Recruiting Local Government Executives:

Recruiting Local Government Executives David N. Ammons, James J. Glass, 1989-10-18 **Local Government Management** Nicolas A. Valcik, Teodoro J. Benavides, 2023-04-11 In a recent paradigm shift local governments find themselves shouldering more responsibility for day to day governance and crisis management thanks to regulations and federal spending cuts While 20 years ago a book on local government administration might have been considered complete with chapters on budgeting public personnel management productivity and responsiveness and community engagement any discussion of local government must now also include resilience emergency management climate change smart cities social media and infrastructure funding Bringing together key voices from the academic and public sectors Local Government Management offers techniques and insight into how local government can most effectively lead and manage their resources in an evolving political and environmental landscape Featuring examples from expert contributors own decades of public service and research this forward thinking book explores the rapid speed of change in local communities and the need for local government to not only adapt but also proactively plan for the future Local Government Management is essential reading for local government officials public stakeholders practitioners and students of public administration and management **The Oxford Handbook of State and Local Government** Donald P. Haider-Markel, 2014-04-03 The Oxford Handbook of State and Local Government is an historic undertaking It contains a wide range of essays that define the important questions in the field evaluate where we are in answering them and set the direction and terms of discourse for future work The Handbook will have a substantial influence in defining the field for years to come The chapters critically assess both the key works of state and local politics literature and the ways in which the sub field has developed It covers the main areas of study in subnational politics by exploring the central contributions to the comparative study of institutions behavior and policy in the American context Each chapter outlines an agenda for future research The Effective Local Government Manager, 3rd Edition N. Joseph Cayer, Raymond W. Cox III, Charldean Newell, 2014-04-15 The Effective Local Government Manager 3rd Edition reflects the rich history and modern reinvention of a profession that sprang up at the beginning of the twentieth century What does it mean to be a local government manager in today's world What can a manager accomplish What internal as well as external resources must the manager harness What motivates the manager's employers colleagues and employees For the student contemplating a career as a manager in public service The Effective Local Government Manager is almost obligatory reading Many instructors have built introductory courses on local government management around The Effective Local Government Manager For the young assistant in a city or county or for the mid career manager assessing new challenges The Effective Local Government Manager offers insights on your role and how you can best serve your community It explores the manager's many roles and responsibilities interacting with the community the governing body local government employees and other governments It offers the most up to date theory and

practice of local government as well as tools of management This book is used as a text in ICMA University s Emerging Leaders Development Program **HC 191 - Local Government Chief Officers' Remuneration** Great Britain: Parliament: House of Commons: Communities and Local Government Committee,2014-09-12 During the first decade of this century salaries for senior council staff increased by some 75% far greater than salaries increased for most people There is no one size fits all formula applicable to all councils decisions on senior pay since levels are set within the context of local needs and priorities Setting a pay rate entails first establishing the responsibilities of a job and next identifying the appropriate local pay rate for such a job Councils have access to local market data but the Local Government Association and regional employers bodies should address a lack information on the broader pay and recruitment trends over time and across regions Councils must critically assess the remuneration levels suggested by consultants and job evaluation schemes to ensure a good officer cannot be secured under local market conditions at a lower pay rate Bonuses although not the norm in the sector should not be paid to someone simply doing their job rather only when there is clear evidence of personal additional contribution with sensitivity to local circumstances But of more significance councils are in many cases failing to establish robust appraisal systems making it difficult to link performance to pay effectively The Local Government Association should publish updated guidance and councils should be required to get full council agreement to and publish details of the processes used to appraise staff so that the public can understand the basis on which reward decisions are made
