Excerpt from The Registrum Antiquissimum of the Cathedral Church of Lincoln Vol 1 A distinguished German scholar Dr Walther Holtzmann until lately a lecturer in the University of Berlin and now professor of modern history in the University of Halle has placed me deeply in his debt by reading the proofs of the papal bulls and mandates Out of his extensive knowledge of the mediaeval papal chancery he has not only made many valuable suggestions but has also supplied the notes which are printed under his name at the end of some of the bulls Dr Holtzmann is now engaged in collecting the English material for a critical edition of the papal bulls and letters prior to the year 1198 which the Academy of Gottingen has had in hand since the year 1896 About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
