Sommerfeldt,2006 The universe is a product of God s infinite love according to the expansive thinking of Aelred of Rievaulx a Cistercian abbot of the Middle Ages Aelred sees human existence order and action as reflections of God s love But Aelred knows that although they have been created for happiness humans are neither perfect nor happy At the same time however he is sure that the flood of God s love can overwhelm people who do not reject this divine gift Because Aelred knows that humans exist only in relationship he searches out the social order necessary for happiness So he explores the nature of the church as a community and the support that each social group or calling gives to the whole of existence This study examines how Aelred sees God informing the cosmos and the humans who inhabit it according to the divine order and principle of love It follows Aelred s analysis of the disordering sources of human unhappiness which happens when humans reject God s love and then investigates Aelred s understanding of God s re ordering of the human condition through the gifts and graces flowing from his greatest gift his son Jesus BOOK JACKET □□□□ ,1995 All Under Heaven Darryl Accone,2004 History of the author s family who emigrated from China in 1911 and settled in South Africa Their family name was Fok It was probably changed by immigration officials when they arrived A Peek into Heaven Alexie Powers,2016-02-16 I wrote this book so people would know there is a heaven Heaven is our home We are sent here to earth to learn and care for one another We influence each others lives even if we dont realize it I feel so grateful that Jesus let me see the things I got to see and still lets me visit People will always have their ups and downs but it all stems on your faith Walk in faith not in sight May God bless all of you Alexie Powers The Universalist and Ladies' Repository ,1849 Heaven Our Home William Branks,1883 Mountain Home David Hinton,2014-10-10 The earliest and most extensive literary engagement with wilderness in human history Mountain Home is vital poetry that feels utterly contemporary China s tradition of rivers and mountains poetry stretches across millennia This is a plain spoken poetry of immediate day to day experience and yet seems most akin to China s grand landscape paintings Although its wisdom is ancient rooted in Taoist and Zen thought the work feels utterly contemporary especially as rendered

here in Hinton's rich and accessible translations Mountain Home collects poems from 5th through 13th century China and includes the poets Li Po, Po Chu i and Tu Fu. The rivers and mountains tradition covers a remarkable range of topics: comic domestic scenes, social protest, travel, sage recluses and mountain landscapes shaped into forms of enlightenment. And within this range the poems articulate the experience of living as an organic part of the natural world and its processes. In an age of global ecological disruption and mass extinction this tradition grows more urgently important every day. Mountain Home offers poems that will charm and inform not just readers of poetry but also the large community of readers who are interested in environmental awareness.
