Reinventing Eve Modern Woman In Search Of Herself:

Reinventing Eve Kim Chernin, 1994 The Feminization of Quest-Romance Dana A. Heller, 2014-03-19 What happens when a woman dares to imagine herself a hero Questing she sets out for unknown regions Lighting a torch she elicits from the darkness stories never told or heard before The woman hero sails against the tides of great legends that recount the adventures of heroic men legends deemed universal timeless and essential to our understanding of the natural order that holds us and completes us in its spiral Yet these myths and rituals do not fulfill her need for an empowering self image nor do they grant her the mobility she requires to imagine enact and represent her quest for authentic self knowledge The Feminization of Quest Romance proposes that a female quest is a revolutionary step in both literary and cultural terms Indeed despite the difficulty that women writers face in challenging myths rituals psychological theories and literary conventions deemed universal by a culture that exalts masculine ideals and universalizes male experience a number of revolutionary texts have come into existence in the second half of the twentieth century by such American women writers as Jean Stafford Mary McCarthy Anne Moody Marilynne Robinson and Mona Simpson all of them working to redefine the literary portrayal of American women s quests They work in part by presenting questing female characters who refuse to accept the roles accorded them by restrictive social norms even if it means sacrificing themselves in the name of rebellion In later texts female heroes survive their lighting out experiences to explore diverse alternatives to the limiting roles that have circumscribed female development This study of *The Mountain Lion* *Memories of a Catholic Girlhood* *Coming of Age in Mississippi* *Housekeeping* and *Anywhere but Here* identifies transformations of the quest romance that support a viable theory of female development and offer literary patterns that challenge the male monopoly on transformative knowledge and heroic action **The Women's Passover Companion** Sharon Cohen Ainsfeld, Tara Mohr, Catherine Spector, 2012-02-16 A powerful and empowering gathering of women s voices transmitting Judaism s Passover legacy to the next generation The Women s Passover Companion offers an in depth examination of women s relationships to Passover as well as the roots and meanings of women s seders This groundbreaking collection captures the voices of Jewish women rabbis scholars activists political leaders and artists who engage in a provocative conversation about the themes of the Exodus and exile oppression and liberation history and memory as they relate to contemporary women s lives Whether seeking new insights into the text and traditions of Passover or learning about women s seders for the first time both women and men will find this collection an inspiring introduction to the Passover season and an eye opening exploration of questions central to Jewish women to Passover and to Judaism itself *Women's Lives, Man's Myths* C. F. Thomas, 2010-12-02 *The Spiritual Gifts of Travel* James O'Reilly, Sean O'Reilly, 2002 In this lively collection from an array of accomplished writers readers meet an old woman who imparts an invaluable midnight message on a Greek island brothers who heal old family wounds in Ireland and travelers who awaken to the mystery of their souls in such disparate places as St Peter s in Rome and a dusty road in India
