

WHAT IS REIKI ATTUNEMENT?

The Reiki attunement is a powerful, highly spiritual experience. The process allows a master healer to open the crown, heart, and palm chakras to create a special connection between the student and Reiki source.

The process of energy transfer can be transferred from person to person and a single attunement is all it takes to begin healing with Reiki. Once you have the energy passed to you from a master, it cannot and never will leave you.

Since there are multiple levels of Reiki, you'll need another attunement each time you move up. While you only need one attunement for each level, more than one attunement can however provide additional benefit.
