HISTORY OF THE
SOVIET ARMY
OFFICER CORPS,
1918-1991**

Roger R. Reese

Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991

Massimo Mastrogregori

Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991:

Red Commanders Roger R. Reese, 2005 One of the largest and most feared military forces in the world the Red Army was a key player in advancing the cause of Soviet socialism Rising out of revolutionary era citizen militias it aspired to the greatness needed to confront its Cold War adversaries but was woefully unprepared to change with the times In this first comprehensive study of the Soviet officer corps Roger Reese traces the history of the Red Army from Civil War triumph through near decimation in World War II and demoralizing quagmire in Afghanistan to the close scrutiny it came under during Gorbachev's reform era Reese takes readers inside the Red Army to reconstruct the social and institutional dynamics that shaped its leadership and effectiveness over seventy three years He depicts the lives of these officers by revealing their class origins life experiences party loyalty and attitudes toward professionalism He tells how these men were shaped by Russian culture and Soviet politics and how the Communist Party dominated every aspect of their careers but never allowed them the autonomy they needed to cultivate a high level of military effectiveness Despite its struggle to develop and maintain professionalism the officer corps was often hampered by factors inextricably intertwined with the Soviet state Marxist theory revolutionary ideology friction between party and non party members and the influence of the army's political administration organs Reese shows that by rejecting the Western bourgeois model of military professionalism the state greatly limited its officer corps ability to develop a more effective military While a sense of group identity emerged among officers after World War II it quickly lost relevance in the face of postwar challenges especially the war in Afghanistan which underscored fatal flaws in command leadership Red Commanders offers new insight into the workings of a military giant and also restores Leon Trotsky to his rightful place in Soviet military history by featuring his ideas on building a new army from the ground up It is an important look behind the scenes at a military establishment that continues to face leadership challenges in Russia today

A Companion to World War II Thomas W. Zeiler, Daniel M. DuBois, 2012-12-21 A Companion to World War II brings together a series of fresh academic perspectives on World War II exploring the many cultural social and political contexts of the war Essay topics range from American anti-Semitism to the experiences of French African soldiers providing nearly 60 new contributions to the genre arranged across two comprehensive volumes A collection of original historiographic essays that include cutting edge research Analyzes the roles of neutral nations during the war Examines the war from the bottom up through the experiences of different social classes Covers the causes key battles and consequences of the war Romania's Holy War Grant T. Harward, 2021-11-15 Romania's Holy War rights the widespread myth that Romania was a reluctant member of the Axis during World War II In correcting this fallacy Grant T Harward shows that of an estimated 300 000 Jews who perished in Romania and Romanian occupied Ukraine more than 64 000 were in fact killed by Romanian soldiers Moreover the Romanian Army conducted a brutal campaign in German occupied Ukraine resulting in the deaths of thousands of Soviet prisoners of war partisans and civilians Investigating why Romanian soldiers fought and committed such atrocities

Harward argues that strong ideology a cocktail of nationalism religion antisemitism and anticommunism undergirded their motivation Romania s Holy War draws on official military records wartime periodicals soldiers diaries and memoirs subsequent war crimes investigations and recent interviews with veterans to tell the full story Harward integrates the Holocaust into the narrative of military operations to show that most soldiers fully supported the wartime dictator General Ion Antonescu and his regime s holy war against Judeo Bolshevism The army perpetrated mass reprisals targeting Jews in liberated Romanian territory supported the deportation and concentration of Jews in camps or ghettos in Romanian occupied Soviet territory and played a key supporting role in SS efforts to exterminate Jews in German occupied Soviet territory Harward proves that Romania became Nazi Germany s most important ally in the war against the USSR because its soldiers were highly motivated thus overturning much of what we thought we knew about this theater of war Romania s Holy War provides the first complete history of why Romanian soldiers fought on the Eastern Front *Armor and Blood* Dennis E. Showalter,2013 An account of a World War II tank battle between the Soviet Red Army and the Nazi Werhrmacht that proved to be a critical turning point on the Eastern Front *The Great Fear* James Harris,2016-02-25 Between the winter of 1936 and the autumn of 1938 approximately three quarters of a million Soviet citizens were subject to summary execution More than a million others were sentenced to lengthy terms in labour camps Commonly known as Stalin s Great Terror it is also among the most misunderstood moments in the history of the twentieth century The Terror gutted the ranks of factory directors and engineers after three years in which all major plan targets were met It raged through the armed forces on the eve of the Nazi invasion The wholesale slaughter of party and state officials was in danger of making the Soviet state ungovernable The majority of these victims of state repression in this period were accused of participating in counter revolutionary conspiracies Almost without exception there was no substance to the claims and no material evidence to support them By the time the terror was brought to a close most of its victims were ordinary Soviet citizens for whom counter revolution was an unfathomable abstraction In short the Terror was wholly destructive not merely in terms of the incalculable human cost but also in terms of the interests of the Soviet leaders principally Joseph Stalin who directed and managed it The Great Fear presents a new and original explanation of Stalin s Terror based on intelligence materials in Russian archives It shows how Soviet leaders developed a grossly exaggerated fear of conspiracy and foreign invasion and lashed out at enemies largely of their own making *Soviet State and Society Under Nikita Khrushchev* Melanie Ilic,Jeremy Smith,2009-04-06 This book examines the social and cultural impact of the thaw in Cold War relations decision making and policy formation in the Soviet Union under Nikita Khrushchev With individual case studies exploring key aspects of Khrushchev s period of office it offers an important new perspective on the Khrushchev era **Up in Arms** Adam E Casey,2024-04-02 An extraordinary must read Steven Levitsky New York Times bestselling coauthor of How Democracies Die look at how support from foreign superpowers propped up and pulled down authoritarian regimes during the Cold War

offering lessons for today's great power competition Throughout the Cold War the United States and Soviet Union competed to prop up friendly dictatorships abroad Today it is commonly assumed that this military aid enabled the survival of allied autocrats from Taiwan's Chiang Kai shek to Ethiopia's Mengistu Haile Mariam In *Up in Arms* political scientist Adam E Casey rebuts the received wisdom aid to autocracies often backfired during the Cold War Casey draws on extensive original research to show that despite billions poured into friendly regimes US backed dictators lasted in power no longer than those without outside help In fact American aid often unintentionally destabilized autocratic regimes The United States encouraged foreign regimes to establish strong independent armies like its own but those armies often went on to lead coups themselves By contrast the Soviets promoted the subordination of the army to the ruling regime neutralizing the threat of military takeover Ultimately Casey concludes it is subservient militaries not outside aid that help autocrats maintain power In an era of renewed great power competition *Up in Arms* offers invaluable insights into the unforeseen consequences of overseas meddling revealing how military aid can help pull down dictators as often as it props them up *Stalin's General* Geoffrey Roberts, 2012 A major profile of the Soviet general credited with a decisive role in key World War II victories compares his legend with his achievements while surveying his eventful post war experiences as Krushchev's disgraced defense minister 15 000 first printing **Lost to the Collective** Kenneth M. Pinnow, 2011-03-15 As an act of unbridled individualism suicide confronted the Bolshevik regime with a dilemma that challenged both its theory and its practice and helped give rise to a social science state whose primary purpose was the comprehensive and rational care of the population Labeled a social illness and represented as a vestige of prerevolutionary culture suicide in the 1920s raised troubling questions about individual health and agency in a socialist society provided a catalyst for the development of new social bonds and subjective outlooks and became a marker of the country's incomplete move toward a collectivist society Determined to eradicate the scourge of self destruction the regime created a number of institutions and commissions to identify pockets of disease and foster an integrated social order The Soviet confrontation with suicide reveals with particular force the regime's anxieties about the relationship between the state and the individual In *Lost to the Collective* Kenneth M Pinnow suggests the compatibility of the social sciences with Bolshevik dictatorship and highlights their illusory promises of control over the everyday life of groups and individuals The book traces the creation of national statistical studies the course of medical debates about causation and expert knowledge and the formation of a distinct set of practices in the Bolshevik Party and Red Army that aimed to identify the suicidal individual and establish his or her significance for the rest of society Arguing that the Soviet regime represents a particular response to the pressures and challenges of modernity the book examines Soviet socialism from its intense concern with the individual to its quest to build an integrated society as one response to the larger question of human unity *Encyclopedia of the Cold War* Ruud van Dijk, William Glenn Gray, Svetlana Savranskaya, Jeremi Suri, Qiang Zhai, 2013-05-13 Between 1945 and 1991 tension between the USA its allies and a group of nations led by the

USSR dominated world politics This period was called the Cold War a conflict that stopped short of a full blown war Benefiting from the recent research of newly open archives the Encyclopedia of the Cold War discusses how this state of perpetual tensions arose developed and was resolved This work examines the military economic diplomatic and political evolution of the conflict as well as its impact on the different regions and cultures of the world Using a unique geopolitical approach that will present Russian perspectives and others the work covers all aspects of the Cold War from communism to nuclear escalation and from UFOs to red diaper babies highlighting its vast ranging and lasting impact on international relations as well as on daily life Although the work will focus on the 1945-1991 period it will explore the roots of the conflict starting with the formation of the Soviet state and its legacy to the present day *Stalin's Defectors* Mark Edele, 2017-06-16

Stalin's Defectors is the first systematic study of the phenomenon of frontline surrender to the Germans in the Soviet Union's Great Patriotic War against the Nazis in 1941-1945 No other Allied army in the Second World War had such a large share of defectors among its prisoners of war Based on a broad range of sources this volume investigates the extent the context the scenarios the reasons the aftermath and the historiography of frontline defection It shows that the most widespread sentiments animating attempts to cross the frontline was a wish to survive this war Disgruntlement with Stalin's socialism was also prevalent among those who chose to give up and hand themselves over to the enemy While politics thus played a prominent role in pushing people to commit treason few desired to fight on the side of the enemy Hence while the phenomenon of frontline defection tells us much about the lack of popularity of Stalin's regime it does not prove that the majority of the population was ready for resistance let alone collaboration Both sides of a long standing debate between those who equate all Soviet captives with defectors and those who attempt to downplay the phenomenon then over stress their argument Instead more recent research on the moods of both the occupied and the unoccupied Soviet population shows that the majority understood its own interest in opposition to both Hitler's and Stalin's regime The findings of Mark Edele in this study support such an interpretation **Agents of Terror** Alexander Vatin, 2016-10-11 During Stalin's Great Terror more than a million Soviet citizens were arrested or killed for political crimes they did not commit Who carried out these purges and what motivated them Alexander Vatin opens up the world of the Soviet perpetrators using detailed evidence from one Moscow suburb Spurred by ambition or fear local secret police rushed to fulfill quotas for arresting enemies of the people even when it meant fabricating evidence Vatin confronts head on issues of historical agency and moral responsibility in Stalin era crimes **2005** Massimo Mastrogregori, 2009-12-22 Annually published since 1930 the International Bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The IBOHS is thus currently the only continuous bibliography of its kind covering such a broad period of time spectrum of subjects and geographical range The works are arranged systematically according to period region or historical discipline

and alphabetically according to authors names or in the case of anonymous works by the characteristic main title word The bibliography contains a geographical index and indexes of persons and authors Little Soldiers Olga

Kucherenko,2011-01-13 Germany's war against the Soviet Union raised a small army of child soldiers Thousands of those below the enlistment age served with regular and paramilitary formations even though they were not formally mobilised or allowed at the front For several decades after the war these youngsters played an important part in Soviet remembrance culture though their true experiences were obscured by the myth of the Great Patriotic War Situated at the crossroads of social cultural and military history Little Soldiers is the first to tell the story of the Soviet Union's child soldiers in a critical and systematic fashion Focusing on the mechanisms and psychological consequences of propaganda on Soviet children as well as their combat deployment Kucherenko adopts a three tier approach to writing the history of childhood from above from below and from within A wide variety of new sources provide insight into young soldiers combat motivations and the roles they played in the field as well as their routine experiences and relationship with older comrades Far from being victims Soviet child soldiers emerge as independent social actors capable of making choices about their behaviour Little Soldiers interconnects with matters of increasing importance the role of propaganda in military conflicts the totalization of warfare child soldiering and social reflexivity *The Great War in Russian Memory* Karen Petrone,2011-07-14 Karen Petrone

shatters the notion that World War I was a forgotten war in the Soviet Union Although never officially commemorated the Great War was the subject of a lively discourse about religion heroism violence and patriotism during the interwar period Using memoirs literature films military histories and archival materials Petrone reconstructs Soviet ideas regarding the motivations for fighting the justification for killing the nature of the enemy and the qualities of a hero She reveals how some of these ideas undermined Soviet notions of military honor and patriotism while others reinforced them As the political culture changed and war with Germany loomed during the Stalinist 1930s internationalist voices were silenced and a nationalist view of Russian military heroism and patriotism prevailed **Demobilized Veterans in Late Stalinist**

Leningrad Robert Dale,2015-10-29 This book investigates the demobilization and post war readjustment of Red Army veterans in Leningrad and its environs after the Great Patriotic War Over 300 000 soldiers were stood down in this war ravaged region between July 1945 and 1948 They found the transition to civilian life more challenging than many could ever have imagined For civilian Leningraders reintegrating the rapid influx of former soldiers represented an enormous political economic social and cultural challenge In this book Robert Dale reveals how these former soldiers became civilians in a society devastated and traumatized by total warfare Dale discusses how and how successfully veterans became ordinary citizens Based on extensive original research in local and national archives oral history interviews and the examination of various newspaper collections Demobilized Veterans in Late Stalinist Leningrad peels back the myths woven around demobilization to reveal a darker history repressed by society and concealed from historiography While propaganda

celebrated this disarmament as a smooth process which reunited veterans with their families reintegrated them into the workforce and facilitated upward social mobility the reality was rarely straightforward Many veterans were caught up in the scramble for work housing healthcare and state hand outs Others drifted to the social margins criminality or became the victims of post war political repression *Demobilized Veterans in Late Stalinist Leningrad* tells the story of both the failure of local representatives to support returning Soviet soldiers and the remarkable resilience and creativity of veterans in solving the problems created by their return to society It is a vital study for all scholars and students of post war Soviet history and the impact of war in the modern era

For the Soul of Mankind Melvyn P. Leffler, 2008-09-02 A masterful account of the Cold War by a distinguished historian in full stride G John Ikenberry *Foreign Affairs* To the amazement of the public pundits and even the policymakers themselves the ideological and political battles that endangered the world for half a century came to an end in 1990 How did that happen What caused the cold war in the first place and why did it last as long as it did To answer these questions Melvyn P Leffler homes in on four crucial episodes when American and Soviet leaders considered modulating avoiding or ending their global struggle for the soul of mankind and asks why they failed Stalin and Truman devising new policies after 1945 Malenkov and Eisenhower exploring the chance for peace after Stalin's death in 1953 Kennedy Khrushchev and LBJ trying to reduce tensions after the Cuban Missile Crisis of 1962 and Brezhnev and Carter aiming to sustain détente after the Helsinki Conference of 1975 Leffler then illuminates how Reagan Bush and above all Gorbachev managed to extricate themselves from the policies and mind sets that had imprisoned their predecessors making it possible to reconfigure Soviet American relations after decades of confrontation Praise for *For the Soul of Mankind* A sweeping work Leffler is one of America's most distinguished cold war historians and this enlightening readable study is the product of years of research and reflection Jonathan Rosenberg *The Christian Science Monitor* Leffler has produced possibly the most readable and insightful study of the Cold War yet Publishers Weekly starred review Professor Leffler has the benefit of almost two decades of hindsight as well as access to recently declassified American and Soviet documents The result is a series of fresh and often provocative perspectives on the struggle Booklist

The Soviet Union at War, 1941-1945 David Stone, 2010-11-10 Hitler's invasion of the Soviet Union in 1941 precipitated a massive clash of arms that gave rise to destruction and suffering on an unprecedented scale The outcome of this ruthless struggle on the Eastern Front was decisive for the course of the war in Europe Yet the campaigns fought there still receive less attention than those fought by the Western Allies and are less well understood That is why this new survey of the Soviet Union during the Second World War edited by David R Stone is so timely and significant Stone has brought together a distinguished group of experts who give a penetrating reassessment of the Soviet war effort and economy They offer a telling insight into the way in which enormous obstacles were overcome and sacrifices were made in order to achieve an overwhelming victory that changed the shape of Europe Their wide ranging analysis seeks to dispel myths and misperceptions that have distorted our understanding of the

performance of the Red Army and the Soviet people Editor David R Stone is professor of history at Kansas State University He is a leading authority on the military and political history of the Soviet Union in the 1920s and 1930s As well as writing numerous journal articles he is the author of two major studies *A Military History of Russia From Ivan the Terrible to the War in Chechnya* and *Hammer and Rifle The Militarization of the Soviet Union 1926-1933* Monumental Conflicts Derek R. Mallett, 2017-11-13 *Monumental Conflicts* examines 20th century wars from the First World War to the First Gulf War each chapter analyzing how public memory has evolved over time The chapters raise fascinating questions about war and memory Why are wars remembered as they are What factors drive changes in public perception What implications arise from remembering and commemorating a war or particular aspects of a war What does public memory of a war say about us as a society The volume is divided into three sections focusing on political evolution negotiated memories of war and national pride and covers international wars from Afghanistan to Vietnam and German deserter monuments to Vietnamese war tourism

When Titans Clashed David M. Glantz, Jonathan M. House, 2015-10-16 On first publication this uncommonly concise and readable account of Soviet Russia's clash with Nazi Germany utterly changed our understanding of World War II on Germany's Eastern Front immediately earning its place among top shelf histories of the world war Revised and updated to reflect recent Russian and Western scholarship on the subject much of it the authors own work this new edition maintains the 1995 original's distinction as a crucial volume in the history of World War II and of the Soviet Union and the most informed and compelling perspective on one of the greatest military confrontations of all time In 1941 when Pearl Harbor shattered America's peacetime pretensions the German blitzkrieg had already blasted the Red Army back to Moscow Yet less than four years later the Soviet hammer and sickle flew above the ruins of Berlin stark symbol of a miraculous comeback that destroyed the Germany Army and put an end to Hitler's imperial designs In swift and stirring prose *When Titans Clash* provides the clearest most complete account of this epic struggle especially from the Soviet perspective Drawing on the massive and unprecedented release of Soviet archival documents in recent decades David Glantz one of the world's foremost authorities on the Soviet military and noted military historian Jonathan House expand and elaborate our picture of the Soviet war effort a picture sharply different from accounts that emphasize Hitler's failed leadership over Soviet strategy and might Rafts of newly available official directives orders and reports reveal the true nature and extraordinary scale of Soviet military operations as they swept across the one thousand miles from Moscow to Berlin featuring stubborn defenses and monumental offensives and counteroffensives and ultimately costing the two sides combined a staggering twenty million casualties Placing the war within its wider context the authors also make use of recent revelations to clarify further the political economic and social issues that influenced and reflected what happened on the battlefield Their work gives us new insight into Stalin's political motivation and Adolf Hitler's role as warlord as well as a better understanding of the human and economic costs of the war for both the Soviet Union and Germany While incorporating a wealth of new information *When*

Titans Clashed remains remarkably compact a tribute to the authors determination to make this critical chapter in world history as accessible as it is essential

Reviewing **Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing. Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991 Introduction

Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991 Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991 Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991 : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991 : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991 Offers a diverse range of free eBooks across various genres. Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991, especially related to Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some

Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991 books or magazines might include. Look for these in online stores or libraries. Remember that while Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991 full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991 eBooks, including some popular titles.

FAQs About Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991 is one of the best book in our library for free trial. We provide copy of Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991. Where to download Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991 online for free? Are you looking for Red Commanders A Social History Of The Soviet Army Officer Corps 1918 1991 PDF? This is definitely going to save you time and cash in something you should think about.
