**Regional Differences in America** Alfred N. Garwood,1988-10      **Regional Differences in America** Alfred N. Garwood,1988      **Statistical Reference Index** ,1980      **Abortion and Dialogue** Ruth Colker,1992-09-22 The issues she takes on are crucial not solely the subject areas of reproductive rights and law or public policy lenses and judicial impact in women s and children s lives but also the more difficult and fundamental questions of how these hot topics can be approached so as to make the most of the good will of all and the force of free discussion for social learning she brings a strong evolving and distinctive perspective to the discussion Emily Fowler Hartigan In **Abortion and Dialogue** Ruth Colker argues that the state falsely views the woman and the fetus as having conflicting needs when it intervenes in decisions regarding pregnancies Colker s feminist theological perspective on reproductive health issues encourages both pro choice and pro life advocates to consider how the value of life is implicated in discussions of reproduction Colker argues that theology can contribute to our understanding if we apply the concepts of love compassion and wisdom to problems identified by feminist theory and to actual concrete situations the impact of abortion regulations on poor female adolescents the judicial treatment of abortion regulations state intervention into women s decision making during pregnancies carried to term Colker concludes by examining effective and respectful family planning strategies that truly help women in making reproductive choices      [Statistical Reference Index ... Annual](#) ,1990      **Substance Abuse and Mental Health Statistics Sourcebook** Beatrice A. Rouse,1995      **Cultural Issues in Criminal Defense** Linda Friedman Ramirez,2010-08-01 The one essential treatise for representing immigrant and diverse clients up to date with *Padilla v Kentucky* with jurisprudence and practice tips relevant to all stages of representation from interviewing clients to handling post conviction and relief This treatise will be of interest to public defender offices as well as private practitioners Keeping pace with the rapidly changing face of America *Cultural Issues in Criminal Defense* 3rd edition is the complete reference guide to one of the most challenging and topical subjects in contemporary criminal law *Cultural Issues in Criminal Defense* is an indispensable book for the criminal defense lawyer representing people from other cultures nationalities or ethnic backgrounds Lawyers defending these individuals face a host of characteristic concerns that include cultural barriers to communication the need for qualified interpreters unique Fourth and Fifth Amendment issues cultural defenses issues involving Native Americans the immigration consequences of a conviction and distinctive sentencing issues Packed with practice tips and helpful precedent cases *Cultural Issues in Criminal Defense* is the only book on the market that walks the practitioner through these issues in a clear comprehensive and systematic way Extensively updated and expanded for its third edition the guide now includes chapters on stimulating new subjects such as consular assistance issues gathering evidence abroad language proficiency concerns and international prisoner transfers      *The Index of Leading Cultural Indicators* William J. Bennett,2011-08-03 For decades Americans have turned to the Commerce Department s Index of Leading Economic Indicators to spot trends in the economy

The Index of Leading Cultural Indicators brings a similar kind of empirical analysis to the moral social and behavioral condition of American society from 1960 to the present a vivid clearly accessible portrait in numbers of who and where we are as a nation First published in 1994 and now completely updated and considerably expanded it draws from a wide array of government sources and academic studies to offer comprehensive chapters on crime the family youth behavior education popular culture and religion as well as new chapters on civic participation international comparisons and decade by decade comparisons For each topic covered there are statistical and numerical breakdowns tables and graphs ranking of states and a Factual Overview interpreting the data The Index of Leading Cultural Indicators should serve as the starting point of any discussion about America s moral and cultural condition William J Bennett s provocative introduction provides the essential context and perspective for the data he s collected offering an assessment of the problems besetting modern America Some have gotten better most notably crime and welfare rates leading him to conclude that politics and public engagement in social issues can make more of a difference than he once thought But there is much else of a worrying nature and Bennett pulls no punches in identifying pathologies and laying out the challenges we face No one who cares about American society and a whole range of social issues can afford to be without this essential volume a statistical snapshot an invaluable sourcebook and a call to action     *Substance Abuse and Mental Health Statistics Sourcebook* United States.
