Recognition Advancing Ecumenical Thinking American University Studies Series VII Theology And Religion Vol 186:

Recognition Gerard Kelly, 1996 *Unfailing Patience and Sound Teaching* Rembert Weakland, 2003 *Unfailing Patience and Sound Teaching* approaches the contemporary episcopacy from a variety of perspectives and theological disciplines is appreciative of Vatican II while looking to the future and pays tribute to Archbishop Rembert G Weakland O S B a leader of the post conciliar church in the United States *American Book Publishing Record* ,1996 *Gregorianum* ,1999 **Der Heilige Geist im ökumenischen Gespräch und im Pentekostalismus** Alexander Stavrichuk, 2021-12-06 Der Band untersucht welches Verständnis des Heiligen Geistes aus den zentralen multilateralen Texten des ökumenischen Rates der Kirchen unter Einbeziehung des pentekostalen Ansatzes in den ökumenischen Diskurs resultiert Im theologischen Vergleich wird reflektiert welche Aspekte der Lehre über den Heiligen Geist aus der pentekostalen theologischen Tradition den ökumenischen multilateralen Diskurs erweitern können Wie kann ihr besonderes Verständnis des Heiligen Geistes unverkennbar und gleichzeitig gewinnbringend für den ökumenischen multilateralen Diskurs dargestellt werden Umgekehrt wird gezeigt in welcher Gestalt die Pentekostalen ihre Vorstellung vom Heiligen Geist anhand der Begegnung mit dem ökumenischen multilateralen Diskurs neu ausdrücken können The pentecostal openness to the presence of the Holy Spirit can be understood in terms of the analogy with the Trinitarian personhood as a mode of the individual participation in the life of the Triune God This links the pentecostal understanding of the Holy Spirit with the koinonia ecclesiology of the ecumenical multilateral dialogue The current understanding of the ecumenical koinonia ecclesiology is modelled by the life of the Trinity and formed by the sacramental participation of the church in the life of the Triune God In this way Pentecostalism can find its access to the eucharistic sacramental understanding of unity of the church Conversely this is also enriching for the multilateral ecumenical koinonia discourse The participation in the koinonia with the Triune God includes not only the dimension of the eucharistic fellowship but also the dimension of the direct personal orientation of Christians toward the presence of the Holy Spirit *International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences* ,1999 "La conversión de las Iglesias, una necesidad y una urgencia de la fe" Jorge Alejandro Scampini, 2003 *Heythrop Journal* ,1998 A select book list appears quarterly *Das Schweizer Buch* ,1996 **Recognition** Gerard Kelly, 1996 When the Faith and Order Commission asked the Churches if they could recognise the faith of the Church in the text Baptism Eucharist and Ministry it effectively changed the way they participated in the ecumenical movement The question about recognition was subtle and Churches are still trying to grasp its implications Gerard Kelly's book is the first serious study of the notion of recognition He shows that it can no longer be considered primarily in juridical terms and that it now has a theological content which contributes to the ecumenical understanding of what it means to be recognised by the Church *The Trinity and Ecumenical Church Thought* William C.

Ingle-Gillis,2016-12-05 Some hundred years from inception the ecumenical movement is stagnating William C Ingle Gillis argues that the problem lies in modern ecumenism s treatment of denominational Churches as provisional entities requiring reunion to be more fully Christ s Body In a work unique both to ecumenical studies and to trinitarian theology the author redefines ecclesial life from the premise that God s essence is personhood in communion and that the ultimate calling of human persons is to share as fully in the divine life as Christ himself Concluding that the Churches are by the Spirit s action a tangible dynamic event wherein God makes visible his on going reconciliation of the world to himself Ingle Gillis argues that the Churches true life lies in coming together rather than being together This conclusion places ecumenism at the heart of Church life and witness

Generous Orthodoxies Paul Silas Peterson,2020-04-30 After the birth of the Protestant ecumenical movement in the late nineteenth and early twentieth centuries and following the first great wave of universal Christian ecumenism in the 1960s and 1970s after the Second Vatican Council prominent theologians of nearly every ecclesial tradition charted new territory in the last decades of the twentieth century They crossed boundaries within their own ecclesial traditions and built bridges to other Christian churches churches that were once excluded from fellowship In the development of these new programs of ecumenical theology the theologians redefined their own confessional identities and in many cases crossed the liberal conservative divide within their own traditions This volume introduces this fascinating dynamic of theological mediation redefinition and generosity It shows how the ecumenical impulses which were directed outwardly to other traditions had reflexive effects inwardly Working in the realms of both historical and systematic theology the essays in this volume provide a critical analysis of the history of this general theological sentiment and offer an outlook for its future Contributors Brian D McLaren Foreword Paul Silas Peterson Introduction Part One Ecumenical reform theologies Andrew Meszaros Yves Congar The Birth of Catholic Ecumenism Matthew L Becker Edmund Schlink Ecumenical Theology Dorothea Sattler Otto Hermann Pesch Ecumenical Scholasticism Ronald T Michener George Lindbeck Ecumenical Unity through Ecclesial Particularity Nikolaos Asproulis John D Zizioulas A Pioneer of Ecumenical Dialogue and Christian Unity Part Two Overcoming liberal conservative polarities Ben Fulford Hans Frei Beyond Liberal and Conservative Friederike Nussel Wolfhart Pannenberg Liberal Orthodoxy Jay T Smith Stanley J Grenz The Evangelical Turn to Postliberal Theological Method Part Three Boundary crossings in philosophical systematic and ethical theology William E Myatt David Tracy Difference Unity and the Analogical Imagination Christophe Chalamet Robert Jenson God s Way and the Ways of the Church Victoria Lorrimar Stanley Hauerwas Witnessing Communities of Character Christine M Helmer Marilyn McCord Adams Philosophy Theology and Prayer Part Four Ecumenical theology today Wolfgang Vondray Pentecostalism and Christian Orthodoxy Revision Revival and Renewal Johanna Rahner Shifting Paradigms Future Ecumenical Challenges Michael Amaladoss Theology today in India Ecumenical or interreligious Bernd Oberdorfer Next Steps and Visions Lutheran Perspectives on Doctrinal Ecumenism
