Andrew Kirk,Kevin J Vanhoozer,2021-04-16 An original international collaboration *To Stake a Claim* researches the relationship between what counted for knowledge in the West how this knowledge has changed over the years and how those changes related to the mission of the church as an evangelizer within Western culture Examining four key areas of study *To Stake a Claim* evaluates the dominant positions in contemporary philosophy regarding truth rationality and pluralism It first analyzes consequences for humanity that holding these positions implies Next it looks at faith religion and revelation in the context of the dominant positions of contemporary philosophy discussed in the first part The third part explores the dominant positions of contemporary theology Finally it summarizes the epistemological problems involved in the process of communicating the gospel within Western culture and evaluates the theological and missiological views of this
