Army, 1997-04 *Books in Print*, 1991 **Recycling Words** Katherine Cabrera, 2015-04-14 Poet Katherine Cabrera
presents Recycling Words in which she highlights the complicity of the mind and simplicity of the world This collection is the
scapegoat of the mind to the soul a passionately compelling journey of words connecting spirituality and mind yielding self
discovery Fantasizing You belong to me and our love already exist Your mind is not aware Your lips warmly touched mine
Your eyes carefully search for truth It all exists in the present and past Our arms soar across the sky Limitless we live Our
beliefs our wishes unite in a web smothering each other noticing the similarities Ive already tasted you Your sweet skin
searches for the bitterness of mine Your tender fingertips wrap my body and hesitantly proclaim ownership My nose has
already discovered your scent My heart already recognizes your voice your love It has all been discovered Open your eyes My
body already begs for you as your body anxiously wants mine Open your eyes Youve already fallen in love Youve already
existed in all my memories as I do in yours Your mind craves my uncertainties Your arms search for my insecurities Your
heart roams through my pain Youve already existed in my life as I continue to exist in yours Your mind cannot leave me your
heart grows inquisitive of mine You cannot live without me Open your eyes all that you see is not a fantasy
