Barry Lyndon released in 1975 Unlike the film the novel is narrated by Barry himself who functions as a quintessentially unreliable narrator Crime and Punishment focuses on the mental anguish and moral dilemmas of an impoverished ex student in Saint Petersburg who formulates a plan to kill an unscrupulous pawnbroker for her money Before the killing Raskolnikov believes that with the money he could liberate himself from poverty and go on to perform great deeds However once it is done he finds himself racked with confusion paranoia and disgust for what he has done His moral justifications disintegrate completely as he struggles with guilt and horror and confronts the real world consequences of his deed Long established as one of the greatest novels Madame Bovary has been described as a perfect work of fiction Henry James wrote Madame Bovary has a perfection that not only stamps it but that makes it stand almost alone it holds itself with such a supreme unapproachable assurance as both excites and defies judgment The realist movement was in part a reaction against romanticism Emma may be said to be the embodiment of a romantic in her mental and emotional process she has no relation to the realities of her world This is one of many books in the series 3 Books To Know If you liked this book look for the other titles in the series we are sure you will like some of the topics

Chick lit is the marketing label attributed to a surge of books published in the wake of Helen Fielding's Bridget Jones's Diary 1996 and Candace Bushnell's Sex and the City 1997 Branded by their pink or pastel coloured book covers chick lit novels have been a highly successful and ubiquitous product of women's popular culture since the late 1990s This study traces the evolution of chick lit not only as a genre of popular fiction but as a cultural phenomenon It complicates the genealogy of the texts by situating them firmly in the context of age old debates about female literary creation and by highlighting the dynamics of the popular fiction market Offering a convincing dissection of the formula which lies at the heart of chick lit as well as in depth analyses of a number of chick lit titles ranging from classic to more recent and edgier texts this book yields new insights into a relatively young field of academic study Its close readings provide astute assessments of chick lit's notoriously skewed representational politics especially with regard to sexuality and ethnicity which feed into current discussions about postfeminism Moreover the study makes a unique contribution to the scholarly debate of chick lit by including an analysis of the online fan communities the genre has fostered The Cultural Politics of Chick Lit weaves a sound methodological network drawing on reader response criticism feminist gender and queer theory affect studies and whiteness studies This book is an accessible and engaging study for anyone interested in postfeminism and popular culture Sweet Nothings Tawny Weber, 2015-10-13 What's a girl determined to get rid of her reputation as being pure as driven snow to do Find a prince of a guy to help her out of course Bianca White was sick and tired of being as sweet as sugar and pure as snow What she wanted was a hot wild affair with a guy who could make her forget all her inhibitions And she found the perfect
