Reimagining The Death Of The Lukan Jesus:

Reimagining the Death of the Lukan Jesus Dennis D. Sylva, 1990 **The New Testament in Its First Century Setting** Bruce W. Winter, 2004 **The Acts of the Apostles** David Peterson, 2009-04-15 Peterson focuses on how Luke framed his narrative and speeches as well as his theology demonstrating that Acts was written for Christian edification and to encourage mission *The Atonement in Lukan Theology* John Kimbell, 2014-10-02 In the past century of critical scholarship on Luke Acts it has become commonplace to affirm that Luke attaches no direct soteriological value to the death of Jesus More specifically the scholarly consensus affirms that Luke Acts does not present Jesus death as an atonement for sin Rather Luke s soteriology is understood to center upon Jesus resurrection and exaltation as Lord In this careful thematic study of atonement theology in Luke s double work John Kimbell demonstrates that the value Luke attributes to the death of Christ has been underestimated When all the data is considered the death of Christ is given greater direct soteriological significance in the Lukan writings than scholarship has generally acknowledged Specifically the death of Jesus is portrayed by Luke as an atoning death that brings about the forgiveness of sins This book does not deny the presence of other soteriological emphases Nevertheless it convincingly shows that atonement theology plays a fundamental role in Luke s soteriology such that when this aspect is rejected or minimized Luke s presentation of the cross and salvation is significantly distorted Kimbell carefully interacts with the scholarly secondary literature on this subject ensuring that any serious Christian reader will find this work stimulating and useful Detailed exegesis is paired with careful attention to Luke s overall theological purposes The result is that the reader will come away with a clearer understanding of Luke s writings and a deeper appreciation for the meaning of Christ s death **The Lukan Passion Narrative** Jay M. Harrington, 2000-01-01 This volume offers a detailed chronological and systematic history of the debate surrounding Luke s use of Mark s Gospel and special sources in a section of the passion narrative concluding with an exegesis of Lk 23 6 16 as a testing ground of material derived from the survey An extensive bibliography and useful appendices round out the volume [The Lukan Passion Narrative. The Markan Material in Luke 22,54 - 23,25](#) Revd Jay M. Harrington, 2019-07-01 This study traces the debate surrounding Luke s use of the Gospel of Mark and special sources such as Proto Luke in a section of the passion narrative Lk 22 54 23 25 The survey covers roughly the period from the 1880 s to 1997 Part I details the development from P Feine to the 1960 s Part II begins with G Schneider continuing up through 1997 In treating each scholar s position the author reviews their underlying Synoptic theory their source theory in the passion in general then the trial of Pilate and finally the trial before Herod Part III is devoted to an interpretation of Lk 23 6 16 Part IV contains the list of abbreviations the bibliography and three appendices 1 Special LQ vocabulary and constructions according to J Weiss 2 Lukan priority theories and 3 the Gospel of Peter and its relation to the Herod pericope Part IV concludes with the name index The Lukan Passion Narrative will be particularly useful to those concerned with Luke s redactional technique Source theories Minor Agreements and the

history of exegesis *The Davidic Messiah in Luke-Acts* Mark L. Strauss, 1995-03-01 The nature of Lukan christology has been much debated in recent years with scholars claiming the pre eminence of such categories as Lord Prophet Christ or Isaianic Servant In the present work the author examines one major theme within Luke s christology that of the coming king from the line of David A study of the Lukan birth narrative and the speeches in Acts reveals that Luke shows a strong interest in this royal messianic theme introducing it into passages which are introductory and programmatic for his christology as a sermon portraying Jesus in strongly prophetic terms The author seeks a synthesis of these seemingly conflicting royal and prophetic portraits in Luke s interpretation of the Old Testament book of Isaiah When Isaiah is read as a unity the eschatological deliverer is at the same time Davidic king Isa 9 11 suffering servant of Yahweh Isa 42 53 and prophet herald of salvation Isa 61 leading God s people on an eschatological new exodus On the basis of this synthesis the christology of Luke Acts is seen to be both consistent and unified forming an integral part of Luke s wider purpose in his two volume work

Scripture and Theology Tomas Bokedal, Ludger Jansen, Michael Borowski, 2023-08-21 The academic disciplines of Biblical Studies and Systematic Theology were long closely linked to one another However in the modern period they became gradually separated which led to increasing subject specialization but also to a lamentable lacuna within the various branches of Divinity As the lack of dialogue between Biblical Studies and the various theological disciplines increased a minority group of scholars in the past few decades reacted and sought to re establish the time honoured bonds between the disciplines The present volume is part of this intellectual response with contributions from scholars of various professional and denominational backgrounds Together the book s 25 chapters seek to reinvigorate the crucial cross disciplinary dialogue involving biblical narrative historical systematic theological and philosophic theological perspectives The book opens the horizon to contemporary research and fills a lamentable research gap with a number of fresh contributions from scholars in the respective sub disciplines **Suffering in Ancient Worldview** Brian J. Tabb, 2017-04-20 Suffering in Ancient

Worldview investigates representative Christian Roman Stoic and Jewish perspectives on the nature problem and purpose of suffering Tabb presents a close reading of Acts Seneca s essays and letters and 4 Maccabees highlighting how each author understands suffering vis vis God humanity the world s problem and its solution and the future Tabb s study offers a pivotal definition for suffering in the 1st century and concludes by creatively situating these ancient authors in dialogue with each other Tabb shows that despite their different religious and cultural positions these ancient authors each expect and accept suffering as a present reality that is governed by divine providence however defined Luke Seneca and the author of 4 Maccabees each affirm that suffering is not humanity s fundamental problem Rather suffering functions as a cipher for other things to be displayed For Seneca suffering provides an opportunity for one to learn and show virtue The author of 4 Maccabees presents the nation s suffering as retribution for sin while the martyrs virtuous suffering leads to Israel s salvation For Luke the Lord Jesus suffers to accomplish salvation and restoration for the world marred by sin and suffering

and the suffering of his followers is instrumental for Christian mission **Luke the Theologian** François Bovon, 2006 In this completely revised and updated edition François Bovon provides a critical assessment of the last fifty five years of scholarship on Luke Acts The study divides thematically with individual chapters covering the subjects of history and eschatology the role of the Old Testament Christology the Holy Spirit conversion and the church Each chapter begins with a consideration of the exegetical and theological problems unique to each theme in Luke Acts before providing a detailed survey and critique of contemporary English German French Spanish and Italian New Testament scholarship
