Regionalism In A Global Society Persistence And Change In Atlantic Canada And New England:

Regionalism in a Global Society Charles Colgan, Stephen G. Tomblin, 2004 Relying on case studies in different policy fields in the selected supra regions the authors provide an historical comparative and interdisciplinary overview of the dominant themes and issues surrounding transborder regionalism

The Provinces and Canadian Foreign Trade Policy Christopher J. Kukucha, 2009-07-01 During the past thirty years international trade agreements have focused increasingly on areas of provincial jurisdiction In *The Provinces and Canadian Foreign Trade Policy* Kukucha argues that Canadian provinces have maintained a level of autonomy in response to these developments sometimes even influencing Canada's global trade relations and the evolution of international norms and standards The first comprehensive review of provincial foreign trade policy in Canada the book highlights the convergence of debates related to federalism Canadian foreign policy and the global political economy as they are played out in the negotiation and implementation of international trade agreements It will be of interest to students and practitioners of political science public policy and economics

Navigating a Changing World Geoffrey Hale, Greg Anderson, 2021-04-07 The negotiation of the Canada U S Free Trade agreement in 1985-88 initiated a period of substantially increased North American and later global economic integration However events since the election of Donald Trump in 2016 have created the potential for major policy shifts arising from NAFTA's renegotiation and continuing political uncertainties in the United States and with Canada's other major trading partners *Navigating a Changing World* draws together scholars from both countries to examine Canada U S policy relations the evolution of various processes for regulating market and human movements across national borders and the specific application of these dynamics to a cross section of policy fields with significant implications for Canadian public policy It explores the impact of territorial institutions and extra territorial forces institutional economic and technological among others on interactions across national borders both within North America and where relevant in broader economic relationships affecting the movement of goods services people and capital Above all *Navigating a Changing World* represents the first major study to address Canada's international policy relations within and beyond North America since the elections of Justin Trudeau in 2015 and Donald Trump in 2016 and the renegotiation of NAFTA

Sustainable Development and Subnational Governments H. Bruyninckx, S. Happaerts, K. van den Brande, 2012-04-26 This book highlights the importance of the subnational level of governance in relation to sustainable development exploring how subnational governments have taken up the challenge to design sustainable development policies and their involvement in international decision making on sustainable development

Uneasy Partnership Geoffrey Hale, 2018-01-25 The Canadian government's pursuit of economic growth is central to its economic policy and to the nature of its relationship with the business community The government depends on business investment for economic growth vital to the prosperity of citizens the generation of tax revenues and enough public satisfaction to win re election Businesses depend on the government for stable sets of rules that are necessary for success They often look to

governments for protection against threats to their well being and for assistance in competing with other businesses In this new edition of *Uneasy Partnership* Geoffrey Hale examines the interdependent relationship between Canadian governments and businesses considering the political role of the government in the economy and what effect this has on the business environment Hale provides an overview of the historical dimensions of Canada s political economy and relations between government and business giving readers background to consider topics such as corporate power the implications of Canada s economic structure regional economic differences and the role of interest groups in political and policy processes among others In a thoughtful and well researched style Hale lays out how the partnership between business and government in Canada is an uneasy one and one whose capacity to adapt to ongoing changes is essential in an uncertain world In Search of Canadian Political Culture Nelson Wiseman,2011-11-01 What do we really mean by phrases such as western Canadian political culture the centrist political culture of Ontario Red Toryism in the Maritimes or Prairie socialism What historical geographical and sociological factors came into play as these cultures were forged In this book Nelson Wiseman addresses many such questions offering new ways of conceiving Canadian political culture The most thorough review of the national political ethos written in a generation *In Search of Canadian Political Culture* offers a bottom up regional analysis that challenges how we think and write about Canada **Comparative Politics** Daniele Caramani,2011-02-17 *Comparative Politics* provides a comprehensive introduction to political systems around the world It covers methods and theories the nation state institutions actors and processes policies and recent changes Political Encyclopedia of U.S. States and Regions Donald P. Haider-Markel,Michael A. Card,2009 Providing expert analysis of government and politics in all 50 states and the U S territories this innovative two volume reference fills the critical need for information and analysis of the roles and functions of state government through accessible state by state and regional overviews of government and politics International Handbook of Public Management Reform Shaun Goldfinch,Joe Wallis,2009-01-01 This volume presents a compelling package for anyone interested in public sector reform It effectively combines a wide range of well researched reviews of national experiences with state of the art thematic chapters in key reform areas such as IT governance public sector leadership and accountability The result is a robust insightful and sometimes sobering series of accounts of the promises and pitfalls of efforts to reform the institutions and practices of public governance around the world A must read Paul t Hart Australian National University This major Handbook provides a state of the art study of the recent history and future development of international public management reform Through a careful cross country analysis spanning the last three decades this timely volume critically evaluates whether countries are converging towards a single public management model The book goes on to investigate unresolved issues surrounding leadership e government accountability and computer systems failure currently facing reformers Shaun Goldfinch and Joe Wallis have brought together a number of eminent scholars from across Europe Asia North America and Australasia to explore the role of economic ideas human resources and

the state of public management reform in twelve countries Providing a broad global overview of public management and facilitating a greater understanding of the difficult issue of reform this book will find widespread appeal amongst academics and postgraduate students of public administration as well as practitioners in the field Canadian Politics James Bickerton, Alain Gagnon, 2009-01-01 The new fifth edition of Canadian Politics continues the work of earlier editions in offering a comprehensive introduction to Canadian government and politics by a widely recognized and highly respected group of political scientists writing about subjects on which they are acknowledged experts For this edition the editors have organized the book into four sections Part I Citizenship Identities and Values Part II Institutions Part III Democracy and Representation and Part IV Canada in the World The fourth section develops a focus on the diverse and increasingly important influences of globalization on the Canadian polity the environment and the role of Canada in the world Of the eighteen chapters nine are completely new and six new authors appear including Martin Papillon on Aboriginal governments Peter J Stoett on Canadian international environmental policy and Andrew F Cooper on Afghanistan and Canadian foreign policy The remaining chapters have been thoroughly revised and updated
