Red Ribbons A Story Of Missoula And Its Newspaper:

Red Ribbons John H. Toole, 1989 A story of Missoula and its newspaper A Guide to Historic Missoula Allan James Mathews, 2002 The sixth volume in the Montana Mainstreet series A Guide to Historic Missoula points readers to the buildings historic sites and parks that act as monuments to Missoula's and Montana's history **When Money Grew on Trees** Greg Gordon, 2014-04-02 Born in the timber colony of New Brunswick Maine in 1848 Andrew Benoni Hammond got off to an inauspicious start as a teenage lumberjack By his death in 1934 Hammond had built an empire of wood that stretched from Puget Sound to Arizona and in the process had reshaped the American West and the nation's way of doing business When Money Grew on Trees follows Hammond from the rough and tumble world of mid nineteenth century New Brunswick to frontier Montana and the forests of Northern California from lowly lumberjack to unrivaled timber baron Although he began his career as a pioneer entrepreneur Hammond unlike many of his associates successfully negotiated the transition to corporate businessman Against the backdrop of western expansion and nation building his life dramatically demonstrates how individuals more than the impersonal forces of political economy shaped capitalism in this country and in doing so transformed the forests of the West from functioning natural ecosystems into industrial landscapes In revealing Hammond's instrumental role in converting the nation's public domain into private wealth historian Greg Gordon also shows how the struggle over natural resources gave rise to the two most pervasive forces in modern American life the federal government and the modern corporation Combining environmental labor and business history with biography When Money Grew on Trees challenges the conventional view that the development and exploitation of the western United States was dictated from the East Coast The West Gordon suggests was perfectly capable of exploiting itself and in his book we see how Hammond and other regional entrepreneurs dammed rivers logged forests and leveled mountains in just a few decades Hammond and his like also built cities towns and a vast transportation network of steamships and railroads to export natural resources and import manufactured goods In short they established much of the modern American state and economy *Copper Chorus* Dennis L. Swibold, 2006 This is the first book devoted to Montana's long history of industrial newspaper ownership and the consequences for democracy The work also reveals the costs paid by owners and their journalists whose credibility eroded as their increasingly constricted newspapers lapsed into ambivalence and indifference The story offers a timeless study of the conflict between commerce and the notion of a free and independent press **The Why, Who, and how of the Editorial Page** Kenneth Rystrom, 1999 Montana's Home Front During World War II Dennis E. McClendon, Gary Glynn, Wallace F. Richards, 1994 This book is about ordinary people doing extraordinary things It is written to recognize all of the Montanans who played a part no matter how small in winning the war Not all of the story is pretty but it is a story that needed to be told **The North Dakota Quarterly**, 2007 **PNLA Quarterly** Pacific Northwest Library Association, 1989 *Forthcoming Books* Rose Arny, 1990 Paperbound Books in Print, 1991 □□ □□ □□ □□, 1990 **Subject Guide to Books in Print**

,1975 National 4-H Club News ,1953 **Fenceline and Other Stories** Jeremy Sayers,2014-07-03 Though it may be difficult to believe the eleven stories in this collection are based in truth Author Jeremy Sayers hails from a family of adventurers and farmers His father s family came to America in 1715 and settled in Virginia His mother s family arrived much later immigrants and migrants All together these people were coal miners blacksmiths and cowboys Most of all they were believers in whatever it was that let them survive one sunrise to another And they were storytellers Fencline and Other Stories brings some of those tales to life Like the myths of ancient cultures the Greeks Hindus Hebrews and Native Americans these stories tell about a particular time and place But they also contain something timeless These stories give us reasons to laugh and to mourn And the characters in these tales teach us something about coping with strife as we share little parts of their lives *Northwest Illustrated Monthly Magazine* ,1889 The American Bookseller ,1891 Field and Stream ,1922 National 4-H News ,1954 **Pacific Coast Livestock Breeder** ,1920 **The Church Standard** ,1905
