The Oxford Handbook of Sound and Imagination, Volume 1 Mark Grimshaw-Aagaard, Mads Walther-Hansen, Martin Knakkergaard, 2019-07-26 Whether social cultural or individual the act of imagination always derives from a pre existing context For example we can conjure an alien s scream from previously heard wildlife recordings or mentally rehearse a piece of music while waiting for a train This process is no less true for the role of imagination in sonic events and artifacts Many existing works on sonic imagination tend to discuss musical imagination through terms like compositional creativity or performance technique In this two volume Handbook contributors shift the focus of imagination away from the visual by addressing the topic of sonic imagination and expanding the field beyond musical compositional creativity and performance technique into other aural arenas where the imagination holds similar power Topics covered include auditory imagery and the neurology of sonic imagination aural hallucination and illusion use of metaphor in the recording studio the projection of acoustic imagination in architectural design and the design of sound artifacts for cinema and computer games *Bizzarrism Vol 1* Chris Mikul, 2016-09-22 Bizzarrism is a collection of strange but true tales featuring a grand parade of eccentrics visionaries crackpots cult leaders artists theorists and outsiders of every stripe First published in 1999 this new fully revised and expanded edition revisits a host of unique individuals including William Chidley who believed that when it comes to sex we ve all been making a terrible mistake Arthur Cravan who combined poetry with boxing Slim Gaillard jazz singer and dispenser of vout William Lindsay Gresham author of the classic noir novel Nightmare Alley Rosaleen Norton Australia s most notorious witch Harry Crosby poet sun worshipper and the best looking corpse of 1929 Reginald LeVgiac author of the mysterious pamphlet Drugs Virus Germs In writing their stories Mikul does not judge but instead celebrates these characters for their fabulous weirdness For him they are the beacons of shining if erratic brilliance in a world of sensible conformity The world would be a poorer place without them **A Grain of Faith** Allan Hepburn, 2018 This volume explores how religion influenced the works of mid century writers and how authors used Christian ideas for social and political ends in the 1940s and 1950s **The History of British Film (Volume 1)** Rachael Low, 2020-03-25 This set is one of the cornerstones of film scholarship and one of the most important works on twentieth century British culture Published between 1948 and 1985 the volumes document all aspects of film making in Britain from its origins in 1896 to 1939 Rachael Low pioneered the interpretation of films in their context arguing that to understand films it was necessary to establish their context Her seven volumes are an object lesson in meticulous research lucid analysis and accessible style and have become the benchmark in film history **History of Woman Suffrage (Vol. 1-6)** Various, 2023-11-27 The History of Woman Suffrage Volumes 1 6 is a landmark anthology that meticulously chronicles the grassroots activism political struggles and societal transformations surrounding women s suffrage in the United States from the 19th century through the early 20th century Composed by a diverse assembly of feminist scholars and activists including the prominent Susan B Anthony and Elizabeth Cady Stanton this
