**After Adoption** Carole Smith,Janette Logan,2004 Providing a comprehensive understanding of adoption issues and based on research with a large number of adoptive parents children and birth relatives the authors consider the impact of direct post adoption contact on all concerned

*You Left Us in A Lurch: A Siblings Journey to Healing Over Loss of A Loved One* Jacalyn Brodsky Resman,2007-09-01 This book is a siblings journey from the sudden loss of her brother due to suicide and her healing journey through to her new norm in life It is the story of a family of five that in a sudden instant became four and how we fought to keep old traditions alive while being forced to find and create new ones The book contains poetry and tools of healing that have enabled me to slowly move forward in these uncharted waters of sibling survival

*Life After Losing A Child* Antonette Smith,2021-09-24 Life After Losing a Child is dedicated to my son Antonio Smith Scott May 23 1992 March 5 2013 and in honor of my mother Flora Scott August 25 1949 January 3 2020 who birthed eight children and lost six before her own death Life After Losing a Child is based on my own experiences from a mother s perspective losing a child from a sibling s perspective losing brothers in early childhood how the death of my brothers affected my parents and our family I

also share how losing my own son affected my family my four other children and their father Millions of parents lose a child every day and are left struggling trying to not be overtaken with grief for the rest of our lives We suffer from guilt shame hurt pain and sorrows until we allow Jesus to heal us Losing a child from a miscarriage stillbirth sickness deformities abortions accidents or homicides all these losses of a child carries the same hurts pains sorrows and grief The loss of these children leaves a void in all our lives as a family I pray by sharing my loss and grief process you will seek Jesus for healing for yourself and family That you will be empowered to live your best life after the loss of a child or sibling I pray you will live to the fullest capacity God has intended Jesus died to give you with the Holy Spirit guiding you a life of purpose not only for yourself and family but for the child that is gone but not forgotten     *Understanding baby loss* Kate Reed, Julie Ellis, Elspeth Whitby, 2023-11-21 This book offers a detailed and sensitive account of how parents experience different forms of baby loss and subsequently make decisions about post mortem examination It also analyses some of the challenges professionals face when working in this highly sensitive field of medicine It draws on data from an ESRC award winning UK based study on the development of minimally invasive post mortem to examine a range of sociologically pertinent issues relating to trauma emotions decisions care technology memory and the role of social and biological relationships By shedding light on this taboo aspect of healthcare the book provides a highly original contribution to sociology offering a comprehensive analysis of some of the most pressing concerns in the field to date     **Pediatric Cancer Survivors** Karen Wonders, Brittany Stout, 2017-06-07 Pediatric cancer develops in 1 to 500 children Typically the type of cancers that develop in children is different than those that develop in adults in that they are often the result of a DNA mutation rather than environmental or lifestyle risk factors Leukemia brain and central nervous system tumors and neuroblastomas are the most common cancer types in child populations Children tend to respond better to anticancer treatments including chemotherapy and radiation However long term side effects are common in children often requiring follow up care and lifestyle intervention for the rest of their lives The percentage of 5 year survivors was over 50% for the most common cancers This suggests that a majority of cancers in this population are highly survivable As such research should focus on aspects of survivorship for these individuals This book will explore issues related to pediatric cancer and their associated treatments     **When a Baby Dies** Irving G. Leon, 1992-01-01 This is the first full length exploration of psychotherapy for those who have experienced the loss of a baby during pregnancy or in the first few weeks of life Using many case reports Irving G Leon integrates recent work on narcissism mourning and short term therapy with more traditional psychoanalytic theory and treatment     *Grieving for the Sibling You Lost*, 2015     **California. Court of Appeal (1st Appellate District). Records and Briefs** California (State)., *Surviving Sibling Loss: The Invisible Thread that Connects Us Through Life and Death* Dawn DiRaimondo, Psy.D., 2020-11-15 When author Dawn DiRaimondo PsyD lost her brother in 2004 she found only one book on sibling loss So she wrote the book she wished she had then *Surviving Sibling Loss The Invisible Thread that Connects Us Through Life and*

Death is the gold standard of grief books helping not only people who are grieving but also their therapists partners and friends better support their loved ones The chapters are deliberately short and full of easy to find resources and the book can be read cover to cover or picked up and put down again This structure aids those who are struggling who fatigue and lose focus easily under the weight of their grief Dr DiRaimondo is a clinical psychologist whose specialties include working with clients who have experienced significant loss including the loss of children siblings spouses grandchildren and young parents Surviving Sibling Loss interweaves her personal and professional experience and knowledge of bereavement as well as the perspectives of fourteen individuals she interviewed who also lost siblings
