The Rising of the Women Meredith Tax, 2022-04-05 How working class socialist women changed the course of American history with a foreword by labor journalist Sarah Jaffe In this

landmark study Meredith Tax charts the actions of women in working class feminist and socialist movements during the first upsurge of the American labor movement From the pioneering efforts of Chicago women in the 1880s to the unprecedented New York City shirtwaist strike in 1909 to the 1912 bread and roses strike of immigrant textile workers in Lawrence Massachusetts and from the Socialist Party to the Industrial Workers of the World Tax gives us a rich narrative of women workers struggles Caught between the hostility of male trade unionists the sexism of male socialist organizers and the assumptions of middle class feminists women workers forged their own demands for economic and political justice In doing so Tax argues a unique form of socialist feminist class consciousness was created whose ripples touched the suffrage movement First published in 1980 *The Rising of the Women* is a classic of feminist labor history presented here with a new introduction by the author and a new foreword by Sarah Jaffe Reilly - Running Full Circle Amber Jo Illsley, 2015-10-09

This is the third book in the trilogy on Seamus O'Reilly the cats exploits He can talk and still has plenty to say despite growing older and seemingly more mature But mature is a dirty word in Reillys opinion As far as hes concerned hes ageless To the adorable and yet chauvinistic Reilly the world is a fascinating place and he is the most fascinating part of it Reilly manages to ingratiate himself with many of the people around him provided he leaves his claws retracted Caught in the middle of the big pussycats capers is Reillys owner who already knows that there is no one the ornery feline is more protective of than her In this semi fictional story accompanied by illustrations and poetry Reilly continues with his carefree adventures entertaining antics and witty repartee initially with girlfriend Katie and later on with his new girlfriend Chloe Arabella and his owner

Its been several months since Aria and Lucky first met during the scramble for the Goldsworth family s inheritance The pair s new business venture is going well and all seems to be looking up for them until an enigmatic captain of industry in the city makes them an offer he won t let them refuse With enemies abounding and allies few can the pair survive a most hostile takeover Breadwinners Lara Vapnek,2024-03-18 Lara Vapnek tells the story of American labor feminism from the end of the Civil War through the winning of woman suffrage During this period working women in the nation s industrializing cities launched a series of campaigns to gain economic equality and political power This book shows how working women pursued equality by claiming new identities as citizens and as breadwinners Analyzing disjunctions between middle class and working class women s ideas of independence Vapnek highlights the agendas for change advanced by leaders such as Jennie Collins Leonora O Reilly and Helen Campbell and organizations such as the National Consumers League the Women s Educational and Industrial Union and the Women s Trade Union League Locating households as important sites of class conflict Breadwinners recovers the class and gender politics behind the marginalization of domestic workers from labor reform while documenting the ways in which working class women raised their voices on their own behalf **The Breeze of the Gaels** Bill Nagel,2025-06-24 Rory O Connor Fioir O Reilly and Etain Finnegan were all Irish Gaels born in the western kingdom of Connacht All three like the rest of Ireland or Erin had a sacred devotion to their ancient Brehon Laws that governed their island But beyond that the three led quite different lives Rory O Connor was a younger son of a High King Turlough O Connor and Fioir O Reilly was Rory s main sword Both had been afforded a life of privilege that Etain Finnegan never had Etain Finnegan lived in an Irish rundale commune an ancient system that Irish Gaels lived by centered around basic survival and sustenance Etain and her village had to work hard for everything they had and for everything they ate In Ireland in 1166

Rory O Connor and the many Irish overkings nobles and land chieftains that governed their politically fractured island had known nothing but war and turmoil The Irish landscape prohibited the many different sovereign clans and kingdoms from dividing the island s limited resources evenly among them Governing their island this way divided and fractured has led them repeatedly down the same paths to the same conflicts Conflicts that the clans couldn t afford with Irish Gaels and resources stretched too thin already Rory O Connor sought to find a new way as he strove to become High King of Ireland like his father Fioirfir O Reilly and his small sword clan swung their swords trying to get Rory there so he could enact his vision for a new and united Ireland But even if they get Rory O Connor to the throne it may be too late Old Irish conflicts have brought a new threat to their shores that none of them knew was coming and none of them were prepared for Can the Irish Gaels finally see themselves as one island and unite against the coming threat to save their Gaelic Brehon way of life Or would the same old conflicts pave the roads of Erin towards their destruction
