Regional Human Rights A Comparative Study Of The West European And Inter American Systems:

Regional Human Rights Alfred Glenn Mower,1991-07-30 2 National political systems **Emerging Regional Human Rights Systems in Asia** Tae-Ung Baik,2012-11-01 Asia is the only area in the world that does not have a human rights court or commission covering the region as a whole However a close look at recent developments in the region especially in East Asia shows that a human rights system is emerging Various activities and initiatives for human rights cooperation are developing in Asia at the regional sub regional and national levels Since the establishment of the ASEAN human rights body AICHR in 2009 the need for a review of the regional human rights mechanisms in Asia is stronger than ever With a primary focus on twenty three East Asian states Tae Ung Baik highlights the significant changes that have taken place in recent decades and demonstrates that the constituent elements of a human rights system norms institutions and modes of implementation are developing in Asia The Prospects for a Regional Human Rights Mechanism in East Asia (RLE Modern East and South East Asia) Hidetoshi Hashimoto,2015-05-15

Regional inter governmental human rights organizations have been in operation for sometime in Europe the Americas and Africa These regional human rights mechanisms have proven to be useful and effective in comparison to the global human rights mechanisms available at the United Nations The purpose of this study first published in 2004 is to investigate the possibility of establishing a regional inter governmental human rights mechanism in East Asia with a focus on the contributions of nongovernmental organizations NGOs to such a development

Regional Protection of Human Rights Dinah Shelton,Paolo G. Carozza,2013-05-30 In the second edition of Regional Protection of Human Rights Dinah Shelton examines the development of regional organizations and the role that human rights plays in them *Regional Organizations and Democracy, Human Rights, and the Rule of Law* Sören Stapel,2022-01-10 This book explores when why and how regional organizations adopt and design institutions to promote and protect fundamental standards of democracy human rights and rule of law in their member states These regional institutions have spread globally While their institutional designs have become increasingly similar over time regional particularities persist The book identifies factors that generate the demand for regional institutions and shape its institutional design The argument combines hitherto juxtaposed explanatory factors of demands and diffusion by integrating them in a single framework and clarifying under what conditions the interplay between demands and diffusion plays out in the adoption and design of regional institutions The book provides a comprehensive overview of regional democracy human rights and rule of law institutions based on two original datasets and draws on multivariate statistical analysis as well as case studies on the making and change of regional institutions in the Organization of American States and the Organization of African Unity African Union **Encyclopedia of the Inter-American System** G. Pope Atkins,1997-03-18 A reference guide to all the elements of the Inter American System from its formal beginning in 1889 to the present as it developed into a major multipurpose regional inter governmental organization IGO The most notable elements in the current Inter American System

are the Organization of American States OAS the Inter American Development Bank IDB and the Inter American Treaty of Reciprocal Assistance Rio Treaty Regime Today all 35 sovereign American states are members of the OAS This book makes clear reference to the system s interrelationships with other IGOs and states outside the Western Hemisphere Unique in its scope and approach to the subject this work is intended to provide the reader with access to information on general as well as specific subjects It is compiled with an interdisciplinary approach and addressed to a variety of readers from students and scholars to professionals and government officials With some 250 entries cross referenced and thoroughly indexed this encyclopedia refers to membership and observers in the various organizational elements policy orientations of the state members treaties conventions protocols declarations and resolutions concluded over the years concepts and doctrines underlying American regional organization multinational principles and policies in major categories of activity and cases of conflict and other situations undertaken by the system including places events issues and individuals notable for their contributions

Handbook Of Research On The International Relations Of Latin America And The Caribbean G. Pope Atkins,2018-02-12 The study of Latin American and Caribbean international relations has a long evolution both within the development of international relations as a general academic undertaking and in terms of the particular characteristics that distinguish the approaches taken by scholars in the field This handbook provides a thorough multidisciplinary reference guide to the literature on the various elements of the international relations of Latin America and the Caribbean Citing over 1600 sources that date from the nineteenth century to the present with emphasis on recent decades the volume s analytic essays trace the evolution of research in terms of concepts issues and themes The Handbook is a companion volume to Atkins Latin America and the Caribbean in the International System Fourth Edition but also serves as an invaluable stand alone reference volume for students scholars researchers journalists and practitioners both official and private

Human Rights in Africa: Enhancing Human Rights Through the African Regional Human Rights System George Mugwanya,2021-10-01 The author argues that although the Universal Declaration of Human Rights and the role the United Nations plays in promoting global awareness of human rights has had a positive influence in Africa their institutional financial and political impediments undercut the ability of a global system to address adequately the crisis in human rights violations occurring in Africa today Using case studies from South Africa and Uganda past difficulties in addressing human rights problems are analyzed and recommendations made for future methodologies including the creation of an African Court of Human and Peoples Rights Published under the Transnational Publishers imprint
