RED HORSE ELÇİN ÜNEN,2025-03-10 RED HORSE As Red ran freely through the fields it was understood that there was a trusting friendship between Mary and it the horse she was riding The horse was going very fast Mary was directing it in that way No one could catch up with their speed Mary was very good at riding horses not only on flat roads but also on mountain and rocky areas because she had grown up with horses since she was born Mary was the only child of the family When she was a baby her father Mr Luke always made her ride horses so that she got used to it Mr Luke owned a horse farm just outside the city in an area with other farms These farms were all based on animal husbandry There was one chicken farm One of them was a farm where large animals such as cows and cattles were raised Her mother her father and Mary were a peaceful family who looked after horses on their horse farm They had nearly 100 horses Most of these horses were retired from racing and some were injured racehorses which would never race again Mr Luke together with his assistant and horseman Uncle Wise would buy these horses from their owners at a reasonable price provide them with the necessary care and then retrain them to be used in daily tasks The Red Horse James R.
