Potter, 1861

The Rector's Daughters Rector, 1861 **The Rector's Daughter**, 1861 **The Rector's Daughter** Flora MacDonald Mayor, 1980 *Rector's Daughter*, 1864 **The Rector's Daughter** Nicola Thorne, 1992 *Duffy's Hibernian Magazine*, 1861 *This Working-Day World* Sybil Oldfield, 2022-08-24 Originally published in 1994 This Working Day World is lively collection of essays presenting a social political and cultural view of British women's lives in the period 1914-45 The volume describes women's activities in many different areas ranging from the weekly wash to the rescue of child refugees Each essay from an international list of contributors is based on new research which will complement existing studies in a range of disciplines by adding information on among other topics women's teacher training colleges and women in the BBC in medical laboratories and in Art schools The book does not however idealise women the militarism and racism of the period infected women too and this is revealed in the account of women in the British Union of Fascists and the analysis of the Pankhursts merging of patriotism and gender issues Through studies and personal accounts This Working Day World reveals past issues that are still pertinent to debates in today's society As we read the chapter on the recently discovered Diary of Doreen Bates which outlines possibly the first female civil servant campaign for rights as a single mother we hear echoes of issues being discussed today Indeed as we approach the end of the century it is a good moment to look back and re-evaluate areas and degrees of progress or the reverse in society and in British women's lives in particular With its unusual photographs this accessible and informative collection provides a rich resource for students in twentieth century social and cultural history and women's studies courses and an enlightening volume for general readers **Janeites** Deidre Lynch, 2020-07-21 Over the last decade as Jane Austen has moved center stage in our culture onto best seller lists and into movie houses another figure has slipped into the spotlight alongside her This is the Janeite the zealous reader and fan whose devotion to the novels

has been frequently invoked and often derided by the critical establishment Jane Austen has long been considered part of a great literary tradition even legitimizing the academic study of novels However the Janeite phenomenon has not until now aroused the curiosity of scholars interested in the politics of culture Rather than lament the fact that Austen today shares the headlines with her readers the contributors to this collection inquire into why this is the case ask what Janeites do and explore the myriad appropriations of Austen adaptations reviews rewritings and appreciations that have been produced since her lifetime The articles move from the nineteenth century lending library to the modern cineplex and discuss how novelists as diverse as Cooper Woolf James and Kipling have claimed or repudiated their Austenian inheritance As case studies in reception history they pose new questions of long loved novels as well as new questions about Austen's relation to Englishness about the boundaries between elite and popular cultures and amateur and professional readerships and about the cultural work performed by the realist novel and the marriage plot The contributors are Barbara M Benedict Mary A Favret Susan Fraiman William Galperin Claudia L Johnson Deidre Lynch Mary Ann O Farrell Roger Sales Katie Trumpener and Clara Tuite
