Regional Dynamics The Basis Of Electoral Support In Britain:

Regional Dynamics William Field, 2013-01-11 There is a perceived North South divide in British politics In this study William Field points out that this divide marks the resurgence of a core periphery cleavage which was also dominant in British politics in the years before 1914 Other similarities are pointed out

British Elections and Parties Review David Denver, Justin Fisher, Steve Ludlam, Charles Pattie, 2013-10-18 This volume features key political issues for 1990s Britain the reform of the Labour party the use of opinion polls the impact of the media European integration Scotland and regional trends and the bases of party support

British Elections & Parties Review Philip Cowley, David Denver, Justin Fisher, Andrew Russell, 2014-05-12 The British Elections and Parties series publishes research on parties elections and voting behaviour in Britain providing analyses of current and historical developments It is produced under the auspices of the Political Studies Association's Election Public Opinion and Parties study group Volume 9 includes research based around four themes electoral reform partisanship and voting parliamentary behaviour and the attitudes of the young It provides a source of data on public opinion polls a summary of local election results UK referendums key economic indicators political parties and a chronology of major political events in 1998

Modern Constituency Electioneering David Denver, Gordon Hands, 2013-10-23 In this study of grass roots election campaigning the authors survey the evolution of campaigning over the past century and describe how the parties organized their constituency campaigns in the 1992 election They examine and evaluate the campaign techniques used

Territorial Politics and Health Policy Scott L. Greer, 2004 This study identifies the different combinations of market profession management and civil society that England Northern Ireland Scotland and Wales chose in their efforts to provide health services to all It explains why these four health systems despite facing similar pressures and opportunities have developed dramatically different health policy trajectories

Managing Local Services George A. Boyne, 2013-10-14 The Labour Government has introduced legislation to place a new duty of Best Value on local authorities and abolish compulsory competitive tendering This work identifies the differences between the two systems and evaluates the development of the new regime using case studies

Elections and Voters in Britain David Denver, Christopher Carman, Robert Johns, 2017-07-04 How do voters in Britain decide which party to vote for in elections Why do smaller parties get more support than they used to How do the mass media influence political opinions The authors examine these and other questions in the third edition of this popular text They trace the evolution of the British electorate over the post war period and focus in particular on recent elections from Labour's victories in the 2000s through to the hung parliament of 2010 As well as examining and explaining theories of party choice including the view that voters' evaluations of government performance and party leaders are now the key determinants of election outcomes the authors also devote separate chapters to turnout trends and patterns electoral systems and the geography of party support Campaigning opinion polls and the mass media are also considered Fully revised the text incorporates the latest research on elections and voting

behaviour and includes analysis of recent trends and developments including how new media are affecting election campaigning

Popular Conservatism in Imperial London, 1868-1906 Alex Windscheffel, 2007 First detailed investigation into the popular dimensions of late Victorian London Conservatism

The Modern British Party System Paul Webb, Tim Bale, 2021-09-28 The new edition of this successful book provides a comprehensive and up to date overview and account of the changing nature of party politics in Britain today Webb and Bale draw on models of comparative politics in conducting a wealth of new empirical analysis to map and explain the ways in which the party system has evolved and the parties have adapted to a changing political environment Themes covered include the nature and extent of party competition the internal life and organizational development of parties the varieties of party system found across the UK and the roles played by parties within the wider political system The book also addresses the crisis of popular legitimacy confronting the parties as well as assessing the scope for potential reform While parties remain central to the functioning of Britain's democracy public disaffection with them is as high as it has ever been reform of the system of representation and party funding is warranted but there are unlikely to be any panaceas

Britain in the Nineties Hugh Berrington, 1998 This volume looks at the changes in British politics and government since the accession of Mrs Thatcher in 1979 and in particular at the 1990s Its aim is to explore some of these changes and to emphasize the recurring paradoxes in political developments
