## **Reconceiving Pregnancy And Childcare Cambridge Studies In Philosophy And:**

**Reconceiving Pregnancy and Childcare** Amy Mullin, 2005-03-14 This highly original book argues for increased recognition of pregnancy birthing and childrearing as social activities demanding simultaneously physical intellectual emotional and moral work from those who undertake them Written from the perspective of a feminist philosopher the book draws on the work of and seeks to increase dialogue between philosophers and childcare professionals disability theorists nurses and sociologists **Narratives of Consent and Reproductive Subjects** Samantha Halliday, Rebecca Brione, Jacqueline Nicholls, 2025-09-02 Consent is the golden principle that determines the legality of most medical treatment However whilst choice is the much vaunted central tenet of maternity care its importance emphasised in policy documents the lived experience is often rather different particularly in the case of individuals constructed as other This collection brings together a range of researchers from multiple disciplines to address the issue of choice in the context of reproduction focussing upon narratives of consent as they pertain to reproductive subjects who all too often are rendered invisible by the law by the healthcare professionals treating them or by society It explores the contours of consent in England and Wales engaging with reproductive justice by focussing upon the way in which reproductive subjects are othered treated differently due to their skin colour their genetic makeup the fact that they have a serious mental illness or even those who do not want to be mothers It presents original research bringing together multiple perspectives in examining the way in which individuals are rendered invisible in the context of reproductive healthcare The book will be essential reading for academics and professionals in law nursing medicine midwifery sociology ethics and anthropology **Proceedings and Addresses of the American**

**Philosophical Association** American Philosophical Association, 2005 List of members in v 1 **Parenting on Earth** Elizabeth Cripps, 2023-04-18 Being parents and being human building hope for our children in a fragile world Environmental catastrophes pandemics antibiotic resistance institutionalized injustice and war in a world so out of balance what does it take or even mean to be a good parent This book is one woman s search for an answer as a moral philosopher activist and mother Drawing on the insights of philosophy and the experience of parent activists Elizabeth Cripps calls for parents to think radically about exactly what we owe our children and everyone else She shows how our children s needs are inseparable from the fate of the earth and the fortunes of others and how much is at stake in parenting today And she asks the hardest question should we have kids at all Timely and thoughtful Parenting on Earth extends a challenge to anyone raising children in a troubled world and with it a vision of hope for our children s future Cripps envisions a world where kids can prosper and grow a just world with thriving social systems and ecosystems where future generations can flourish and all children can lead a decent life She explains with bracing clarity why those raising kids today should be a force for change and bring up their children to do the same Hard as this can be in the face of political gridlock ecoanxiety and general daily grind the tools of philosophy and psychology can help us find a way **Feminist Phenomenology Futures** Helen A. Fielding, Dorothea E.

Olkowski,2017-06-16 Distinguished feminist philosophers consider the future of their field and chart its political and ethical course in this forward looking volume Engaging with themes such as the historical trajectory of feminist phenomenology ways of perceiving and making sense of the contemporary world and the feminist body in health and ethics these essays affirm the base of the discipline as well as open new theoretical spaces for work that bridges bioethics social identity physical ability and the very nature and boundaries of the female body Entanglements with thinkers such as Heidegger Merleau Ponty Beauvoir and Arendt are evident and reveal new directions for productive philosophical work Grounded in the richness of the feminist philosophical tradition this work represents a significant opening to the possible futures of feminist

phenomenological research Mary Wollstonecraft Susan Laird,2014-10-23 Best known as author of A Vindication of the Rights of Woman 1792 if not also as mother of Frankenstein s author Mary Shelley Mary Wollstonecraft survived domestic violence and unusual independent womanhood to write engaging letters fiction history critical reviews handbooks and treatises Her work on coeducational thought was a major early modern influence upon the development of a post Enlightenment tradition and continues to have vital relevance today Celebrated as an early modern feminist abolitionist and socialist philosopher Wollstonecraft had little formal schooling but still worked as a governess school teacher and educational writer This succinct critical account of that prolific research begins by recounting her revolutionary self education Susan Laird explains how Wollstonecraft came to criticize moral flaws in both men s and women s private education based on irrational assumptions about sexual character under the Divine Right of Kings It was to remedy those moral flaws of monarchist education that Wollstonecraft theorized her influential but incomplete concept of publicly financed universal egalitarian coeducation **The Oxford Handbook of Reproductive Ethics** Leslie Francis,2017 Intimate and medicalized natural and technological reproduction poses some of the most challenging ethical dilemmas of our time This volume brings together scholars from multiple perspectives to address both traditional and novel questions about the rights and responsibilities of human reproducers their caregivers and the societies in which they live Conscience ,2003

**Procreative Justice** Erik Magnusson,2025-07-31 This book explores how considerations of justice apply to procreative decision making Despite its immense personal significance procreation is an inherently other regarding endeavor By its very nature the decision to procreate is the decision to bring into existence another morally considerable being one who will be exposed to the full range of harms benefits and risks that accompany a typical human life and one who cannot by its nature ever consent to being born Moreover when this decision is undertaken in a community of persons it is also a decision to affect the lives of others in a host of profound if often underappreciated ways from its effects on population size and environmental sustainability to its consequences for a community s distribution of resources In many ways of course these interests coincide adults need children for their parenting projects societies need citizens for the maintenance of their institutions and children themselves are often happy to have been brought into existence However as the book demonstrates

the various interests that are implicated by procreative decision making can also come into conflict as well and in ways that raise basic questions of justice Through a systematic examination of six of these questions the author argues that taking adequate stock of the conflicting interests at stake in procreative decision making leads to a narrower view of the conditions under which it is morally permissible to procreate and a much more demanding conception of our procreative responsibilities Procreative Justice will be of interest to researchers and advanced students working on the morality of procreation and related areas of philosophy including bioethics intergenerational ethics environmental ethics population ethics and the ethics of the family

**The Ethics of Pregnancy, Abortion and Childbirth** Helen Watt, 2016-01-08 The Ethics of Pregnancy Abortion and Childbirth addresses the unique moral questions raised by pregnancy and its intimate bodily nature From assisted reproduction to abortion and vital conflict resolution to more everyday concerns of the pregnant woman this book argues for pregnancy as a close human relationship with the woman as guardian or custodian Four approaches to pregnancy are explored uni personal neighborly maternal and spousal The author challenges not only the view that there is only one moral subject to consider in pregnancy but also the idea that the location of the fetus lacks all inherent unique significance It is argued that the pregnant woman is not a mere neighbor or helpful stranger to the fetus but is rather already in a real familial relationship bringing real familial rights and obligations If the status of the fetus is conclusive for at least some moral questions raised by pregnancy so too are facts about its bodily relationship with and presence in the woman who supports it This lucid accessible and original book explores fundamental ethical issues in a rich and often neglected area of philosophy in ways of interest also to those from other disciplines

**Motherhoods, Markets and Consumption** Stephanie O'Donohoe, Margaret Hogg, Pauline Maclaran, Lydia Martens, Lorna Stevens, 2013-10-30 It takes more than a baby to make a mother and mothers make more than babies Bringing together a range of international studies Motherhoods Markets and Consumption examines how marketing and consumer culture constructs particular images of what mothers are what they should care about and how they should behave exploring how women s use of consumer goods and services shapes how they mother as well as how they are seen and judged by others Combining personal accounts from many mothers with different theoretical perspectives this book explores How advertising media and consumer culture contribute to myths and stereotypes concerning good and bad mothers How particular consumer choices are bound up with women s identities as mothers The role of consumption for women entering different phases of their mothering lives such as pregnancy early motherhood and the empty nest

**The Bloomsbury Handbook of Care Ethics** Matilda Carter, 2025-07-24 Emphasising the vulnerability and interdependence of humans care ethics has emerged in recent years as a powerful alternative to dominant modes of thinking in moral philosophy Bringing together the theoretical and applied dimensions of care ethics this pioneering volume provides an authoritative overview of what care ethics is and the contributions it can make to pressing contemporary problems Divided into two parts Part I of The Bloomsbury Handbook of Care Ethics traces the development of care ethics how it

interacts with other central components of moral reasoning such as freedom and normative justification and the ongoing discussions among care ethicists about the direction scope and underlying mechanisms of the theory Part II then showcases the varied contributions care ethics can make to key areas of applied philosophy and to research in the social sciences from disability and care medical ethics and feminist ethics to timely issues such as maternity care and public administration With an international team of experts providing interdisciplinary approaches to care this is the place to start if you want to gain an in depth insight into the field of care ethics and its crucial role in addressing worldwide vulnerabilities

**Motherhood in Literature and Culture** Gill Rye,Victoria Browne,Adalgisa Giorgio,Emily Jeremiah,Abigail Lee Six,2017-06-26 Motherhood remains a complex and contested issue in feminist research as well as public discussion This interdisciplinary volume explores cultural representations of motherhood in various contemporary European contexts including France Italy Germany Portugal Spain and the UK and it considers how such representations affect the ways in which different individuals and groups negotiate motherhood as both institution and lived experience It has a particular focus on literature but it also includes essays that examine representations of motherhood in philosophy art social policy and film The book s driving contention is that through intersecting with other fields and disciplines literature and the study of literature have an important role to play in nuancing dialogues around motherhood by offering challenging insights and imaginative responses to complex problems and experiences This is demonstrated throughout the volume which covers a range of topics including discursive and visual depictions of pregnancy and birth the impact of new reproductive technologies on changing family configurations the relationship between mothering and citizenship the shaping of policy imperatives regarding mothering and disability and the difficult realities of miscarriage child death violence and infanticide The collection expands and complicates hegemonic notions of motherhood as the authors map and analyse shifting conceptions of maternal subjectivity and embodiment explore some of the constraining and or enabling contexts in which mothering takes place and ask searching questions about what it means to be a mother in Europe today It will be of interest not only to those working in gender women s and feminist studies but also to scholars in literary and cultural studies and those researching in sociology criminology politics psychology medical ethics midwifery and related fields

**Being Born** Alison Stone,2019-09-26 All human beings are born and all human beings die In these two ways we are finite our lives begin and our lives come to an end Historically philosophers have concentrated attention on our mortality and comparatively little has been said about being born and how it shapes our existence Alison Stone sets out to overcome this oversight by providing a systematic philosophical account of how being born shapes our condition as human beings Drawing on both feminist philosophy and existentialist concerns about the structure of meaningful human existence Stone offers an original perspective on human existence She explores how human existence is shaped by the way that we are born Taking natality into account transforms our view of human existence and illuminates how many of its aspects are connected with our birth These aspects include

dependency the relationality of the self vulnerability reception and inheritance of culture and history embeddedness in social power situatedness and radical contingency Considering natality also sheds new light on anxiety mortality and the temporality of human life This book therefore bears on death and the meaning of life as well as many debates in feminist and continental philosophy **Pregnancy Without Birth** Victoria Browne, 2022-09-08 Pregnancy is so thoroughly entangled with birth and babies in the popular imagination that a pregnancy which ends in miscarriage consistently appears as a failure or a waste of time indeed as not proper to pregnancy at all But in this compelling book Victoria Browne argues that reflection on miscarriage actually deepens and expands our understanding of pregnancy forcing us to consider what pregnancy can amount to besides the production of a child By exploring common themes within personal accounts of miscarriage including feelings of failure self blame and being stuck in limbo **Pregnancy Without Birth** critically interrogates teleological discourses and disciplinary ideologies that elevate birth as pregnancy's natural and normal endpoint As well as politicizing miscarriage as a feminist issue the book articulates an alternative intercorporeal philosophy of pregnancy which embraces variation invites us to sit with ambiguity contingency and suspension and enables us to see subjective agency in all pregnancies even as they are shaped by biological political and social forces beyond our personal control What emerges is a relational feminist politics of full spectrum solidarity social justice and care rather than individualized choice and responsibility which breaks down presumed oppositions between pregnancy miscarriage abortion stillbirth and live birth and liberates pregnancy from reproductive futurism **Zeitschrift für Evangelische Ethik**, 2006 **The Family in Law** Archana Parashar, Francesca Dominello, 2017-04-27 **The Family in Law** provides a jurisprudential analysis of current family law connecting doctrinal discourse with sociological historical and economic analyses of the institution of family The law's focus on the nuclear family as the default model is central to the book's discourse which contains in depth discussions of the key areas of family law marriage divorce children and property matters Written for Australian legal actors whether students academics or professionals readers are encouraged to question current frameworks critique well known cases and make informed conclusions on whether changes could be made to engender a fairer and more equitable society In developing doctrinal analysis within a theoretical framework **The Family in Law** challenges the conventional boundaries of family law providing readers with both a solid foundation and a multi layered perspective to their understanding of the topic **Das Gelingen der künstlichen Natürlichkeit** Olivia Mitscherlich-Schönherr, 2021-10-25 Mit disruptiven Biotechnologien kann immer grundlegender in das menschliche Leben eingegriffen werden Dem stehen die rasanten Fortschritte in der Entwicklung von Künstlicher Intelligenz gegenüber In dieser doppelten Entwicklung werden die Grenzen zwischen menschlicher Natur und Technik diffus Hieran entzünden sich grundlegende Fragen in Bezug auf unser Mensch Sein Werden Menschen unter therapeutischen Eingriffen mit disruptiven Biotechnologien wie etwa Tiefer Hirnstimulation zu Cyborgs Lässt sich das Mensch Sein mit disruptiven Biotechnologien optimieren mit Hilfe von Eingriffen in das menschliche Erbgut von Gesundheits

Apps Psychopharmaka Neurofeedbacks Implantaten Lassen sich Anwendungen von Biotechnologien zu Zwecken der Therapie und des Enhancements überhaupt klar unterscheiden Stehen wir bereits am Anfang einer Ersetzung des Menschen durch die Technik wie in trans und posthumanistischen Utopien suggeriert wird Der vorliegende Band setzt sich mit diesen und hnlichen Fragen in interdisziplin rer Perspektive auseinander und regt damit zur Diskussion ber neue Formen menschlichen Lebens mit disruptiven Biotechnologien an

### **Reconceiving Pregnancy And Childcare Cambridge Studies In Philosophy And Introduction**

In today's digital age, the availability of Reconceiving Pregnancy And Childcare Cambridge Studies In Philosophy And books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reconceiving Pregnancy And Childcare Cambridge Studies In Philosophy And books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reconceiving Pregnancy And Childcare Cambridge Studies In Philosophy And books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Reconceiving Pregnancy And Childcare Cambridge Studies In Philosophy And versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reconceiving Pregnancy And Childcare Cambridge Studies In Philosophy And books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing.

When it comes to accessing Reconceiving Pregnancy And Childcare Cambridge Studies In Philosophy And books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reconceiving Pregnancy And Childcare Cambridge Studies In Philosophy And books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reconceiving Pregnancy And Childcare Cambridge Studies In Philosophy And books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reconceiving Pregnancy And Childcare Cambridge Studies In Philosophy And books and manuals for download and embark on your journey of knowledge?

### **FAQs About Reconceiving Pregnancy And Childcare Cambridge Studies In Philosophy And Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital

eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reconceiving Pregnancy And Childcare Cambridge Studies In Philosophy And is one of the best book in our library for free trial. We provide copy of Reconceiving Pregnancy And Childcare Cambridge Studies In Philosophy And in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reconceiving Pregnancy And Childcare Cambridge Studies In Philosophy And. Where to download Reconceiving Pregnancy And Childcare Cambridge Studies In Philosophy And online for free? Are you looking for Reconceiving Pregnancy And Childcare Cambridge Studies In Philosophy And PDF? This is definitely going to save you time and cash in something you should think about.
