not to listen or to give up or keep going These are inspirational moments and moments of impact These are the moments I call A Few Steps in the Right Direction We all have these moments Moments that somehow leave a lasting impact on the direction of our lives Some come out of nowhere whereas others we see coming like headlights on a dark road Nevertheless if handled carefully these moments can serve as a few steps in the right direction if we allow them to So in this book I aim to share some of those moments with you from my life and what that has meant for my journey I hope it blesses you as much as it blessed me
