Phelan,2014-08-11 In Dance in Ireland Steps Stages and Stories Sharon Phelan provides an in depth view of dance in Ireland during the colonial and post colonial eras She presents dance as an integral part of Irish life and as a signifier of cultural change Central themes are documented and analysed They include cross cultural influences the dance master and pantomimic dance traditions dance during the Gaelic Revival dichotomies in dance and the theatricalisation of Irish dance The book is illustrated with photographs and it is an indispensable resource for academics and artists alike as they continue to foster dance on the page and on the stage The Dramas and Dramatic Dances of Non-European Races in Special Reference to the Origin of Greek Tragedy William Ridgeway,1915 **Dream World** Belinda Weston Gulley,2011-02-10 I grew large yet I shrunk small I rose up yet I shrunk down low I knew this feeling well I was entering the dream world I stood outside of the cave of a thousand eyes and I began to feel rain pouring down on me I lifted my hand and looked at it and it was then that I realized I was not being covered with rain drops I was being covered with blood and this blood was that of my people that was shed during the battle to keep our homeland The legendary battle of the removal of the Cherokee known as the Trail of Tears Although I stand as one spirit I have lived many lifetimes Past meets present and present meets the past I entered the dream world hoping to find the answer and knowing I had fought many battles with the evil one and it always begins the same way by entering the dream world where my spirit guide Nonauma awaits for the past and the present to merge and become stronger stronger for the battle between good and evil The dream world is universal all beings go there but there are those few who stay longer sometimes hours sometimes days yet have only closed their eyes for a moment Morning Star and Olivia posses this gift and although they are two separate people they have one thing in common they share the same spirit Morning Star is Olivia s past life and Olivia is Morning Stars future life Together they must battle an angry entity simply called the evil one The evil one will do anything to capture and keep the girls gift of sight With this power he can rule many people therefore making it easier to cause chaos and disaster The evil one controls the bees and snakes and

he uses them all to try and get an upper hand on the girls He is much like the coyote full of trickery But there is one rule that even he must follow and that is he can not take this gift away from either girl they must give it to him out of their own free will Both girls are born with a marking upon their palm a perfect medicine wheel and this mark holds the key that can destroy the evil one Who is the dream and who is the dreamer Well that is for you the reader to decide Although the girls are from different eras their battle has not changed The dream world is mystical and magical and it is a place with no boundaries At times it is hard for both girls to know whether they are in the good dream world or the world of bad dreams where the evil one lurks waiting for the right time to deceive the girls Their battles are legendary amongst Morning Stars people but in Olivia s world she stands alone isolated within the truth and it is only in the dream world that she finds freedom to use her gift without any worries of being different

Mayfield,2011-10 A highly evolved civilization almost unknown to history thrived in North America for centuries long before the coming of Europeans The Camp of God s Tears is a tragic tale about this civilization as it ended This story is grounded in fact according to archeological genetic and linguistic data as reflected in the Afterward which presents supportive information and a bibliography of nearly 400 sources This saga is told as a narrative by Gray Wolf who begins his story during his late adolescence and follows through six generations until he becomes a great grandfather The Camp of God s Tears reveals the high level of sophistication of this culture which was far more advanced than many cultures of the same time period circa 300 AD More importantly it articulates the depth of their spirituality and moral codes by which these people lived While the mysterious ending of a great culture is heart rendering the story ends on a note of hope for contemporary times The story came to me in a dream It was told to me by Falling Star She answered a myriad of questions I asked She showed me the locations of where the events in the story took place She showed me her People who wore exotic clothes made of finely woven textiles decorated with pearls copper and
