Red Dog Louis De Bernières, 2001 In early 1998 I went to Perth in Western Australia in order to attend the literature festival and part of the arrangement was that I should go to Karratha to do their first ever literary dinner Karratha is a mining town a long way further north The landscape is extraordinary being composed of vast heaps of dark red earth and rock poking out of the never ending bush I imagine that Mars must have a similar feel to it I went exploring and discovered the bronze statue to Red Dog outside the town of Dampier I felt straight away that I had to find out more about this splendid dog A few months later I returned to Western Australia and spent two glorious weeks driving around collecting Red Dog stories and visiting the places that he knew writing up the text as I went along I hope my cat never finds out that I have written a story to celebrate the life of a dog

Red R.C. Besteder, 2022-11-03 Red The Saga of Red Dog is the first of two volumes on a redbone hound of wolf mix that became a ferial dog and one of her pups Rot In this book and the second two significant questions asked by dog lovers are answered The first has to do with whether a dog has a soul and the second is whether a dog has an afterlife Question one is answered in the first book and question two will be answered in the second Red was a real dog but her story is presented in a fictional narrative A principle is illustrated namely that the righteous care for their animals As opposed to animal abuse what happened to Red is intended to enlighten readers on the proper way to treat one s dog There is mystery in the composition of Red It s left to the reader to pick up the many hints the author has in mind and in one special instance what appears to be a contradiction has a deeper meaning for the reader to comprehend This book is quite educational and will contribute to the reader s knowledge and appreciation of dogs The background of the early life of Red is one in which the author was reared and is presented with great detail and accuracy Note Red s first Christmas The raccoon hunt was an actual experience of the writer Red born in Pennsylvania runs with wolves through New York and into Canada and in her sojourn ends up in Florida Red is fast moving and exciting It was written with great emotion and it is hoped that you will be inwardly compelled to follow the good against evil plot to the completion of Rot son of Red
