us** Benjamin H. Kim,2022-10-21 Contemporary theologies of mission rely on the central concept of the missio Dei which states that mission properly belongs to the triune God over the church However present accounts fail to establish any corresponding link between God s trinitarian economy and ontology In other words the problem of the missio Dei is the problem of the break between the act and being of God Benjamin H Kim argues that a repair is needed for missio Dei

theology and this repair is found in reexamining Barth's doctrine of revelation. In doing so the locus of mission moves from God's trinitarian sending to his trinitarian revealing. The repair is further advanced by Dietrich Bonhoeffer through his concept of person which functions as the unity of act and being. This account returns mission to its original definition which was intended to describe the inner trinitarian being of God in relation to humanity. The concept of person recovers this meaning of mission by locating it first in the person of Christ and second in the collective person of the church existing as the Christ community. Thus Bonhoeffer's description of revelation in terms of personhood provides an account that is more faithful to the *missio Dei*'s core insights.

*Spirit and Sonship* David A. Höhne, 2016-03-09 This book weaves together an interpretation of Christian Scripture with a conversation between Colin Gunton and Dietrich Bonhoeffer concerning the role the Holy Spirit plays in shaping the person and work of Christ. The result is a theological description of human personhood grounded in a sustained engagement with and critique of Gunton's theological description of particularity, a topic central to all his thinking. In the course of the conversation with Bonhoeffer the book also offers one of few broad assessments of his work as a systematic theologian. In bringing together the work of two important modern theologians this book explores both the possibilities of theology generated from Christian Scripture and the central importance of the doctrines of Christ and the Trinity in understanding what it means to declare someone or something unique.

*Attacks on Christendom in a World Come of Age* Matthew D. Kirkpatrick, 2011-08-19 Though Søren Kierkegaard and Dietrich Bonhoeffer both made considerable contributions to twentieth century thought they are rarely considered together. Against Kierkegaard's melancholic individual Bonhoeffer stands as the champion of the church and community. In *Attacks on Christendom* Matthew D. Kirkpatrick challenges these stereotypical readings of these two vital thinkers. Through an analysis of such concepts as epistemology, ethics, Christology, and ecclesiology, Kirkpatrick reveals Kierkegaard's significant influence on Bonhoeffer throughout his work. Kirkpatrick shows that Kierkegaard underlies not only Bonhoeffer's spirituality but also his concepts of knowledge, being, and community. So important is this relationship that it was through Kierkegaard's powerful representation of Abraham and Isaac that Bonhoeffer came to adhere to an ethic that led to his involvement in the assassination attempts against Hitler. However, this relationship is by no means one-sided. *Attacks on Christendom* argues for the importance of Bonhoeffer as an interpreter of Kierkegaard, drawing Kierkegaard's thought into his own unique context, forcing Kierkegaard to answer very different questions. Bonhoeffer helps in converting the obscure, obdurate Dane into a thinker for his own unique age. Both Kierkegaard and Bonhoeffer have been criticized and misunderstood for their final works that lay bare the religious climates of their nations. In the final analysis, *Attacks on Christendom* argues that these works are not unfortunate endings to their careers but rather their fulfilment, drawing together the themes that had been brewing throughout their work.

**Taking Stock of Bonhoeffer** Stephen J. Plant, 2016-04-01 Bonhoeffer's theology continues to prove richly fruitful in the 21st century. This book gathers together Stephen Plant's scholarly engagement with Bonhoeffer's life and theology over two decades. This

collection makes accessible Plant's distinctive perspective on Bonhoeffer's theology in particular on the key themes of biblical exegesis, ethics, and the intimate connections Bonhoeffer discerns between them. *Žižek Reading Bonhoeffer* Bojan Koltaj, 2019-08-23 This book critically examines Bonhoeffer's social theology in *Sanctorum Communio* from the perspective of Žižek's theological materialism. Specifically, it refers to Žižek's struggling universality of abandonment and its ethic of indifference in consideration of Bonhoeffer's transcendental personalist community of saints and its ethic of universal love. As such, it represents an attempt to reflect on the content, act, and implication of theological thought without presuppositions and an argument for the necessity of such an approach, a radical approach that is true to theology's critical character of challenging narratives and revealing exceptions in search of truth. **Open Friendship in a Closed Society** Peter Slade, 2009-10-09 Peter Slade examines Mission Mississippi's model of racial reconciliation, which stresses one-on-one individual friendships among religious people of different races and considers whether it can effectively address the issue of social justice. Slade argues that Mission Mississippi's goal of changing Mississippi one relationship at a time is both a pragmatic strategy and a theological statement of hope for social and economic change in Mississippi.
