Doak,2019-04-26 Authors from the ancient world rarely used great detail to describe the physical features of characters in their works When they did mention bodies they did so with very specific goals in mind In particular the bodies of heroic figures such as warriors kings and other

leaders became loaded sites of meaning for encoding cultural religious and political values on a number of fronts Brian Doak analyzes the way biblical authors described the bodies of some of their most iconic male figures such as Jacob the Judges Saul and David These bodies represent not mere individuals they communicate as national bodies signaling the ambiguity of Israel s murky pre history the division during the period of settlement in the land and the contest of leading bodies fought between Saul and David Heroic Bodies in Ancient Israel examines the heroic world of ancient Israel within the Hebrew Bible and shows that ancient Israelite literature operated within and against a world of heroic ideals in its ancient context The heroic body tells a story of Israel s remembered history in the eventual making of the monarchy marking a new kind of individual power Not merely a textual study of the Hebrew Bible in isolation this book also considers iconography and compares Israelite literature with other ancient Mediterranean and Near Eastern materials illustrating Israel s place among a wider construction of heroic bodies New Peterson Magazine ,1886 *A Critical Commentary and Paraphrase on the Old and New Testament and the Apocrypha: Genesis, Exodus, Leviticus, Numbers, Deuteronomy, Joshua* Simon Patrick,William Lowth,Richard Arnald,Daniel Whitby,Moses Lowman,1846 Contemporary Dance Lighting Carol M. Press,Vickie J. Scott,2022-09-23 Contemporary Dance Lighting The Poetry and the Nitty Gritty dynamically guides students toward aesthetically creatively and skillfully becoming lighting designers for dance in the 21st century The book is organized in three parts covering everything from the aesthetic considerations of lighting for dance to the tools and technology designers use to create compelling artistry Part I Beginnings establishes context explaining the structure of the book and illuminating the history of contemporary dance and lighting Part II The Poetry elaborates on the key artistic and aesthetic elements of contemporary dance lighting visual narrative controllable functions and qualities of light use of space color and time importance and intricacies of collaboration and continual effects and evolution of technology Part III The Nitty Gritty steers students through the technical knowledge and skills necessary to design lighting including understanding your tools and positioning instruments creating layered light plots organizing extensive paperwork and archiving The dance Artifice choreographed by Jerry Pearson is sequentially explored throughout the book to convey key concepts Further Reflections conclude each chapter written by a diverse group of renowned professionals inviting young designers directly into the world of lighting design This textbook is for use in Lighting Design and Design for Dance Lighting courses at the university level along with professional training programs A Decade of Nightmares Xiang-wu Liu,2018-08-08 Written in the form of satire this tragic story begins with a false report of two signal flares fired by a class enemy in a small town in South China during Mao Zedongs Cultural Revolution From 1966 to 1976 a haze of persecution confusion and hate befell China The so called class enemies were paraded through the streets and schools were closed Domestic calamities went head to head with political rebellions while spies ran rampant and property was cruelly confiscated There was an eventual fight for power as brothers mistreated brothers wives were stolen and families murdered Now decades later these silenced voices are

remembered in order to avoid the repetition of history A Decade of Nightmares reminds us of what is true good and beautiful but also what is false evil and ugly This book dissects the soul of a nation from a historical cross section It calls for the return of dignity and reveals the brutal persecution of the soul From the vicissitudes of fate we see clearly the extent and depth of the devastation caused by a decade of disaster **Last Year at Betty and Bob's** Sher Doruff,2018 **The Live Stock of**

Creating Context in Andean Cultures Rosaleen Howard-Malverde,1997-04-24 A major concern in current anthropological thinking is that the method of recording or translating into writing a society s cultural expressions dance rituals pottery the social use of space et al cannot help but fundamentally alter the meaning of the living words and deeds of the culture in question Consequently recent researchers have developed more dialogic methods for collecting interpreting and presenting data These new techniques have yielded much success for anthropologists working in Latin America especially in their efforts to understand how economically politically and socially subordinated groups use culture and language to resist the dominant national culture and to assert a distinct historical identity This collection addresses these issues of texts and textuality as it explores various Latin American languages and cultures **There's Nothing Like**
