## Red Hearts:

*The freedom of green hearts* Mara Joana Melcher, 2025-08-12 The author has been haunted since childhood by the bewilderment she felt at how adults treated and abused her She was certain from an early age that God could never have wanted this Despite all the silence denial and threats from adults she never stopped searching for truth and justice On her own she builds a life for herself in which she surpasses herself as a nurse But the deep inner wounds cannot be ignored in the long run and only a mixture of deep faith refreshing humor and genuine compassion allows her to not lose hope for a better life through all the crises breakdowns and new beginnings

**Shattered Dreams** Peter Josie, 2012-05-22 An often thrilling first hand account of island politics in the era after independence The St Lucia Labour Party SLP comes to power after 15 years in the wilderness and hardly settles into office before it is rent asunder by internal bickering over its leadership In less than three years the party is out of office again and both it and its main characters are fighting for their respective political lives SHATTERED DREAMS is the story of the ups and downs of political activism and the personalities and events that shaped the emergence of the Caribbean island for whose possession the English and French fought some of the bloodiest in this hemisphere in the 18th century In SHATTERED DREAMS Josie attempts to show how the rise to power in sister island Grenada of the Peoples Revolutionary Government PRG under Marxist Maurice Bishop in 1979 influenced super power involvement in the affairs of the Caribbean islands and could have contributed handsomely to the demise of both the SLP in the St Lucia and the PRG in Grenada

**The Cultural Revolution and Overacting** Tuo Wang, 2014-09-24 The Great Proletarian Cultural Revolution which took place in China between 1966 and 1976 was a major political and social tragedy in Chinese history As part of an effort to understand how the state enforced control amid seeming chaos this book looks at the ubiquitous revolutionary presentations and performances of power such as political rituals revolutionary rhetoric and public gatherings in people s everyday lives during the Cultural Revolution as performances that contributed to the control of the Chinese people In particular this book discusses how the promotion of revolutionary models in real life contributed to people s eagerness to perform the role of the ideal revolutionary and how the possibility of complete revolutionary transformation promoted by the state media and the hard fact that no one was able to completely become a Maoist subject who would be completely selfless and think and speak only Maoist teaching subjected people to a state of becoming but never fully having become The fear of failing in the Maoist transformation constituted the inner mechanism that propelled ordinary people s radical revolutionary behavior In addition this book examines the audience s reaction to Jiang Qing s court performance in the trial of the Gang of Four as an anarchic liberation from the revolutionary performance of the Cultural Revolution Utilizing methodologies of cultural anthropology linguistics acting theory and literary criticism this book reveals how people s performances of their everyday life functioned as mechanisms of social control
