Adobe Photoshop 6.0 Studio Techniques Ben Willmore, 2001 Adobe Photoshop 6.0 Studio Technique goes beyond rote instruction and provides the kind of personal insight and information that will truly help you understand and appreciate Adobe Photoshop. Author Ben Willmore, who has taught Photoshop to more than 6,000 users in his popular seminar, divides the book into three sections. Readers will start with the working foundations of Photoshop, learning the basic tools and palettes and then move on to production skills, learning how to capture great scans and how to tweak images to perfection. Finally, Willmore explores the creative aspects of Photoshop, showing users how to blend images together, master colorizing techniques, and create advanced type effects. Throughout the book, Willmore explains complex features and jargon in simple, understandable terms. The companion CD contains sample images to work with throughout each lesson, as well as demo plug-ins and software.

Blurred: Selves Made and Selves Making Andrew Oberg, 2020-10-12 The question of the self, of what the self is or even if there is a self, has been one that has grown alongside humanity, has haunted humanity throughout our history. *Blurred: Selves Made and Selves Making* guides the reader down these dark corridors, shining light on the specters of theories past and unveiling a new self-view to hover afresh, beckoning to roadways beyond. In this remarkably interdisciplinary study, philosophy of mind joins with contemporary neuroscience and cutting-edge psychology to lay bare the how of identity formation, judgment, and behavior generation. Drawing on thinkers from both the Continental and Analytic traditions, consciousness is explored, and a uniquely realist self-concept is presented that, if adopted, offers a life lived otherwise.

A Memory Beginning with 'R' Shubhajoy Biswas, 2017-04-06 A Memory Beginning with R. Ashish was like any other guy next door: loved cricket and shook a leg or two at a suitable beat. Things began to change when he entered into a relationship, his first relationship, which had defined him as a person and a partner. Many years later, they had the opportunity to meet again, as time and destiny conspired to place him in the predicament he wondered who he would find at the other end of the table: a friend he had abandoned in the past or a stranger from a bygone era. *A Story Told and Untold*. She was a devoted mother, a single mother. Coming from a conservative Indian family, she had fought tooth and nail to keep the child, the remnant from a one-sided affair she had with a person she loved. Years later, when destiny would pitch her against her long-lost love, would she flee again like she had in the past, or would she be ready to share that which rightfully belonged to both of them? *Closure*. An angry family, a divisive society, and a curious nephew, all were on the periphery of his thoughts when he was flying to New Jersey. But R_ had made up his mind to visit his friend in Texas one last time, against everyone's better judgement. As that rendezvous came closer, he wondered if he was suitably prepared for that one last conversation. *The Morgue and Me*. John C. Ford, 2015-02-24 Eighteen-year-old Christopher, who plans to be a spy, learns of a murder cover-up through his summer job as a morgue assistant and teams up with Tina, a gorgeous newspaper reporter, to investigate, despite great danger.
